**Radio ChopstiX** Rick O'Shea, 2011-08 Already a best seller in China! Radio ChopstiX-An American DJ in China is an amazing story from Rick O'Shea, an American who became the most famous foreigner radio DJ in China! Starting as a street painter in Canada, he followed a radio career in Florida and Hawaii, where he invented the most imaginative radio station ever- Space Station KULA. Fate can lead you to unimagined places and experiences. Radio waves carried him to Taipei, Hong Kong, Shanghai and Beijing. China's national broadcaster, CCTV, said that he changed radio history in China. Millions know who he is, but few know his story. And for the first time, he writes about his relationship with one of China's most famous writers, San Mao, whom he knew for ten years up to her tragic death in 1991. Radio ChopstiX is a creative radio story and more. Rick has experienced life in China from a much different and original perspective. He became a piece of modern China's history as a part of the bridge between China and the world; an unofficial Ambassador to China! (updated April 2013)

*Dj Diaries* Dave Donahue, 2016-12-28 If youve ever turned on a radio and called a DJ, this book might be about you! DJ Diaries: Radios Remarkable Listeners narrates the wild, wacky, and sometimes downright weird stories shared by hundreds of DJs about their on-and-off-the-air antics with their listeners. From humorous questions about the weather to the crazy contests listeners have responded to, DJ Diaries plunges into the dark side of encounters with listeners who turn on more than the radio. Its about the silly, sexy, sensuous, sad, and sometimes extracurricular encounters deejays have become involved in when they break the most critical radio rule: never get personally involved with a listener! Dave Donahues memoir explores listeners involvements with deejays that have led to unexpected outcomes even contests on the radio played by listeners

that have ended in death! Still, as long as there is a mouth and microphone near it, there will always be a DJ. Are you ready to tune in?

*Love You Bye* Scott Mills, 2012-08-30 The story of how a painfully shy boy from the suburbs of Southampton made it to the biggest radio station in the UK, and just about managed to stay there... Scott Mills is a daily companion to millions of listeners as the host of the afternoon show on Radio 1 - a station that has been his home for over 14 years. Whether regaling us with a typically embarrassing celebrity anecdote or trying to control a particularly chaotic round of 'Innuendo Bingo', his company is always brilliantly entertaining, thanks to his infectious enthusiasm and easygoing manner. But behind the microphone sits a man whose route to the top has been anything but straightforward. In this witty and endearingly honest autobiography, Scott describes his incredible career and the hurdles he's faced along the way. Aside from the sometimes humiliating - and frequently hilarious - jobs that are part and parcel of a local radio DJ's apprenticeship, he's had to deal with crippling anxiety attacks, alcohol and weight issues, and a great deal more over the years. But his desire to land his dream job has always prevailed, and he's now one of the nation's favourite radio and television broadcasters, travelling the world on both serious assignments and altogether more bizarre adventures. From washing cars on a garage forecourt off the A4 in the name of radio entertainment, to encounters with some of the world's biggest celebrities, *Love You Bye* provides Scott's legions of fans with a fascinating look at the man whose voice they know so well.

Have You Met Miss Jones? Tarsha Jones, 2008-07-29 "Jonesy," as she's known to her fans, captivates millions of Hot 97 listeners with her daily dish on hip hop and rap celebrity. But within these pages are the juicy scandals that even this no-holds-barred DJ has kept off the airwaves. For the first time, Jones reveals everything—from her volatile upbringing as the child of alcoholic parents to candid stories of her early singing career under Doug E. Fresh's wing (and between his sheets); from bitter feuds with Wendy Williams and shock jocks Star and Buc Wild to friendships with Patti LaBelle and Isaac Hayes; from collaborations with Fat Joe and Big Pun all the way to catfights with Christina Milian and Beyoncé's mother, Tina Knowles. But more than just a tell-all tale, this inspirational memoir is a testament to the struggles of a black woman trying to succeed in a white-male-dominated industry, where the sharks never stop circling no matter how much you achieve. Jones lets it all hang out and doesn't tiptoe around anyone's feelings—including her own. "Love or loathe her, Tarsha Jones puts it all out there. Politically correct? Not a chance. Boring? Never." -Essence "Heart-wrenching and empowering . . . Women behind the scenes in hip-hop are unabashedly writing about what goes on behind the bling curtain. . . . Now it's Tarsha's turn. Miss Jones, if you please." -LASplash.com "Provocative reading . . . Jones is a survivor, and you can't help but admire her resiliency. . . . Her writing style is blunt, but with a special flair for the dramatic." -Smooth "Steamy . . . guaranteed to raise eyebrows." -Ebony "If there's one jock that shocks, it's Miss Jones. . . . She's never afraid to reveal the truth." -Rap-Up

**Travels With My Radio** Fi Glover, 2011-05-31 Fi Glover is a bit of a traveller. She loves hotels, air stewardesses and fluffy towelling robes, but

above all, she loves radio. One night, whilst recording BBC 2's Travel Show, she found herself in the far reaches of Texas, suffering from a night of line-dancing and an over-enthusiastic radio DJ. She started to wonder about all the places she'd ended up in, all the radio DJs she'd listened to, the way a new radio station made her feel at home and yet gave her the fastest insight into an alien city or community. She decided to take a journey around the world collecting hotel freebies and DJs - from the charismatic Rose who guided Montserrat through the tragedy of their volcanic eruption to Dr Laura, who talks the dysfunctional of New York through their psychotic days; from the peace-keeping corps of Beirut and their radio-station-in-a-hut to the despairing English football broadcasters in their radio-station-above-a-caf- in Brussels 2000. From Somerset to Beirut, Las Vegas to Vienna, *Travels With My Radio* is a wonderfully funny and strangely moving quest to find the perfect radio station.

*Up All Night* Carol Miller, 2012-08-28 Carol Miller is indisputably America's premiere female rock 'n' roll disc jockey, as her well-deserved induction into the Rock and Roll Hall of Fame proves. In her illuminating, fascinating, sometimes heartbreaking memoir, *Up All Night*, the legendary "Nightbird" tells the story of her colorful career—her rise to success in a male-dominated music industry; her close and personal dealings with rock royalty like Bruce Springsteen (whose music she first introduced to New York radio), Sir Paul McCartney, and Steven Tyler (whom she dated)—and details openly and honestly her battle against breast cancer for the very first time.

*Rock 'n' Roll Radio Milwaukee* Bob Barry, 2018-04-09 A never-before-seen collection of photos and stories about Bob Barry, the iconic celebrity DJ of Milwaukee. Bob Barry ruled Milwaukee's airwaves in the '60s and '70s. The only time the Beatles performed here, Barry introduced them to the audience, and he was the only local personality who spent time in private with the Fab Four. If a band or musician came to town, he met them with a microphone. Chuck Berry, the Animals, Wings, the Rolling Stones--the list goes on. His popular Bob Barry Calls the World segment entertained thousands with cold calls to famous personalities, including Bob Hope, Sophia Loren, Elton John and Cher. Through it all, Barry maintained a calm and fun-loving demeanor, even when mocked by the WOKY Chicken or nearly eaten by wolves on the air. Packed with never-before-seen photos, this revealing memoir recalls the iconic DJ's many celebrity encounters, his career highlights and setbacks and the hijinks that made Milwaukee radio rock.

**She Said What?** Turi Ryder, 2019-06-11 Radio. It's almost as easy as marriage and motherhood. The excitement of a career on the air! Listeners asking for advice on dressing their girlfriends in leather bustiers; managers who believe every professional woman longs for a bouquet on Secretaries' Day; Saturday nights giving away free T-shirts and beer in country music bars; reporting on a day in the life of a dominatrix—all while

juggling two kids, rescue dogs, and one cross-country move after another. Live the dream with Turi Ryder, a music jock and talk host on major-market stations from Chicago to Los Angeles, with stops in Minneapolis, Portland, and San Francisco along the way. This darkly comical, bitingly accurate, and lovingly fictionalized memoir will ring true for anyone who has longed for both a creative life and a family to come home to.

**Cousin Brucie!** Cousin Bruce Morrow, Laura Baudo, 1987 Disc jockey and rock & roll in radio.

There's Nothing Louder Than Dead Air Bob ?the Blade? Robinson, 2012-05-30 You'll love how Bob the Blade Robinson stuck it to the man. You'll learn how schizophrenia isn't all that bad. What is the GREATEST guitar solo in rock? Who is the real King of Rock N Roll? How can you live on 8k a year? You can't. But you can feed your head for that much. The new tell-all from a rock radio vet of 30 years. The first real read about the sheer lunacy of the rock business. There was no other business is like it.

Confessions of a Teenage Disc Jockey T. Morgan, 2015-11-11 The Sixties were a time of drastic change in the United States. A new generation fed up with much of what they saw in society started a new direction both socially and musically. T. Morgan was there at the beginning and shares his recollections with humor and firsthand knowledge in *Confessions of Teenage Disc Jockey*. In 1967 he convinced an FM Philadelphia radio station to play this new exploding genre of music. This book chronicles his very personal journey from the time he was first on the air at age 15 up to the present. These pages are filled with stories that reflect insight into the music, the performers and what went on behind the scenes at various radio stations.

**Rodigan** David Rodigan, 2017-03-02 'THE BOOK THAT EVERY REGGAE FAN SHOULD READ' John Masouri, Echoes 'Rodigan can still claim a currency few presenters of his vintage can match. Perhaps it's because while his wider musical and professional milieu has been in constant change, his boundless enthusiasm has been constant. Reggae's been lucky to have him' Ian Harrison, MOJO 'Rodigan was a major part of my childhood, he played the hottest tunes and in a style that just resonated with me and millions like me. Being able to contribute anything to a man that filled my life with such joy is an honour, respect, David Rodigan' Ian Wright 'David is a pioneer in Reggae music. As a selector and radio personality, his vast knowledge of Jamaican music and its culture has helped to educate and fascinate music lovers around the world; he's an amazing son of the music, and an icon. We couldn't have made it this far without him' Shaggy This is the unlikely story of David Rodigan: an Army sergeant's son from the English countryside who has become the man who has taught the world about Reggae. As the sound of Jamaica has morphed over five decades through a succession of different genres - from Ska and Rock Steady, to Dub, Roots and Dancehall - Rodigan has remained its constant champion, winning the respect of generation after generation of Reggae followers across the globe. Today, at the age of 63, he is a headline performer at almost all the UK's big music festivals, as well as events across the world. Young people revere him and he is a leading presenter on the BBC's youth network 1Xtra as well as a regular fixture at leading nightclubs such as London's Fabric and at student unions throughout the land. And he continues to go into the heartlands of Reggae, to the downtown dancehalls of Kingston and Montego Bay in Jamaica to compete in tournaments against the greatest sound systems. And yet, for all of this, David Rodigan is the antithesis of the stereotype of an international dance music DJ. 'I look like an accountant or a dentist,' he admitted to *The Independent* a decade ago. A man of impeccable manners, Rodigan prepares for a big sound clash by retiring to his hotel bed with a Thomas Hardy novel before taking a nap and then a cup of espresso before heading to the club. Rodigan is the inside story of this apparent paradox. It tells how a boy from Kidlington has become an admired international ambassador for a music form that remains as proud as ever of its African roots, a sound that emanates from and fiercely represents the ghetto poor. He now reaches across the age groups, from teens through to those of his own vintage. At the pinnacle of his career, Rodigan has become the DJ for all generations. 'David Rodigan is a force of nature. His spirit and passion are a rare and wonderful thing. He has dedicated his life to carrying the torch for Reggae music and is hugely

respected all over the world for his knowledge and talent as a broadcaster and a DJ. Long may he reign on our stages and on our airwaves' Annie Mac
