Guns Down Igor Volsky, 2019-04-09 One of Mashable's 17 books every activist should read in 2019 Join the conversation about creating a future with fewer guns and finally make a difference—this smart, thoughtful, commonsense plan (Donna Brazile) shows you how Ninety-six people die from guns in America every single day. Twelve thousand Americans are murdered each year. The United States has more mass shootings, gun suicides, and nonfatal gun injuries than any other industrialized country in the world. Gun-safety advocates have tried to solve these problems with incremental changes such as background checks and banning assault style military weapons. They have fallen short. In order to significantly and permanently reduce gun deaths the United States needs a bold new approach: a drastic reduction of the 390 million guns already in circulation and a new movement dedicated to a future with fewer guns. In *Guns Down*, Igor Volsky tells the story of how he took on the NRA just by using his Twitter account, describes how he found common ground with gun enthusiasts after spending two days shooting guns in the desert, and lays out a blueprint for how citizens can push their governments to reduce the number of guns in circulation and make firearms significantly harder to get. An aggressive licensing and registration initiative, federal and state buybacks of millions of guns, and tighter regulation of the gun industry, the gun lobby, and gun sellers will build safer communities for all. Volsky outlines a New Second Amendment Compact developed with policy

experts from across the political spectrum, including bold reforms that have succeeded in reducing gun violence worldwide, and offers a road map for achieving transformative change to increase safety in our communities.

**Texas Gundown** William W. Johnstone, J.A. Johnstone, 2018-05-29 Johnstone Country. Frontier spirit lives here. Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the halfbreed's life, forging a bond no one could ever break. As years passed, a legend grew of the breed and the white man who rode together—and pulled iron faster than anyone in the West... Sweet Apple, Texas, is the deadliest town west of the Mississippi—where getting killed is as easy as ordering a beer. Which is why East Coast big shot Cornelius Standish sends his lily-livered nephew, Seymour, to Sweet Apple. With Seymour out of the way, Cornelius will own the company that rightfully belongs to his nephew. His plan backfires, though, when Seymour is dubbed “The Most Cowardly Man in the West” by a newspaper and the hardcases of Sweet Apple are too proud to kill him. Soon Seymour thinks he's bulletproof—until an outlaw gang, some Mexican revolutionaries, a train full of army rifles and a team of hired gunfighters all head to Sweet Apple at the same time. Now, Seymour and his border town are sure to get blown off the map. But blood brothers Matt Bodine and Sam Two Wolves are about to get there first—and they're setting off some fireworks of their own... Live Free. Read Hard.

Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put  
the Damn Guns Down, this is New York Times bestselling author Jason  
Reynolds’s electrifying novel that takes place in sixty potent seconds—the  
time it takes a kid to decide whether or not he’s going to murder the guy who  
killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A  
heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun.  
That’s what fifteen-year-old Will has shoved in the back waistband of his  
jeans. See, his brother Shawn was just murdered. And Will knows the rules. No  
crying. No snitching. Revenge. That’s where Will’s now heading, with that gun  
shoved in the back waistband of his jeans, the gun that was his brother’s  
gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after.  
Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck,  
Will finds out, is who gave Shawn the gun before Will took the gun. Buck  
tells Will to check that the gun is even loaded. And that’s when Will sees

that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

*Johnny Get Your Gun* John F Tucker,2015-02-28 At the age of seventeen-and-a-half, full of idealism and patriotism, John Tucker enlisted as an Infantryman in the London Kensington Regiment and reached France, after training, in August 1915. Against all odds he survived three years of bitter trench warfare, was seriously wounded, and returned to Blighty a few months before Armistice Day. During those years he took part in the Battle of the Somme, the battles of Arras and Cambrai, and the Third Battle of Ypres. Yet though

his patriotism remained unflinching, his idealism gave way to the grim realities of day to day survival in the trenches and, as he began to understand what constitutes courage, he grew from boyhood to manhood.??The author contrasts the beauties of the French countryside with the ugliness of widespread death and destruction, and paints a picture of French country life hardly less squalid than the soldiers' own lot. But above all, he makes the reader realise what it was like to fight in the war to end all wars.??These are the memoirs of one Infantryman, but through his eyes a vivid canvas of the whole war gradually unfolds.

**Miami Gundown** Michael Zimmer, 2016-04-26 "Zimmer demonstrates why he's one of the more interesting voices in Western fiction." –Booklist "I've got something I want to say right up front," says Boone McCallister, as he speaks into an Edison Dictaphone in 1937, "and that is that I did not feed David Klee to an alligator. That damned rumor has hounded me my whole life." Back in 1864, with his father gone to fight for the South, young Boone embarks on a cattle drive with the McCallister's Flat Iron Ranch in pioneer Florida, sending a herd of cattle to the Gulf port south of Tampa. Besides navigating dangerous cattle country, the headstrong, naïve Boone encounters vengeful Yankees, orders a hanging, braves alligators, and comes into contact with a group of swamp outlaws, the Klees, which begins a costly feud between the two families. When the Klees pillage and set fire to the Flat Iron Ranch, they also kidnap a comely slave girl, Lena. Against the odds, Boone must lead an

operation to get her back, leading to a showdown in the middle of unfamiliar and unsettled outlaw territory that would one day become Miami. Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Westerns—books about outlaws, sheriffs, chiefs and warriors, cowboys and Indians—are a genre in which we publish regularly. Our list includes international bestselling authors like Zane Gray and Louis L'Amour, and many more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

I don t really know why, I guess it s just because of my creative mind. I have been married twice and have two step kids as well as two of my own. I also a proud step-grandfather I ve always thought that I was born to do something else. Music always has been part of my life. With every word I write there s a melody in my head. I can sing along to any one of these song. Although when I was younger I never would write down these melodies in my head. Now that I m older I have two teenage kids of my own that I love very much. I tell them to follow their dreams. I have been sitting on my dream all along, which is to be an acknowledged song writer. My kids give me all the inspiration that I need to succeed in life. I am up and down in this crazy life, and I think it s about time to become who I was meant to be. Maybe something good will happen here, who knows the sky s the limit so they say. So peace love and happiness.
