

Quizcraze

Alexander Russo

Quiz Craze Thomas A. DeLong,1991-10-30 An in-depth history of radio and television quiz and game shows.

Genre and Television Jason Mittell,2013-05-13 Genre and Television proposes a new understanding of television genres as cultural categories, offering a set of in-depth historical and critical examinations to explore five key aspects of television genre: history, industry, audience, text, and genre mixing. Drawing on well-known television programs from Dragnet to The Simpsons, this book provides a new model of genre historiography and illustrates how genres are at work within nearly every facet of television-from policy decisions to production techniques to audience practices. Ultimately, the book argues that through analyzing how television genre operates as a cultural practice, we can better comprehend how television actively shapes our social world.

Quiz Craze Thomas A. DeLong,1991-10-30 For more than fifty years, the quiz show has thrived on American television and radio. From Pot o' Gold and The \$64,000 Question to Wheel of Fortune and Jeopardy, quiz and game programs have entertained and informed millions of Americans, promoted and sold untold quantities of products, generated fortunes for their creators and producers, and filled the pockets of a multitude of jackpot winners. In this volume, Thomas DeLong offers the first in-depth history of quiz and game formats available in print. He describes how mass communications transformed the old parlor guessing games into enormously popular features on radio and television and examines their impact on American society and the consumer marketplace. DeLong also explores their decline in the wake of the quiz scandal inquiry of the late 1950s and their subsequent revival as new shows on daytime TV that began to build up a loyal following. Quiz Craze is enhanced by the recollections, insights, and anecdotes of many who brought the quiz show genre to listeners and viewers. Producers, directors, gamemakers, writers, emcees, panelists, and advertisers have added their first-hand observations on the inner workings and widespread influence of quiz show programming. Former contestants and their families offer reminiscences from shows such as To Tell the Truth, What's My Line?, Name That Tune, and many others. DeLong also draws on the resources of key organizations in the broadcast field, archival records, and published media reports to demonstrate the extraordinary popularity of the game show format.

Quizzing America Mark Dunn,2017-12-22 The 1950s television game show was a cultural touchstone, reflecting the zeitgeist of a flourishing modern nation. The author explores the iconography of the mid-20th century U.S. in the context of TV watching, game playing and prize winning. The scandals that marred the genre's reputation are revisited, highlighting American's propensity for both gullibility and winking cynicism.

Telegenres Jason Mittell,2000

Fred Allen's Radio Comedy Alan Havig,2010-06-09 Tracing a career that lasted from 1912 into the 1950s, Havig describes the verbal slapstick style that was Fred Allen's hallmark and legacy to American comedy.

1950s "Rocketman" TV Series and Their Fans C. Miller,A. Van Riper,A. Bowdoin Van Riper,2012-08-30 The fourteen essays featured here focus on series such as Space Patrol, Tom Corbett, and Captain Z-Ro, exploring their roles in the day-to-day lives of their fans through topics such as mentoring, promotion of the real-world space program, merchandising, gender issues, and ranger clubs - all the while promoting the fledgling medium of television.

Stay Tuned Christopher H. Sterling,John Michael Kittross,2001-11-01 Since its initial publication in 1978, Stay Tuned has been recognized as the most comprehensive and useful single-volume history of American broadcasting and electronic media available. This third edition has been thoroughly revised and updated to bring the story of American broadcasting forward to the 21st century, affording readers not only the history of the most important and pervasive institution affecting our society, but also providing a contextual transition to the Internet and other modern media. The enthusiasm of authors Christopher H. Sterling and John Michael Kittross is apparent as they lead readers through the development of American electronic mass media, from the first electrical communication (telegraph and telephone); through radio and television; to the present convergence of media, business entities, programming, and delivery systems, including the Internet. Their presentation is engaging, as well as informative, promoting an interest in history and making the connections between the developments of yesterday and the industry of today. Features of this third edition include: *chronological and topical tables of contents; *new material reflecting modern research in the field; *a new chapter describing historical developments from 1988 through to the current day; *an expanded bibliography, including Web site and museum listings; *an updated and expanded glossary and chronology; and *extensive statistical data of the development of television and radio stations, networks, advertising, programming, audiences, and other aspects of broadcasting. Designed for use in undergraduate and graduate courses on the history of American mass media, broadcasting, and electronic media, Stay Tuned also fits well into mass communication survey courses as an introduction to electronic media topics. As a chronicle of American broadcasting, this volume is also engaging reading for anyone interested in old radio, early television, and the origins and development of American broadcasting.

The Guide to United States Popular Culture Ray Broadus Browne,Pat Browne,2001 To understand the history and spirit of America, one must know its wars, its laws, and its presidents. To really understand it, however, one must also know its cheeseburgers, its love songs, and its lawn ornaments. The long-awaited Guide to the United States Popular Culture provides a single-volume guide to the landscape of everyday life in the United States. Scholars, students, and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history. All American readers will find in it, one entry at a time, the story of their lives.--Robert Thompson, President, Popular Culture Association. At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture. With its nearly 1600 entries, it promises to be the most comprehensive single-volume source of information about popular culture. The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike.--Timothy E. Scheurer, President, American Culture Association The popular culture of the United States is as free-wheeling and complex as the society it animates. To understand it, one needs assistance. Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations.--Marshall W. Fishwick, Past President, Popular Culture Association Features of The Guide to United States Popular Culture: 1,010 pages 1,600 entries 500 contributors Alphabetic entries Entries range from general topics (golf, film) to specific individuals, items, and events Articles are supplemented by bibliographies and cross references Comprehensive index

LIFE ,1957-02-25 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. The New York Times Book Review ,1991-10 Presents extended reviews of noteworthy books, short reviews, essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers (hardcover and paperback).

The Great Radio Audience Participation Shows Jim Cox,2001 This work contains the histories of 17 radio audience participation shows on the air during the 1940s and 1950s. They are Arthur Godfrey's Talent Scouts, Art Linkletter's House Party, Break the Bank, The Breakfast Club, Bride and Groom, Can You Top This?, Dr. Christian, Dr. I.Q., Double or Nothing, Information Please, Queen for a Day, Stop the Music!, Strike It Rich, Take It or Leave It, Truth or Consequences, Welcome Travelers, and You Bet Your Life. Included for each show are the premise it was based upon, the producers, host, announcer, vocalists, orchestra conductor, writers, sponsors, the ratings, and the air dates. Biographical sketches are provided for 177 figures who were connected to radio audience participation shows. A guide to network audience participation shows follows the text as an appendix.

Broadcasting in America Sydney W. Head,Christopher H. Sterling,1982

Library Journal ,1991 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Encyclopedia of Television Horace Newcomb,2014-02-03 The Encyclopedia of Television, second edition is the first major reference work to

provide description, history, analysis, and information on more than 1100 subjects related to television in its international context. For a full list of entries, contributors, and more, visit the Encyclo pedia of Television, 2nd edition website.

Summary of Kliph Nesteroff's The Comedians Everest Media,2022-03-08T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 In the early twentieth century, the United States had around 5,000 vaudeville theaters. They were controlled by a small group of moguls who were extremely wealthy and sought only to maximize profit. They intimidated their competitors into submission. #2 The Orpheum circuit had been Keith-Albee’s largest competitor, with theaters in Calgary, Champaign, Davenport, Decatur, Denver, Des Moines, Duluth, Fresno, Kansas City, Lincoln, Los Angeles, Madison, Memphis, Milwaukee, Minneapolis, New Orleans, Oakland, Omaha, Portland, Rockford, Sacramento, Salt Lake City, San Francisco, Seattle and Sioux City. #3 Vaudeville was a rough life, and many of the acts lived in boardinghouses or did odd jobs to subsidize their meager incomes. Some comics were in demand not for their act, but for their connections. #4 The burlesque and vaudeville comedy scenes were completely separate from each other, and burlesque relied on stock routines and characters. The most common burlesque comedy conventions were racial caricature and rampaging husbands.

Raised on Radio Gerald Nachman,2012-10-17 For everybody raised on radio—and that's everybody brought up in the thirties, forties, and early fifties—this is the ultimate book, combining nostalgia, history, judgment, and fun, as it reminds us of just how wonderful (and sometimes just how silly) this vanished medium was. Of course, radio still exists—but not the radio of The Lone Ranger and One Man's Family, of Our Gal Sunday and Life Can Be Beautiful, of The Goldbergs and Amos 'n' Andy, of Easy Aces, Vic and Sade, and Bob and Ray, of The Shadow and The Green Hornet, of Bing Crosby, Kate Smith, and Baby Snooks, of the great comics, announcers, sound-effects men, sponsors, and tycoons. In the late 1920s radio exploded almost overnight into being America's dominant entertainment, just as television would do twenty-five years later. Gerald Nachman, himself a product of the radio years—as a boy he did his homework to the sound of Jack Benny and Our Miss Brooks—takes us back to the heyday of radio, bringing to life the great performers and shows, as well as the not-so-great and not-great-at-all. Nachman analyzes the many genres that radio deployed or invented, from the soap opera to the sitcom to the quiz show, zooming in to study closely key performers like Benny, Bob Hope, and Fred Allen, while pulling back to an overview that manages to be both comprehensive and seductively specific. Here is a book that is generous, instructive, and sinfully readable—and that brings an era alive as it salutes an extraordinary American phenomenon.

Radio Reader Michele Hilmes,Jason Loviglio,2002 First Published in 2002. Routledge is an imprint of Taylor & Francis, an informa company. **LIFE** ,1957-02-25 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today’s people and events. They have free access to share, print and post images for personal use.

Points on the Dial Alexander Russo,2010-01-20 The golden age of radio is often recalled as a time when the medium unified the nation, when families gathered around the radios in homes across the country to listen to live, commercially sponsored network broadcasts. In Points on the Dial, Alexander Russo revises our understanding of radio’s past by revealing the hidden histories of production, distribution, and reception practices during this era, which extended from the 1920s into the 1950s. Russo brings to light a tiered broadcasting system with intermingling but distinct national, regional, and local programming forms, sponsorship patterns, and methods of program distribution. Examining a wide range of practices, including regional networking, sound-on-disc transcription, the use of station representatives, spot advertising, and programming aimed at homes with several radios, he not only recasts our understanding of the relationship between national networks and local stations but also charts the development of new ways of listening—often distractedly rather than attentively—that set the stage for radio in the second half of the twentieth century.

Immerse yourself in heartwarming tales of love and emotion with is touching creation, **Quizcraze** . This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.

Quizcraze Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats,

cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Quizcraze PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Quizcraze PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Quizcraze free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Quizcraze Books
