Léo Pomar

Free Radio Lawrence Soley, 2019-04-10 This book reviews the history of the microradio movement, enabling readers to understand why and how it has captured momentum and power. It discusses the anti-Nazi underground stations and other resistance stations, explaining how previous stations provided vehicles for democratic communications.

The Rough Guide to Internet Radio L. A. Heberlein, 2002 Through your computer you can listen to thousands of stations your radio cannot reach, and with *The Rough Guide to Internet Radio* you can begin to explore this astoundingly varied world. The Rough Guide gives you

Seen and Heard in Mexico Elena Jackson Albarran, 2014 During the first two decades following the Mexican Revolution, children in the country gained unprecedented consideration as viable cultural critics, social actors, and subjects of reform. Not only did they become central to the reform agenda of the revolutionary nationalist government; they were also the beneficiaries of the largest percentage of the national budget. While most historical accounts of postrevolutionary Mexico omit discussion of how children themselves experienced and perceived the sudden onslaught of resources and attention, Elena Jackson Albarrán, in *Seen and Heard in Mexico*, places children's voices at the center of her analysis. Albarrán draws on archived records of children's experiences in the form of letters, stories, scripts, drawings, interviews, presentations, and homework assignments to explore how Mexican childhood, despite the hopeful visions of revolutionary ideologues, was not a uniform experience set against the monolithic backdrop of cultural nationalism, but rather was varied and uneven. Moving children from the aesthetic to the political realm, Albarrán situates them in their rightful place at the center of Mexico's revolutionary narrative by examining the avenues through which children contributed to ideas about citizenship and nation.

The Nation Guide to the Nation Richard Lingeman, *Nation Magazine*, 2009-01-06 The essential lifestyle guide for the millions of progressives on both coasts, *The Nation Guide to The Nation* will help left-of-center types find left-leaning shops, cultural institutions, and gathering places in their own hometowns and on the road. CULTURAL: Art collectives / activist documentaries / political circuses / film festivals / writers' colonies / left-brained bookstores / arts advocacy groups / indie book publishers / the 25 greatest political movies / detective stories for liberals SOCIAL: Organic and slow food restaurants / political saloons and bars / bookshop cafés and conversational coffeehouses / sexy singles meet-ups / reading clubs and discussion groups / camps for radical kids / parades and festivals / parks and preserves ENVIRONMENTAL: Activist groups / monkey wrenchers and sea shepherds / eco-friendly products / favorite green markets / super co-ops / eco-tourism / farm communes / energy solutions ORGANIZATIONS: Peace and anti-nuclear / feminist / GLBT / economic policy / immigrant rights / labor issues / campaign finance reform / civil liberties / radical mouthpieces / liberal think tanks MEDIA: Left-talk radio / press watchdogs / anti-corporate media / regional and local papers / alternative weeklies / a guide to the blogosphere GOODS AND SERVICES: Natural food stores / no-sweat clothing / socially conscious mutual funds / political tours / eco-beers and hemp pretzels / funeral homes and cemeteries (for a green send-off!)

Inciting Democracy Randy Schutt, 2001-09-10 *Inciting Democracy* offers a vision of what a good society might look like and explores how we can overcome five key obstacles to creating such a society. It offers a practical way to develop a large, decentralized education and support program that can increase the skills, knowledge, and strength of hundreds of thousands of goodhearted people so they can democratically and nonviolently transform society through grassroots change movements. It also provides a realistic, long-

term vision of success, a vision that can encourage and inspire people working for positive change, thus making success more likely.

Beyond the Echo Chamber Jessica Clark,Tracy Van Slyke,2010 In less than a decade, a new breed of progressive media projects have captured huge, non-traditional audiences and shaped political campaigns, public debates and policy in ways that could never have been imagined in a previous era. Drawing on years of research, media experts Jessica Clark and Tracy Van Slyke now lay out a clear, hard-hitting theory of media impact. Their study showcases influential projects such as TPM Caf , FireDogLake and Feministing, suggesting ways in which media makers can exploit changes in journalism, technology, and politics.

A Game As Old As Empire Steve Hiatt,2009-01-22 John Perkins links his experiences to new revelations that expose the drive for empire that lies behind the rhetoric of globalization....Economic hit men (EHMs) are highly paid professionals who cheat countries around the globe out of trillions of dollars. They funnel money from the World Bank, the U.S. Agency for International Development (USAID), and other foreign "aid" organizations into the coffers of huge corporations and the pockets of a few wealthy families who control the planet's natural resources. Their tools include fraudulent financial reports, rigged elections, payoffs, extortion, sex, and murder. They play a game as old as empire, but one that has taken on new and terrifying dimensions during this time of globalization.
