Wreckless Katie Golding,2021-05-25 On the streets, we're kerosene and a lit match: Explosive. Incendiary. Ready to let the world burn. But in the bedroom, we can be so much more. I'll never forget the day she walked into my life. Brash and confident, Lorelai Hargrove was bound to be America's damned Sweetheart—and the way she looked at me made me feel like dirt beneath her heel. It shouldn't have bothered me. I've spent years fighting to prove myself to this world, even as I struggled to save my family from ruin, and there's nothing and no one who can truly match me. But something about the way she looked at me then made me eager to see her try... And now? Well now, this is the game we play. She pretends she hates me, and I wind her up into a fury as I pretend she's not all I can think about at night. The whole world knows just how well we hate each other...and yet the minute she needs me to stop being her favorite enemy, I'll be there to show her just how good we could really be... If only this endless battle wasn't destined to cost us everything. A spicy New Adult rivals to lovers romance.

Quest for the Finish Jim Buck,2020-09-01 Quest for the Finish-Diary of a Distance Runner is the story of one man's personal experiences in the custom of running. It details how he got mixed up in such an endeavor and how it became an integral part of his life; how it morphed into a preferred method for keeping fit. The author describes how a fitness routine can become a sport; how the everyday jogger can become an athlete; how the athlete moves from one challenge to the next. In relating his running experiences over the years, the author provides detailed and inspirational accounts of his own experiences in training and in races at distances from 1 mile to the 26.2-mile marathon. These accounts offer valuable insights into training and racing techniques: the challenges of reaching the finish line; the joy of competition; the anguish when things go wrong. The book is

also a travel log of sorts, since it provides descriptions of running adventures across the USA and in several foreign countries. The author takes the reader on an often humorous and sometimes painful journey from the novice runner to the peak of fitness, followed by the eventual slow decline in performance that comes with age and life's struggles.

Home Behind the Sun Timothy D. Willard, Jason Locy, 2014-05-06 Timothy Willard and Jason Locy show readers how to discover the brilliance of God in the shadows of everyday life. Life opens up before each of us, it beckons, it tempts, it thrills, it betrays. And what do we desire? All of it and none of it. We're not in this to survive, but to live. We want to experience joy in the everyday grind of work, relationships, and parenting. We want healing in our suffering. Forgiveness in the midst of our pains. Purpose through the journey. We want to break free from the temporal and live with an eternal perspective. We want to be brilliant. In *Home Behind The Sun* coauthors Timothy Willard and Jason Locy invite you to step out of the shadows and into the brilliance. They want to introduce you to the God of the mysterious. A God who combats despair with joy, topples bitterness with forgiveness, and eliminates cynicism with belief and whimsy. You're invited home. Home, behind the sun.

Speed at the TT Races David Wright, 2017-05-31 For over 100 years the world's best motorcycle racers have pitted themselves against the gruelling 37-and-three-quarter-mile Isle of Man Mountain Course at the annual event known worldwide simply as 'the TT'. The Tourist Trophy meeting - to give its proper name - represents perhaps the greatest challenge that the sport of motorcycle racing can offer. The top names in road racing - Collier, Wood, Duke, Hailwood, Agostini, Hislop, Jefferies, McGuinness, Hutchinson and the Dunlop dynasty - have all considered the pursuit of a Tourist Trophy to be the ultimate goal. From riding the earliest single-cylinder, belt-driven machines with outputs of under 10bhp, to coping with today's sophisticated four-cylinder machines giving well over 200bhp, generations of riders have risked their lives to satisfy the desire to go faster than the next man and to win a TT. In the process they have lifted lap speeds by almost 100mph. Exactly how that huge increase has been achieved is told within these pages, set against the background of the triumphs and the tragedies of the TT history. A comprehensive story of speed at the TT Races, superbly illustrated with over 200 colour photographs and maps.

I've Got John Sherry Ann White, 2013-04-29 Is it possible that I was once a woman who lived first in New Orleans, then in New York City in the 1800s? The next nine chapters chronicle the life and times of a woman by the name of Sarah Anne Wells, who was later in her lifetime known as Sunflower. Most of the information within this biography has been given to me through messages in the form of synchronistic coincidence and spiritual readings, private prayer and meditation, hypnotic past-life regression session, spirit photographs, and through meeting many people in this life whom I am sure were a part of my past lifetime. I've had many dreams later come true. I've also been given little physical gifts that are difficult to explain as just coincidence. These gifts were given to me from someone on the other side of the looking glass. Once I accepted the possibility that it was possible to communicate with those on the other side of this reality, the memories of Sarah's life came to me quite easily. They continue to this day. As I wrote each chapter of her life, she began to feel very real to me. I began to hear her voice, feel how her clothing felt next to her skin, and see her image in my mind's mirror. Born into slavery then sold into prostitution, I learned through many messages how difficult it was for her to just survive. My reason for putting all of these messages from Spirit into words is simple. If by reading my book, it provides some comfort and hope, then all the efforts by not

only me but all those on the other side of reality, has meaning. WE ARE ONE

Ton Up! Paul d'Orleans, 2019-12-17 Ton Up! A Century of Café Racer Speed and Style focuses on the story of the ton-up boys and their café racers. But it's much more than just that. Illustrated with historic and modern photos and featuring a text by one of the world's motorcycle historians, it's really the story of motorcycle speed and style evolved from the early 1900s right through today. Café racers are most associated with the young, rebellious rock-and-rollers of 1960s Britain. These riders created the quintessential café racers—fast motorcycles customized to resemble the racing bikes of the period. They were called “café racers” because their riders raced on public roads, from one café to the next. The goal was to do “the ton” (exceed 100 miles per hour) on these runs, which led to their designation as “ton-up boys.” Today, ton-up culture is more popular than ever and recognized worldwide with a following of young and long-time riders alike. With Ton Up!, enjoy a scenic ride through the history of this vibrant scene.
