**The Winter of Red Snow: The Diary of Abigail Jane Stewart, Valley Forge, Pennsylvania, 1777 (Dear America)** Kristiana Gregory, 2011-08-01 Critically acclaimed author Kristiana Gregory's award-winning THE WINTER OF RED SNOW is now back in print with a gorgeous new package! Eleven-year-old Abigail Jane Stewart's fictionalized diary about her life, family, friends, and neighbors, and the sides they have to choose in Valley Forge, Pennsylvania, during the height of the Revolutionary War, renders a vivid portrayal of one of the most memorable and crucial winters in American history. General George Washington is leading the Continental soldiers into their winter encampment at Valley Forge, PA.

**Red Snow** Sean Ryan Stuart, 2011-07 Red Snow is a fast paced action adventure involving a former Army Special Forces officer turned CIA agent. His journey takes him all over the world as he fights rogue Russian SPETSNAZ forces in Afghanistan and later in the USA. His quest brings him in contact with fierce mujahidin warriors in their search for independence and at the same time, Jeremy Grant (our hero), relives the horrors of war in Vietnam. His mission continues after his CIA retirement due to severe injuries suffered in Afghanistan. His many treks take him throughout Afghanistan, Pakistan, Germany, France, Russia, and eventually back to San Francisco and his new job with the United States Customs Service. His new job, as the Chief of Intelligence for the law enforcement division, leads him to a new conflict with his old arch-nemesis Oleg V. Kolkov, formerly of Afghanistan and now a major participant in Russian Organized Crime (ROC) in California. Continually betrayed and followed by his enemies throughout his travels, Jeremy must use his training and experience to defeat them. This exciting and sometimes romantic adventure will remind you of land based Hunt for Red

October. About the Author Sean Ryan Stuart is a southern boy by birth and heritage, however as the only son of a professional military man he traveled extensively throughout the world. His personal military experience includes six years in the Air Force and seventeen in the US Army as a counterintelligence special agent. Addition-ally, he worked with various local, state and federal law enforcement agencies in his varied career. This association with civilian law enforcement extended up to and included his last seven years in the military. Mr. Stuart has had extensive training in the field of security, investigations, narcotics, counter-terrorism and linguistics. He is fluent in five languages and has also been used as a technical advisor in Hollywood. Mr. Stuart is currently living in California and is teaching specialized subjects. He is also the author of dozens of articles on Russian Organized Crime and other related subjects. His recently published book 'Das Haus' The House and the Son of the Rabbi has been adapted into a screenplay and is currently being developed into a movie.

**Blood Red Snow** Gunter Koschorrek, 2011-04-13 Günter Koschorrek wrote his illicit diary on any scraps of paper he could lay his hands on, storing them with his mother on infrequent trips home on leave. The diary went missing, and it was not until he was reunited with his daughter in America some forty years later that it came to light and became Blood Red Snow. The author's excitement at the first encounter with the enemy in the Russian Steppe is obvious. Later, the horror and confusion of fighting in the streets of Stalingrad are brought to life by his descriptions of the others in his unit – their differing manners and techniques for dealing with the squalor and death. He is also posted to Romania and Italy, assignments he remembers fondly compared to his time on the Eastern Front. This book stands as a memorial to the huge numbers on both sides who did not survive and is, some six decades later, the fulfilment of a responsibility the author feels to honour the memory of those who perished.

*Red Snow and Other Parables from Nature* Mrs. Alfred Gatty, 1861

*Dancing in the Red Snow* Elizabeth Cain, 2014-07-16 Rancher Hank Rose loses his parents in a freak lightning storm on the Nevada desert three weeks before his Iroquois wife, Susan Sun, gives birth to their only child. Just as their daughter, Sunny, returns some joy to their lives, she is kidnapped at age four. Sunny suffers numbing mind-control and physical abuse for eight years before she is found, barely educated and terrified of a world she has never known, her only friend a German shepherd, named Paraso. After she is rescued from a locked car during a California heat wave, Sunny reunites with her parents, who are naturally ecstatic to see her again. But as happy as they are, Sunny struggles to find her place in a life she barely remembers and Hank wrestles with a past he would rather forget. After Sunny finally chooses an austere path of religious service, her parents fear they have lost her again, but in the end, Sunny without conscious intent lays to rest old grievances of her father and her grandparents, and surprisingly, her kidnappers pain as well. *Dancing in the Red Snow* is the compelling tale of a girl's incredible journey through childhood with a vengeful abductor and the years after as she embarks on a daring path to healing.

Unwittingly, he finds himself at its center, tapped by the British to report back on the Bolsheviks even as he becomes dangerously, romantically entangled with Trotsky's personal secretary. Both sides seek to use Arthur to gather and relay information for their own purposes . . . and both grow to suspect him of being a double agent. Arthur wants only to elope far from conflict with his beloved, but

her Russian ties make leaving the country nearly impossible. And the more Arthur resists becoming a pawn, the more entrenched in the game he seems to become. *Blood Red Snow White*, a Soviet-era thriller from renowned author Marcus Sedgwick, is sure to keep readers on the edge of their seats. This title has Common Core connections.

The Red Snow James Greiner,2016-02-09 In *The Red Snow*, his second work, Greiner turns his keen eye to Alaska's vast wilderness and its most mysterious creature: the gray wolf. Basing his story on careful research and personal observation, Greiner recounts the lives of the Tanana River Valley wolf pack and the tough, lonely hunter, Jake, who inhabits their valley. In splendid detail, he describes the birth of pups, the victory of the hunt, and the habits of animals who share the wolves' valley. Yet in describing the beauty, he never forgets the harshness of the Arctic wilderness; Greiner makes the ugly realities of the fight for survival intensely clear.

Red, Red Snow Caro Ramsay,2020-04-01 An attention-grabbing procedural with unsettling surprises inside every snowbank - Kirkus Reviews, Starred Review Called to investigate the bloodstained aftermath of an eventful Christmas party, detectives Anderson & Costello discover that

the holiday season can be anything but merry. A family man is stabbed to death at a crowded Christmas Ice Show. Murdered in plain sight. No clues, no witnesses, no known motive. A week later, two bodies are discovered at a holiday cottage in a remote highland glen: one in the kitchen; the other sprawled outside on the icy lawn. The killer would appear to have arrived and left without leaving a trace, not even a footprint in the snow. What secrets are lurking within this isolated, superstitious community? As the snow piles higher, detectives Anderson and Costello put their wits to solving a seemingly impossible crime, and gradually uncover a twisted tale of greed, obsession – and cold-blooded murder.

30 Days of Night: Red Snow Ben Templesmith, 2012-06-08 1941. Hitler's Operation: Silver Fox has failed, but the war on the Eastern Front drags on as the Russian winter starts to bite. British military attache Corporal Charlie Keating observes the war from the Soviet side, making sure crucial supplies get through to aid Stalin's front in the battle against the Nazis. With luck, he too will survive to see the end of the war. But something else is out there, and they're not the Nazis. No matter how hard humanity tries to kill itself, something else does it better. 30 Days of Night/Fell co-creator and Wormwood Gentleman Corpse auteur Ben Templesmith's first solo 30 Days tale is collected here, presenting a war of a different kind, one that will have repercussions felt all the way to Barrow, Alaska a half-century later. Also featuring additional story pages, character designs, a cover gallery, and an all-new cover from 2007 Scream Award nominee Templesmith.

*Red Snow* Lorraine Susan Harrison, 2017-10-31 Twelve-year-old Megan thought she knew everything there was to know about her mother's death, but she was wrong. Confronted by a web of deceit and lies from her family and ignored by her schoolmates, she befriends her new neighbour, Ryan. But Ryan is hiding a dangerous secret in the nearby woods. He has found some blood on the

snow next to an old watchtower and Megan is drawn into a situation that she would rather avoid. When the two friends are saved from danger by an intriguing woman called Irene, Megan begins to realise Irene has information that could shed light on the mysterious events surrounding her mother's death. Meanwhile, Megan's father sinks deeper into depression and forbids her from reaching out to Irene again. As the mystery deepens, a failed burglary and the discovery of an intruder in Ryan's garden reveal the truth about the past. A final unexpected twist brings some comfort and happiness to Megan's tragic life as the book reaches a hopeful conclusion. Taking readers on an emotional and gripping journey, *Red Snow* deals with serious contemporary issues including depression and post-traumatic stress as Megan battles against her father's illness to unravel the truth about her mother's death. Comparable to Suzanne LaFleur's *Love Aubrey* and David Yelland's *The Truth About Leo*, Larraine's debut book will appeal to readers aged 9-11 years who enjoy mysteries, as well as to charities and organisations raising awareness about mental health.

**Red Snow Fence** Harry E. Northup, 2006 Poetry. In these poems you will not find a trace of cant, bombast, or hype; nor do they argue a position, aesthetic, philosophical or otherwise. They are as plain as the Plains that he was raised on. They record what he ate between Oct. 5, 2002 and July 18, 2004, who he met, what he reads, what he thinks about family and the acting life; and always, what he loves. The primary values in these poems are integrity and craft. His own poem, 'family & new
