Fated Absolution Kathi S. Barton, 2012-04-05 “You either go to this appointment or so help me I’ll make your life a living hell.” Madison Harm glared at her boss. She didn’t want to go, but short of him adding more time onto her contract, there was little she could do about it. Little did she know that on the way there she’d run into her destiny. Kyle Dixon, a very old and powerful vampire is walking along minding his own business when all of the sudden he is being run down by a car. The woman who gets out to help him is a tad odd and she talks to herself. When she claims to have an appointment with his good friend Aaron, he decided to come along for the ride. Maddy doesn’t believe in vampires, she doesn’t believe in much of anything really. So when she finds out that she herself is something much more, she takes a few days to get used to the idea. Kyle however wants her now. Morrigan the queen of all fairies has been waiting for Maddy for millenniums. And now that she was found, another, a being so evil has decided that he too wants the magick that Maddy holds. So when he takes Kyle and holds him as a pawn, Maddy has no choice but to give him what he wants. She gives him her love and freedom with her last breath. Love can conquer all, but can it go beyond the bonds of death? Will there be enough love between the two to claim everything? Kyle and Maddy a love that transcends otherworlds.

Unicorn Rosemary Hill, Angela Carter, 2015-11-05 a) The Unicorn As with the night-scented stock, the full splendour of the unicorn manifests itself most potently at twilight. Then the horn sprouts, swells, blooms in all its glory. SEE THE HORN (bend the tab, slit in slot marked 'x') Despite being one of the most influential - and best-loved - of the post-war English writers, Angela Carter remains little-known as a poet. In *Unicorn*, the critic and historian Rosemary Hill collects together her published verse from 1963-1971, a period in which Carter began to explore the themes that dominated her later work: magic, the reworking of myths and their darker sides, and the overturning of literary and social conventions. With imagery at times startling in its violence and disconcerting in its presentation of sexuality, *Unicorn* provides compelling insight into the formation of a remarkable imagination. In the essay that accompanies the poems the critic and historian Rosemary Hill considers them in the context of Carter's other work and as an aspect of the 1960s, the decade which as Carter put it 'wasn't like they say in the movies'.
