The Alt.Cyberpunk.Chatsubo Anthology Che Paula Dunlop,2002-01-30 Alt.Cyberpunk.Chatsubo... A low rent, high tech literary Usenet newsgroup hiding in a dark bar behind a red door called Charlie in a back alley of on-line culture. The Alt.Cyberpunk.Chatsubo Anthology is a collection of writings from the hard edge, from the dingy city streets to distant planets or right down into the inner workings of the human mind. The stories within are the end result of a global collective. We come from different backgrounds, different cultures and different countries. We have in common a desire to share our works with each other, and other connoisseurs of the written word who like to sit and read the tales we have to tell.

Hoods Carl Fellstrom,2010-08-26 In 2004, the murder of a middle-aged couple in their village bungalow lifted the lid on the great untold story of British organised crime. The slaughter of Joan and John Stirland revealed an evil empire of powerful ganglords, contract killings and police corruption. At its dark heart was the East Midlands city of Nottingham. A prosperous centre of business, education and leisure, Nottingham had fallen under the shadow of vicious gangsters. Eventually its police were investigating so many murders that their boss had to appeal to other forces for help, and the influx of drugs and weapons saw the city labelled Gun Capital UK. HOODS traces the roots of the gangs, revealing how economic dislocation and the clash of cultures between working-class white residents and black immigrants from the 1950s onwards created an alienated underclass. In the 1990s, a more malignant breed of organised criminal emerged. Crime families who had been involved in armed robbery, protection rackets and extortion now sought to control the recreational drugs trade and forged links across Europe to import wholesale quantities of cocaine, ecstasy and amphetamines. By 2002, shootings were running at one a week. HOODS uncovers how outlaw Yardies pioneered the sale of crack cocaine and imported the ruthless violence of the Jamaican ghettos; how young black gangs from the so-called NG Triangle of the Meadows, St Ann's and Radford areas clashed in a series of turf wars; how the shadowy Dawes Cartel built a lucrative international drugs empire; and how the Bestwood Cartel and its terrifying leader, Colin Gunn, corrupted police officers and left dead and maimed in its wake. As local police struggled to cope with the mayhem, MI5 and the National Crime Squad launched a massive undercover investigation into the Nottingham 'untouchables'. It led ultimately to the dismantling of some of the UK's most powerful crime networks. HOODS is a stark account of what happens when the rule of the gun supplants the rule of law and fear stalks the streets.

Endurance S. L. Viehl,2001-01-01 Colonel Shropana was willing to destroy the Jorenians just to capture Dr. Cherijo for the Allied League of Worlds—so she felt little remorse for selling him out to brutal Hsktskt slave traders. But just as Cherijo made her escape, the man she once loved stabbed her in the back—and handed her over to the same slavers. Alone, hated, and feared by her fellow slaves, Cherijo needs all her training to save those in need—a difficult task amidst the endless brutality of their captors, but a far better fate than being the League's guinea pig. As she struggles desperately to help those she can, Cherijo reminds herself that good doctors don't let personal vendettas stand in the way of duty. But then, most doctors aren't Cherijo Torin.

Sunflowers & Scorched Earth Locke Wood,2023-09-01 When contemporary literature, visceral artistic expression, and a psychological exploration of the human mind collide, what is created is a trinity of revolutionary viewing experience for the reader. Raiders Night Robert Lipsyte,2010-01-26 What's it mean to think team? It means you don't talk team business with anybody who isn't on the team. It means whatever happens inside the team stays inside. It means you can only trust a brother Raider. Any questions? At Nearmont High School, football stars are treated like royalty, and Matt Rydek has just ascended to the throne. He's got it all: hot girls, chill friends, plenty of juice to make him strong, and a winning team poised to go all the way. If he can keep his eye on the ball now, his future will be set. But when the team turns on one of its own, should Matt play by Raiders rules, or should he go long alone?
