

Reggae Songs

Sarah Daynes

Reggae, Rastafari, and the Rhetoric of Social Control Stephen A. King, 2014-05-27

Who changed Bob Marley's famous peace-and-love anthem into Come to Jamaica and feel all right? When did the Rastafarian fighting white colonial power become the smiling Rastaman spreading beach towels for American tourists? Drawing on research in social movement theory and protest music, *Reggae, Rastafari, and the Rhetoric of Social Control* traces the history and rise of reggae and the story of how an island nation commandeered the music to fashion an image and entice tourists. Visitors to Jamaica are often unaware that reggae was a revolutionary music rooted in the suffering of Jamaica's poor.

Rastafarians were once a target of police harassment and public condemnation. Now the music is a marketing tool, and the Rastafarians are no longer a violent counterculture but an important symbol of Jamaica's new cultural heritage. This book attempts to explain how the Jamaican establishment's strategies of social control influenced the evolutionary direction of both the music and the Rastafarian movement. From 1959 to 1971, Jamaica's popular music became identified with the Rastafarians, a social movement that gave voice to the country's poor black communities. In response to this challenge, the Jamaican government banned politically controversial reggae songs from the airwaves and jailed or deported Rastafarian leaders. Yet when reggae became internationally popular in the 1970s, divisions among Rastafarians grew wider, spawning a number of pseudo-Rastafarians who embraced only the external symbolism of this worldwide religion. Exploiting this opportunity, Jamaica's new Prime Minister, Michael Manley, brought Rastafarian political imagery and themes into the mainstream. Eventually, reggae and Rastafari evolved into Jamaica's chief cultural commodities and tourist attractions. Stephen A. King is associate professor of speech communication at Delta State University. His work has been published in the *Howard Journal of Communications*, *Popular Music and Society*, and *The Journal of Popular Culture*.

Dub Michael Veal, 2013-08-15 Winner of the ARSC's Award for Best Research (History) in Folk, Ethnic, or World Music (2008) When Jamaican recording engineers Osbourne "King Tubby" Ruddock, Errol Thompson, and Lee "Scratch" Perry began crafting "dub" music in the early 1970s, they were initiating a musical revolution that continues to have worldwide influence. Dub is a sub-genre of Jamaican reggae that flourished during reggae's "golden age" of the late 1960s through the early 1980s. Dub involves remixing existing recordings—electronically improvising sound effects and altering vocal tracks—to create its unique sound. Just as hip-hop turned phonograph turntables into musical instruments, dub turned the mixing and sound processing technologies of the recording studio into instruments of composition and real-time improvisation. In addition to chronicling dub's development and offering the first thorough analysis of the music itself, author Michael Veal examines dub's social significance in Jamaican culture. He further explores the "dub revolution" that has crossed musical and cultural boundaries for over thirty years, influencing a wide variety of musical genres around the globe. Ebook Edition Note: Seven of the 25 illustrations have been redacted.

Jamming Reggae Together: Press and Listen! Cali's Books Publishing House, 2019-10

Each board book features six songs with lyrics and music on every page.

Time and memory in reggae music Sarah Daynes, 2013-07-19 On the basis of a body of reggae songs from the 1970s and late 1990s, this book offers a sociological

analysis of memory, hope and redemption in reggae music. From Dennis Brown to Sizzla, the way in which reggae music constructs a musical, religious and socio-political memory in rupture with dominant models is vividly illustrated by the lyrics themselves. How is the past remembered in the present? How does remembering the past allow for imagining the future? How does collective memory participate in the historical grounding of collective identity? What is the relationship between tradition and revolution, between the recollection of the past and the imagination of the future, between passivity and action? Ultimately, this case study of 'memory at work' opens up a theoretical problem: the conceptualization of time and its relationship with memory.

Cool Reggae Music: Create & Appreciate What Makes Music Great! Karen Latchana Kenney, 2008-01-01 Highlights everything needed to learn about reggae music.

This is Reggae Music Lloyd Bradley, 2001 A history of Jamaica's contribution to world culture--reggae--traces the history of the form from African rhythms to the slums of Kingston and the international recording industry.

Reggae Routes Kevin O'Brien Chang, Wayne Chen, 1998 Jamaican music can be roughly divided into four eras, each with a distinctive beat - ska, rocksteady, reggae and dancehall. Ska dates from about 1960 to mid-1966, rocksteady from 1966 to 1968, while from 1969 to 1983 reggae was the popular beat. The reggae era had two phases, 'early reggae' up to 1974 and 'roots reggae' up to 1983. Since 1983 dancehall has been the prevalent sound. The authors describe each stage in the development of the music, identifying the most popular songs and artists, highlighting the significant social, political and economic issues as they affected the musical scene. While they write from a Jamaican perspective, the intended audience is 'any person, local or foreign, interested in an intelligent discussion of reggae music and Jamaica.'.

This is Reggae Music ,

The Ultimate Guide to Great Reggae Michael Garnice, 2016 The Ultimate Guide To Great Reggae celebrates (and helps you find) the greatest songs of reggae. It focuses on every style of reggae, from mento to Jamaican R&B, ska, rock steady, dub, DJ, roots, dancehall and more. It opens with an exceptionally comprehensive brief history of reggae. This is followed by 52 chapters, each devoted to in-depth descriptions of the greatest songs for a particular artist or style. Over 750 great songs are detailed, and many more are discussed. More than 200 of reggae's stars, cult artists, one-hit wonders and forgotten greats are profiled, encompassing the music's full six decade span. Many of the songs and artists receive their overdue first coverage in print. The seven chapters on Bob Marley describe every one of his more than 600 recordings, his 200 best songs receiving detailed profiles. Insightful and engaging, The Ultimate Guide To Great Reggae is more than an invaluable buyer's guide and more than a comprehensive history. It's a love letter to reggae that's a joy to read. It's the one essential book for any reggae fan, and is interesting and accessible for anyone who enjoys reading about music.

Reggae Wisdom: Proverbs in Jamaican Music Anand Prahlad, 2001 In Reggae Wisdom: Proverbs in Jamaican Music Swami Anand Prahlad looks at the contexts and origins of these proverbs, using them as a cultural sheet music toward understanding the history of Jamaican culture, Rastafari religion, and the music that is that culture's worldwide voice.

Jamaican Creole in Reggae Music. An Overview over Linguistic Phenomena Sarah Lenhardt, 2020-10-27 Seminar paper from the year 2020 in the subject English Language and Literature Studies - Linguistics, grade: 1,0, University of Koblenz-Landau (Anglistik), course: Linguistics, language: English, abstract: The main objective of this work is to give an overview of linguistic phenomena that characterize Reggae songs in Jamaica. To this end, an analysis of the phonological, grammatical and lexical peculiarities that occur in Reggae music in Jamaica will be performed. First, the author will commence with the historical background of Jamaican Creole and explain how and why it has developed and

what role Standard English and even different African languages have played concerning its formation over centuries. Afterwards, the focus will be on the role of Standard English and Jamaican Creole in Jamaica. Basically, he will explain in what situations Standard English and Jamaican Creole are used, where they might be rather inappropriate and mistimed to use and mention the phenomenon of code-switching. Next up, different linguistic features of Jamaican Creole will be analysed – phonological, grammatical and lexical ones. After having exemplified those features, we will take a closer look at different songs of the Reggae genre by three of the most famous Reggae artists Bob Marley, Peter Tosh and Buju Banton where different linguistic features of Jamaican Creole can be found in their songs in great quantities. Finally, the results of the typical linguistic features that have been mentioned and the occurrences of certain linguistic features in the analysed songs will be compared in order to have an overview over what features are realized in Reggae songs.

Rastafari and Reggae Becky Mulvaney, Carlos Nelson, 1990-08-13 A combination dictionary and annotated discography, videography and bibliography, this sourcebook brings together listings of materials on the Rastafarian movement and reggae music. . . . This sourcebook serves as a good introduction to Rastafari and reggae. Reference Books Bulletin Coinciding with the sixtieth anniversary of Rastafari, this reference book traces the relationship between two intertwined aspects of Jamaican culture: Rastafari and reggae music. As important voices in the ongoing dialogue concerning Jamaica's search for a national identity, Rastafari and reggae have had a significant impact on international music and culture. This work is the first to document and describe these areas for researchers, providing a comprehensive dictionary of terms, people, places, and concepts relevant to Rastafari, reggae music, and their related histories. In a unique collaboration from the American and Jamaican perspectives, Mulvaney and Nelson have supplied annotated references and cross references for written materials, audio recordings, videocassettes, and films that cover the first sixty years of Rastafari and over twenty years of reggae music. The book is comprised of four main sections. The dictionary serves as the focal point for the cross referencing of the entire book and offers entries that are either directly related to Rastafari and reggae or provide a historical context. The discography, which includes 200 entries, represents a cross section of reggae music from 1968 to 1990 and is organized by musician or band name. A small, representative sample of documentary, concert, and narrative fiction videocassettes that address aspects of Rastafari or reggae music are catalogued in the videography, along with selected films. Finally, the bibliography, prepared by Carlos I.H. Nelson, provides a thorough overview of journal and magazine articles, creative works, dissertations, books, interviews, parts of books, reviews, and theses written by and about Rastafarians and reggae musicians. It covers the past importance, present significance, and future legacies of the movement and the music. The work also includes two appendices that list relevant periodicals and representative musicians and bands. Music students and researchers will find Rastafari and Reggae to be a valuable reference source, as will students in Caribbean and cultural studies, communication, history, and anthropology courses. For academic, public, and music library collections, the book will be an important addition.

Reggae Explosion Chris Salewicz, Adrian Boot, 2002-10-09 The team of writer Chris Salewicz and photographer Adrian Boot have brought together 50,000 words of text and over 400 images from the ReggaeXplosion Archive to create a history that contains a potent cocktail of drama, turbulence, pride and protest. From the earliest emergence in the 1950s of the fiercely competitive sound systems, fighting sonic battles in downtown Kingston, the story of Jamaican music is traced through ska, the birth of reggae, dub, roots reggae and the impact of Bob Marley to the new, harder-edged developments that have emerged in the last twenty years, including dancehall, ragga and jungle. Unpublished transcripts of interviews with key figures like Lee 'Scratch' Perry and Prince Buster

introduce the authentic voices of reggae history to the book - which blends researched facts, graphics and rare images to create not only a sense of the pulse of the music, but also the contrasts of poverty, humour, desperation and joie de vivre that typify both the island of Jamaica and its music.

Rhythms of Rebellion: A Beginner's Guide to Reggae Music Freddie Caldwell, *Rhythms of Rebellion: A Beginner's Guide to Reggae Music* offers a comprehensive exploration of the vibrant world of reggae, from its roots in Jamaica to its global influence on music, culture, and social change. Through ten chapters filled with historical insights, musical analysis, artist profiles, and cultural commentary, readers will embark on a journey through the rhythmic landscape of reggae music, discovering its origins, legends, subgenres, and impact on society. Whether you're a newcomer to reggae or a seasoned enthusiast, this book provides a valuable resource for understanding and appreciating one of the most influential musical genres of our time.

King Alpha's Song in a Strange Land Jason Wilson, 2020-02-14 When Jackie Mittoo and Leroy Sibbles migrated from Jamaica to Toronto in the early 1970s, the musicians brought reggae with them, sparking the flames of one of Canada's most vibrant music scenes. Professional reggae musician and scholar Jason Wilson tells the story of how reggae brought black and white youth together, opening up a cultural dialogue between Jamaican migrants and Canadians along the city's ethnic frontlines. This underground subculture rebelled against the status quo, broke through the bonds of race, eased the acculturation process, and made bands such as Messenjah and the Sattalites household names for a brief but important time.

Caribbean Popular Music David V. Moskowitz, 2005-11-30 Reggae music is more than just steel drum bands on white sand beaches. Its history is rich with culture and evolution, helping to tell the story of Jamaica's past. Due to its depth and extensive coverage, this book is the most complete and up to date encyclopedia about reggae, mento, ska, rocksteady, and dancehall music on the market today. Ideal for reggae lovers and college students studying music, this encyclopedia is comprehensive for high school students and non-music students as well. From Bob Marley to Wayne Wonder, this easy to use encyclopedia contains over 700 entries. Indices in both the front and back of the book make navigating through entries extremely user-friendly. Entries cover singers and songwriters, producers, record labels, and different styles of music that evolved from reggae. Moskowitz truly captures the history and evolution of Jamaican music in this extensive, illuminating encyclopedia, while all the while making it accessible to both high school and college students.

Miss Pat: My Reggae Music Journey MISS. PAT, 2023-09-05 This memoir will go down as required reading in years to come. - Flea Market Funk, DJ Prestige A remarkable, and still ongoing, journey. - The Daily Beast, Pat Meschino VP Records co-founder, and one of the reigning matriarchs of Reggae music, Patricia Miss Pat Chin, continues to lead the largest independent label and distributor of Caribbean music. Her energetic and engaging autobiography covers her family history, her relationship with her late husband Vincent Chin - and to Jamaica overall - her arrival in New York City in the late 70s, and of course her crucial role in the founding of VP Records. The book is packed with fantastic archival images spanning the emergence of Jamaican music as a cultural force in the 1950s up until today, bringing Miss Pat's revelatory memoir to life. Perspectives from business people, politicians, and musicians including Chris Blackwell (founder of Island Records), Edward Seaga (Former prime minister of Jamaica), singer Marcia Griffiths, and Lee Scratch Perry further light up the amazing story of Miss Pat's life and experiences.

Caribbean Currents Peter Manuel, Kenneth Bilby, Michael Largey, 2012-06-20 The classic introduction to the Caribbean's popular music brought up to date.

Reggae Bloodlines Stephen Davis, 1992-08-21 'Reggae Bloodlines', originally published in 1977 and here updated with a new afterword, was the first book to tell the story of the music of the Jamaican people and their spiritual nationality, the Brotherhood of Rastafari. It includes interviews with reggae's master musicians-Bob Marley, Jimmy Cliff, Toots Hibbert, Big Youth, Peter Tosh, Augustus Pablo, Max Romeo-and Prime Minister Michael Manley; reportage on Jamaican politics; and sorties into the nation's lush interior in search of the ganja fields of Kali Mountain and the legendary Maroon enclaves.
