Remember Me Estelle Laure,2022-03-22 Remember Me is an astonishingly bold young adult novel from Estelle Laure, the critically acclaimed author of This Raging Light and Mayhem If you could erase all of your painful memories, would you? Blue Owens wakes up one day with the strangest feeling that something is very wrong. Everyone’s acting weird and she’s found a note in her closet telling her to get on the Little Blue Bus at 7:45, which she does, meeting up with the exact person she was supposed to avoid: Adam Mendoza. Even though she has no idea who he is, something about him is so familiar. When she confronts him, the truth is revealed—Blue has paid to have her memories removed, and Adam is one of those memories. As Blue struggles to piece together her history, she is torn between her desire to know why she would do something so drastic and her fear of what she will find. Remember Me is the bold and beautiful story of a girl who must find the courage to face the demons of her past and reclaim her loved ones—even if it ruins her.

And I Remember S. Marshall Kent,2022-10-05 In the early 1900’s, the Wilson family, lived at a time of country unrest and poverty. Love and the help of neighbors and friends were their gifts. Michael and Rita were the Wilson’s two children who adored their parents and wanted nothing more than a happy life together. Unfortunately, not everything happens as we wish it. Death, War, misunderstandings, ego and money change lives and people. Mr. Wilson becomes an Insurance Salesman for a few years and the couple live in peace. But peace does not last, and the change is what this story is all about. It spans four generations with all the twists and turns of environment, history, ill happenings, effects of both war and poor communication along with pettiness and misunderstandings. Sometimes we are our own worst enemy. S. Marshall Kent retired, having spent 20 years in government employ. This is a novice attempt. A learning curve, if you will. There is no relation to actual persons, Clayton New York is a place of Fiction. The characters and incidents are a product of the author’s imagination and are used fictitiously.

Happy Days Shana Alexander,2015-02-17 Acclaimed 60 Minutes commentator and true-crime author Shana Alexander turns her journalist’s eye to her own unconventional family—and herself—in this fascinating, moving memoir Shana Alexander spent most of her life trying to figure out her enigmatic parents. Milton Ager was a famous songwriter whose creations included “Ain’t She Sweet” and “Happy Days Are Here Again.” Cecelia Ager was a film critic and Variety columnist. They were a glamorous Jazz Age couple that moved in charmed circles with George and Ira Gershwin, Dorothy Parker, and Jerome Kern. They remained together for fifty-seven years, and yet they lived separate lives. This wise, witty, unflinchingly candid memoir is also a revealing account of Alexander’s own life, from her successful career as a writer and national-news commentator to her troubled marriages and emotionally wrenching love affairs. She shares insights about growing up with a cold, hypercritical mother, her relationship with her younger sister, the suicide of her adopted daughter, and her reconciliation with her parents after a twenty-year estrangement. “I had to do a lot of detective work to uncover the truth about my parents’ lives,” Alexander said. “I knew almost nothing about them as people. But by the end they really did become my best friends.”

Letting God Be Enough Erica Wiggenhorn,2021-09-07 Everyone thinks you’ve got it together. But inside, you’re asking, “Am I enough?” No matter how good we look to others, the nagging voice

of self-doubt is hard to shake. We ask questions like: If people really knew me would they still accept me? Will I be rejected when I can't perform? Can I pull this off? What if I end up alone? Am I missing out on what life should be because I can't shake this fear? If you find yourself having thoughts like these, Erica Wiggernhorn wants to lead you to freedom. Drawing from the story of Moses—the greatest self-doubter in the Bible—Erica shows how self-doubt is tied closely to self-reliance. It's only when you cast yourself on God that you find the true source of strength. Are you enough? The answer is no . . . but your God certainly is. Step out in His power instead of your own and watch your confidence blossom because you're in the hands of I AM.
