Mah Jongg: The Art of the Game Ann Israel, Gregg Swain, 2014-11-18 I thoroughly enjoyed this book. Whether used as a reference or a beautiful keepsake, it's a very worthy addition to the world of Mah Jongg. —Ruth Unger, President, National Mah Jongg League This is the first book to fully capture the story of the exotic and exciting game of Mahjong or Mah Jongg, offering an intimate look at the history of the game as well as the visual beauty of the tiles. When authors Ann Israel and Gregg Swain began playing Mahjong, they were unaware of the vintage collections that existed not only in the United States but also across the globe. Slowly, they started to collect their own sets of Mahjong and as their collections grew, so did their appreciation of the history of, and interest in, the game. Finding few references, Israel and Swain set out to create a book that chronicles the early beginnings of the game and documents Mahjong sets from the most basic, made simply of paper, to the most precious materials such as ivory and mother-of-pearl. Recognized and respected scholars and game experts have collaborated with Israel and Swain, contributing important chapters on the game's history and its pieces as well as technical information on the tiles. Lastly, great collectors from around the globe have shared their incredible sets and memories for the first time in one book for everyone to enjoy. With hundreds of beautiful new images by renowned photographer Michel Arnaud, and including historical documentation and ephemera, *Mah Jongg: The Art of the Game* fills the void between the past's and today's game, providing vision, inspiration and resources. Anyone who has ever been intrigued by a Mahjong tile will find in these pages visually stunning photographs that will entice them into becoming an enthusiast of the timeless game of Mahjong.

Fear of Flying Erica Jong, 2004 Originally published in 1973, the groundbreaking, uninhibited story of Isadora Wing and her desire to fly free caused a national sensation. In *The New York Times*, Henry Miller compared it to his own classic, *Tropic of Cancer* and predicted that this book will make literary history... It has sold more than twelve million copies. Now, after thirty years, the revolutionary novel known as *Fear of Flying* still stands as a timeless tale of self-discovery, liberation, and womanhood.

Kim Jong-un Holy Ghost Writer, 2015-02-07 Could it be that the United States of America has isolated North Korea because it will not join the secret societies that rule the world? Would you like to read a parody on *The Interview*? If either of these are a possibility in your mind, this novella might be for you!

Game of Mah Jong Illustrated Patricia A. Thompson, 2015-12-01 Although Mah Jong has been played by many nationalities through the ages, there are few books on the game. Some early books, translated from the Chinese, make hilarious reading and are virtually impossible to comprehend. Most books for beginners assume that the reader has some elementary knowledge of the game. In this well-thoughtout book, the player is introduced to every phase by a clear explanation

followed by illustrations which enable an easy step-by-step development of the game. Scoring is set out in simple tabulated form, with illustrations of scoring for specific hands. Altogether fifty-one hands are fully illustrated making this an invaluable handbook for newcomer and experienced player alike.

When Harry Met Minnie Martha Teichner, 2021-02-02 *An Instant New York Times Bestseller!* A memoir of love and loss, of being in the right place at the right time, and of the mysterious ways a beloved pet can bring people together, from CBS Sunday Morning News correspondent and multi-Emmy-Award-winning Martha Teichner. There are true fairy tales. Stories that exist because impossible-to-explain coincidences change everything. Except in real life, not all of them have conventional, happily-ever-after endings. When Harry Met Minnie is that kind of fairy tale, with the vibrant, romantic New York City backdrop of its namesake, the movie When Harry Met Sally, and the bittersweet wisdom of Tuesdays with Morrie. There's a special camaraderie among early-morning dog walkers. Gathering at dog runs in the park, or strolling through the farmer's market at Union Square before the bustling crowd appears, fellow pet owners become familiar—as do the personalities of their beloved animals. In this special space and time, a chance encounter with an old acquaintance changed Martha Teichner's world. As fate would have it, her friend knew someone who was dying of cancer, from exposure to toxins after 9/11, and desperate to find a home for her dog, Harry. He was a Bull Terrier—the same breed as Martha's dear Minnie. Would Martha consider giving Harry a safe, loving new home? In short order, boy dog meets girl dog, the fairy tale part of this story. But there is so much more to this book. After Martha agrees to meet Harry and his owner Carol, what begins as a transaction involving a dog becomes a deep and meaningful friendship between two women with complicated lives and a love of Bull Terriers in common. Through the heartbreak and grief of Carol's illness, the bond that develops changed

Martha's life, Carol's life, Minnie's life, Harry's life. As it changed Carol's death as well. In this rich and touching narrative, Martha considers the ways our stories are shaped by the people we meet, and the profound love we can find by opening our hearts to unexpected encounters.

The Devil at Large Erica Jong, 1994 Erica Jong, the author of *Fear of Flying*, was a correspondent and friend of Henry Miller for the last decade of his life. In this blend of biography, autobiography, scholarship and polemic, she sets out to re-evaluate Miller's work and to rescue him from charges of misogyny and titillation. The book contains Jong's own correspondence with Miller, and also examines the background to the diaries of Anaïs Nin.

Visions of Dystopia in China's New Historical Novels Jeffrey C. Kinkley, 2014-11-04 The depiction of personal and collective suffering in modern Chinese novels differs significantly from

standard Communist accounts and most Eastern and Western historical narratives. Writers such as Yu Hua, Su Tong, Wang Anyi, Mo Yan, Han Shaogong, Ge Fei, Li Rui, and Zhang Wei scramble common conceptions of China's modern development, deploying avant-garde narrative techniques from Latin American and Euro-American modernism to project a surprisingly Un-Chinese dystopian vision and critical view of human culture and ethics. The epic narratives of modern Chinese fiction make rich use of magical realism, surrealism, and unusual treatments of historical time. Also featuring graphic depictions of sex and violence and dark, raunchy comedy, these novels deeply reflect China's turbulent recent history, re-presenting the overthrow of the monarchy in the early twentieth century and the resulting chaos of revolution and war; the recurring miseries perpetrated by class warfare during the dictatorship of Mao Zedong; and the social dislocations caused by China's industrialization and rise as a global power. This book casts China's highbrow historical novels from the 1990s to the mid-2000s as a distinctively Chinese contribution to the form of the global dystopian novel and, consequently, to global thinking about the interrelations of utopia and dystopia.

Mah Jong Players Companion Patricia A. Thompson, Betty Maloney, 2015-12-01 Since the arrival on the market of Patricia Thompson and Betty Maloney's two previous books, *The Game of Mah Jong Illustrated* and *Improve Your Mah Jong*, a wide range of hands from many parts of the world has been sent to them. In this player's companion the authors have put together a cross-filled reference guide where over 120 hands, illustrated in colour, can be quickly identified by following the flip-top headings on each page. A full synopsis of each hand is included. The extra hands give an international flavour to the book, adding new interest and challenges.
