Athar Husain (Syed)

Quran Talal Itani,2015-03-10 This small book contains the most essential passages of the Holy Quran, translated into clear English. A must-read book for non-Muslims and Muslims alike. Are you curious about Islam? New to Islam? This is the perfect book. Trying to introduce a friend to Islam? This makes a great gift. The Quran is the direct Word of God. It contains guidance, mercy, and healing. This book provides the most-read Quran chapters, translated into modern English. [The Heifer 62] Those who believe, and those who are Jewish, and the Christians, and the Sabians-any who believe in God and the Last Day, and act righteously-will have their reward with their Lord; they have nothing to fear, nor will they grieve. [Monotheism 1-4] In the name of God, the Gracious, the Merciful. 1. Say, He is God, the One. 2. God, the Absolute. 3. He begets not, nor was He begotten. 4. And there is nothing comparable to Him. [The Opening 1-7] 1. In the name of God, the Gracious, the Merciful. 2. Praise be to God, Lord of the Worlds. 3. The Most Gracious, the Most Merciful. 4. Master of the Day of Judgment. 5. It is You we worship, and upon You we call for help. 6. Guide us to the straight path. 7. The path of those You have blessed, not of those against whom there is anger, nor of those who are misguided.

Quran Talal Itani,2015-02-12 Quran with parallel English translation. Clear Arabic. Modern English. Easy to read. Arabic text is sharp, beautiful, and easy to follow. English translation is simple, easy to understand, and

faithful to the Arabic. Ayas are written individually, for convenient learning. Arabic and English are in parallel, for continuous reading. The Quran is the word of God, revealed to humanity, through the Messenger Muhammad. The Quran is the direct speech of God, to the reader. The Quran contains guidance, mercy, and healing. It is the eternal truth, the everlasting miracle. The Quran is beyond doubt from the Lord of the Universe. God is the Creator of the Heavens and Earth. He is the Supreme, the Almighty, the Wise. God was never begotten, nor does He ever beget others. He is the Lord of the Worlds, the Most High, the Forgiving. Out of His Mercy, He communicated with humanity, and informed humanity about His existence. The Quran is the last Book from God, revealed in the Arabic language. The translation is in contemporary English. It uses today's English language, and today's English vocabulary; more importantly, it is very accurate. The translation closely follows the Arabic text. Punctuation is the same. The meaning is the same. The reader can read a verse in Arabic, then the translation; learn the verse, and understand the meaning. This book is perhaps the ultimate Quran learning tool. The Quran is a blessing, within easy reach.

The Holy Quran ,1985

The Glorious Quran Dr Shehnaz Shaikh M D,Kausar Khatri,2007-07-01 There are about 80,000 words in the Quran but the actual words are only around 2000!!! This could also be termed as one of the many miracles of the Quran.

Accordingly, if a reader decides to learn only 10 new words every day, he can understand the basic message of the Quran within a period of seven months! So it is indeed very easy to understand the Quran, provided one is willing to learn it. This word-for-word translation may not be considered as an addition to the existing translations, but an attempt to equip the reader to understand the revelation directly from the Arabic text; thus it will Insha-Allah be a very useful tool for those who are willing to study the Quran and try to understand it. A beginner can bear in mind the meanings of each Arabic word provided right below it. Since many words are repeated in the Quran, the student will find for himself that within a few months of regular study, he is indeed able to understand the Quran through the text itself. It may also be pointed out that a beginner does not have to, in the start itself, be worried about learning extensive grammar or how to speak the Arabic language. In fact, one has to develop vocabulary before learning grammar for the following reasons: * A child first learns words and then starts linking them together. We speak our mother tongue fluently without ever learning the grammatical rules. That is to say, we learn it by repeatedly listening to the words. * Learning extensive grammar before improving vocabulary is like putting the cart before the horse. Or it is like learning different styles of swimming by moving hands in the air inside a swimming pool without water. One has to fill the swimming pool with water (i.e., increase vocabulary) and then learn to swim (i.e., to connect the words with grammatical rules).
