Presbyterian Cook Book (Classic Reprint) Kan First Presbyterian Church Emporia, 2018-03-26 Excerpt from Presbyterian Cook Book In compiling this book the committee has tried to profit by the kindly criticisms of the previous cook books. It has labored to maintain the high standard of the first books, and wherever possible to surpass them. In asking the public for the same generous patronage they have accorded us in the past, we feel we are giving in return a book that will make the culinary way clear to the new housekeeper, and solve many perplexing questions for the cook of more experience. We wish to thank our friends for their generosity in supplying the hundreds of recipes with which the book is filled. Many, just as good have been reluctantly discarded, because they were duplicates. Some have been lost, as they were written in pencil, or on both sides of the paper. Some have been unsigned and could not be credited. But in every case we have tried to be as just as our friends were generous. The business public has been courteous and generous to us in the way of advertising and we are very grateful. Good and Cheap Leanne Brown,2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for *Good and Cheap* is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, *Good and Cheap* is poised to become a cookbook that every food lover with a conscience will embrace.
