**A Three-Foot Stool** Peter Wright, 2017-07-27 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly -

on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

**The Lizard Eaters** Douglas Lockwood,2013 Read the fascinating story of how Douglas Lockwood met Aborigines who had never before set eyes on a white face. In 1957, officers from the Welfare branch of Northern Territory Administration began patrolling the Gibson and Great Sandy Deserts. Here they found the Pintubi people, who had never been in touch with white civilisation. In 1963 Douglas Lockwood, at that time the Melbourne Herald's correspondent, was invited to join a patrol into the Gibson Desert to a point about 960km west of Alice Springs and 320 kms across the Western Australia border. The Lizard Eaters tells the fascinating story of that journey and the discovery of yet more Pintubi people. Lockwood describes the thrill he felt on meeting Aborigines who had never before set eyes on a white face and the profound respect he developed for human beings who had lived in unbelievably harsh conditions for thousands of years.
