Joseph Perl's Revealer Of Secrets Dov Taylor,2019-03-13 The dawning of the nineteenth century found the Jews of Eastern Europe torn between the forces of progress and reaction as they took their first tentative steps toward the modern world. In a war of words and of books, Haskalia-the Jewish Enlightenment-did battle with the religious revival movement known as Hasidism. Perl, an ardent advocate of Enlightenment, unleashed the opening salvo with the publication in 1819 of Revealer of Secrets. The novel tried to pass itself off as a hasidic holy book when it was, in fact, a broadside against Hasidism-a parody of its teachings and of the language of its holy books. The outraged hasidim responded by buying up and burning as many copies as they could. Dov Taylor's careful translation and commentary make this classic of Hebrew literature available and accessible to the contemporary English-speaking reader while preserving the integrity and bite of Perl's original. With Hasidism presently enjoying a remarkable rebirth, the issues in Revealer of Secrets are all the more relevant to those seeking to balance reason and faith. As the first Hebrew novel, the work will also be of great interest to students of modern Hebrew literature and modern Jewish history.

**Truthful Revealer** Bill Donahue,Keri Wyatt Kent,2010-08-22 Jesus was committed to truth. He revealed the truth about himself, about the Father in heaven, about the world, sin, eternal life and what it means to live an abundant life. And your closest friends are the ones who will tell you the truth about yourself. Jesus is that kind of friend. He reveals your identity, makes sense of your history, exposes your needs and points you toward your destiny. When we meet Jesus the revealer, we discover truth--and ourselves. The Jesus 101 Series engages both mind and heart. The sessions bring a fresh perspective on who Jesus is, how he interacted with people in Scripture and how he relates to us. The discussion questions are designed particularly to help a group to learn from each other but also provide an interesting context for individual reflection. As you discover the ways Jesus fulfills our lives, you may fall in love with him again--or for the first time.

The Seventh Ray: Revealer of the New Age Alice A. Bailey,1995-05-14 Today two rays of great potency are functioning simultaneously. The Sixth Ray of Idealism and Devotion is slowly passing out and the Seventh Ray of Ceremonial Order or Ritual is coming into manifestation. This is bringing about a situation which is described in ancient archives in the following terms: "A time of rending, when the mountains which have sheltered, fall from their high places and the voices of men are lost in the crash and thunder of the fall." Such periods come only rarely, and each time they come a peculiarly significant period of divine activity is ushered in: old things pass away, yet the ancient landmarks are restored.
