

# **Rasta Screensaver**

**Linda Ainouche**

*Rasta, Race and Revolution* Katrin Hansing, 2006 Decades after its birth and subsequent tour du monde, Rastafari has more recently also appeared in revolutionary Cuba. How the movement has been globalized and subsequently localized in a socialist and Spanish-speaking context are the main foci of this book. In particular it examines how Cubans have adopted and adapted the movement to their own socio-political and cultural context. Particular attention is paid to Rastafari's development in the context of Cuba's current economic crisis and re-appearance of more overt racism. Based on extensive ethnographic fieldwork in Cuba, the study shows how Rastafari's growth and presence on the island have influenced and contributed to the formation and expression of new cultural identities and discourses with regard to what it means to be young, black, and Cuban. Katrin Hansing is a social anthropologist who has worked on numerous Cuba-related issues. Her main areas of interests and expertise include: migration, race/ethnicity, and identity. She is currently the director of a German Research Council funded research project on Cuba's social collaboration ties in Africa.

Becoming Rasta Charles Price, 2009-09 Reveals the personal experiences of those who adopted the Rastafari religion in the 1950s to 1970s. This title explores the identity development of the religion, demonstrating how shifts in the movement's identity have led some of the elder Rastafari to adopt, embrace, and internalize Rastafari and Blackness as central to their concept of self.

*Rasta and Resistance* Horace Campbell, 1987

Rastafari Barry Chevannes, 2015-02-25 The first comprehensive work on the origins of the Jamaica-based Rastafaris, including interviews with some of the earliest members of the movement. Rastafari is a valuable work with a rich historical and ethnographic approach that seeks to correct several misconceptions in existing literature—the true origin of dreadlocks for instance. It will interest religion scholars, historians, scholars of Black studies, and a general audience interested in the movement and how Rastafarians settled in other countries.

**The First Rasta** Stephen Davis, Hélène Lee, 2012-03-01 Going far beyond the standard imagery of Rasta—ganja, reggae, and dreadlocks—this cultural history offers an uncensored vision of a movement with complex roots and the exceptional journey of a man who taught an enslaved people how to be proud and impose their culture on the world. In the 1920s Leonard Percival Howell and the First Rastas had a revelation concerning the divinity of Haile Selassie, king of Ethiopia, that established the vision for the most popular mystical movement of the 20th century, Rastafarianism. Although jailed, ridiculed, and treated as insane, Howell, also known as the Gong, established a Rasta community of 4,500 members, the first agro-industrial enterprise devoted to producing marijuana. In the late 1950s the community was dispersed, disseminating Rasta teachings throughout the ghettos of the island. A young singer named Bob Marley adopted Howell's message, and through Marley's visions, reggae made its explosion in the music world.

Monty Howell. Milestones of Life among Rastafari Linda Ainouche, 2021-12-06 Monty Howell, the eldest son of Leonard Howell, alias the First Rasta Man, recounts in a vivid and original manner his life among Rastafari, and how despite persecution and discrimination his father made significant contributions to Jamaica and the Caribbean.

**Rastafari** Ennis B. Edmonds, Ennis Barrington Edmonds, 2003 Traces the history of the Rastafarian movement, discussing the impact it has had on Jamaican society, its successful expansion to North America, the British Isles, and Africa, its role as a dominant cultural force in the world, and other related topics.

**Revolutionary Threads** Bobby Sullivan, 2018-12-04 An American Rastafarian “offers a vibrant examination of American and African history with an anti-colonial patina . . . engaging” (Kirkus Reviews). *Revolutionary Threads* offers an American Rasta's retelling of episodes in American history with an anticolonial thrust, accented by Bobby Sullivan's own personal experiences. The book ties together various subjects while returning each time to the culture of Rastafari, social justice movements, and cooperative economics. From how we perceive history in general, America's precolonial past, and global capitalism's early development and the resistance to it, to political

prisoners and a celebration of religious tolerance, the book approaches North America with an African-centric perspective. Sullivan dispels the oversimplification of our perceptions of Rastafari, as well as other cultures, in the age of the Internet, where the loudest voices are often the most extreme and divisive. *Revolutionary Threads* aims to serve as a unifying agent for our all-too-connected global village, and for the resistance to the consolidation of global capital and all its excesses. "A post-hardcore rock star, community activist, and social justice intellectual offers an alternative look at countercolonial history through the lens of the Rastafari movement." —Kirkus Reviews "Outlining his philosophical influences and backpacking through history and criss-crossing continental borders, Sullivan puts his enlightenment journey and way of life, which includes activism for social justice, prison outreach, and cooperative economics, on paper." —The Gleaner (Jamaica) "[Sullivan] meticulously sources his work throughout, whether providing a Howard Zinn-like take on the settlement of America by Africans predating Columbus, or in discussing political prisoners like Marilyn Buck . . . an engaging, lively, well-thought book which provides a picture of Rastafarianism in action, for punks and beyond." —Razorcake

**Soul Rebels** William F. Lewis, 1993-06-22 . . . a cult, a deviant subculture, a revolutionary movement . . . these descriptions have been commonly used in the past to identify the Rastafari, a group perhaps best known to North American readers for their gift of reggae music to the world. With both compassion and a sharp sense of reality, anthropologist William Lewis suggests alternative perspectives and reviews existing social theories as he reports on the diverse world of the ganja-smoking Rastafari culture. He carefully examines this culture in its confrontations with the law, its growing ambivalence about itself as well as the continued conflict between many Rasta and contemporary middle-class values. Characterized by rich ethnographic detail, an engaging writing style, and thoughtful commentary, *Soul Rebels* uncovers the complex inner workings of the Rasta movement and offers a critical analysis of the meaning of Rastafari commitment and struggles. *Soul Rebels* offers a solid historical overview of the movement, an excellent picture of diversity within the faith, fair and accurate discussions of sexism among the Rasta, engaging life history material, and rich descriptions of what actually goes on in a reasoning session. Lewis's treatment of Rastafari populations in a Jamaican fishing village, an Ethiopian market town, and an urban neighborhood in the northeastern United States sets his ethnography in the cross-cultural and comparative framework central to anthropological analysis.

**Peace Journal** Rasta Reggae Roots, 2019-06 This is a perfect gift for those who love Reggae, Jamaican and Rastafari culture. Peace, love and harmony one journal at a time. One love Peace sign in Rasta color way. Great for writing down notes, ideas, and thoughts to keep the positive vibrations in flow. Notebook measures 6 x 9 inches or (15.24 x 22.86 cm) with 120 pages. Paperback cover.

**Rasta Lyrics** Cedric Castello, 2013

**Rastafari: A Very Short Introduction** Ennis Barrington Edmonds, Ennis B. Edmonds, 2012-12-20 Rastafari has grown into an international socio-religious movement, with adherents of Rastafari found in most of the major population centres and outposts of the world. This *Very Short Introduction* provides a brief account of this widespread but often poorly understood movement, looking at its history, central principles, and practices.

**Rastafari** Tracy Nicholas, 1996

**Race, Class, and Political Symbols** Anita M. Waters, 1985-01-01 Dr. Waters is one of a new breed of analysts for whom the interpenetration of politics, culture, and national development is key to a larger integration of social research. *Race, Class, and Political Symbols* is a remarkably cogent examination of the uses of Rastafarian symbols and reggae music in Jamaican electoral campaigns. The author describes and analyzes the way Jamaican politicians effectively employ improbable strategies for electoral success. She includes interviews with reggae musicians, Rastafarian leaders, government and party officials, and campaign managers. Jamaican democracy and politics are fused to its culture; hence campaign advertisements, reggae songs, party pamphlets, and other documents are part of the larger picture of Caribbean life and letters. This volume centers and comes to rest on the adoption of Rastafarian symbols in the context of Jamaica's democratic institutions, which are

characterized by vigorous campaigning, electoral fraud, and gang violence. In recent national elections, such violence claimed the lives of hundreds of people. Significant issues are dealt with in this cultural setting: race differentials among Whites, Browns, and Blacks; the rise of anti-Cubanism; the Rastafarians' response to the use of their symbols; and the current status of Rastafarian ideological legitimacy.

JOSEPH - A Rasta Reggae Fable Barbara Makeda Blake-Hannah, 2021-05-05 Jamaican-born Barbara Makeda Blake-Hannah has been a Rastafarian since the 1970s and is a member of the Ethiopian Orthodox Church. As well as JOSEPH - A RASTA REGGAE FABLE, a novel inspired by the life of Bob Marley, Hannah wrote 'Rastafari - The New Creation', the first text on Rastafari to be written by a practicing member of the faith. Journalist, broadcaster and producer/director of 8 films, she began by working with her father's news magazine, then in 1964 she moved to England and became Britain's 1st Black TV journalist on Thames TV's daily TODAY programme. Returning to Jamaica in 1972, she has worked in a range of media and also in the Office of the Prime Minister under Michael Manley and Edward Seaga. She served as an Independent Senator in Parliament from 1984-1987 and has lectured on Jamaican culture at Universities around the world.

*Joseph - A Rasta Reggae Fable* Barbara Blake-Hannah, 2013-03-02 Joseph is a reggae superstar, admired by his musical peers and adored by women wherever he goes. But Joseph is also a devout, herb-smoking Rastafarian who dreams of a new life in Ethiopia. Sister Ashanti tells of Joseph's rise to international stardom, his stormy relationship with the beautiful and passionate Zueleika, his uneasy truce with the press and in particular the intrusive American journalist Sam Bergman. But for all his peaceable Rasta way of life, in certain quarters Joseph is seen as a threat. The concert that is to seal the Peace, ending gang warfare in Kingston, instead ends in the terrible moment when Joseph is shot on stage. Ashanti and her husband Peter are spirited away to Miami and Cuba, not knowing if Joseph is alive or dead, until after many adventures, the friends find themselves reunited in Shashemane and in the mystical Emmanuel.

**The Rastafarians** Leonard E. Barrett, 1988

*From Babylon to Rastafari* Douglas R. A. Mack, 1999

**Dread Talk** Velma Pollard, 1994

*1963 Rastafarians Rebellion Coral Gardens, Montego Bay Jamaica* Ret. Detective Selbourne Reid, 2012-04-24 Selbourne Reid, the author of this book is a retired Detective Inspector of Police. He was a member of the Rifle Squad which travelled in front with Inspector Fisher who led the charge in the operation against the Rastafarians. He saw a man chopped and killed within three to five (3ft-5ft) feet of where he was standing. When he turned around to run from the scene he observed that one of his co-workers who was standing behind him was already seriously wounded and was bleeding from a machete wound he received across the back of his neck and shoulder. That indicated that a Killer Rasta-man had passed behind him and chopped his co-worker. Selbourne ran from the scene of terror as there was no ammunition in his rifle and escaped unscratched. He credits his escape to Gods Divine Intervention on his behalf. Fisher had refused to issue the ammunition to his men. He apparently was hoping to hand over command to Superintendent Jimmy Ricketts who ordered the reinforcement to meet him at the scene but could not be found when he Fisher and his men arrived. He was seriously wounded but was saved by a brave corporal who got a round of ammunition from him, quickly loaded a rifle and shot the Rasta-man who was in the act of killing Fisher while he was on the ground. There is a lot of humor in this book. For example; Inspector Fisher rhetorically asked Where is Jimmy on most of the occasions when he was requested to issue the ammunition to his men so many people after learning of what transpired, wondered if Fisher was saying where is Jimmy where is Jimmy even when he was being chopped in his head by a Rasta-man. Ethical principles and a lesson to public officials in the social services and other public offices are included in this book. For example The Foster Mother applicant who prepared herself to grant sexual favors because she felt that such action would guarantee success in her application to become a Foster Mother for her nephew. Selbourne graduated from the University of the West Indies with a BSc. degree in Public Administration. He migrated to the USA where he did further

studies and was employed in New York and later Florida as Child Welfare Officer, Probation Officer and school teacher. He is also the Author of Rastafarian Uprising (2010) and Gods Miraculous Healing Power (2011) which are available at the following: amazon.com, target, Barns & Noble, wwiic.com. essayreid@hotmail.com xulopress.com, authorhouse.com.

## Unveiling the Magic of Words: A Review of **"Rasta Screensaver"**

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of **"Rasta Screensaver,"** a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.
