Steps to Personal Revival Helmut HAUBEIL,2020-03-17 On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

To Be Like Jesus Ellen G. White,2004 Emphasizing a different theme each month, this daily devotional calls us into a deeper fellowship with God and equips us for the journey. Each reading is a moment with the master--another step in an ever-sweeter journey with Jesus.

Hope for Troubled Times Mark Finley,2020-06-03 Fear Worry Stress These emotions can overwhelm and consume us. They fill our minds with unanswerable questions. What will I lose...my health? my family? my job? my home? Will our lives ever be normal again? What is “normal”? We live in a sin-sick world. Catastrophes surround us, but we can surrender our fears to Jesus. He is the answer to overwhelming fears that consume our energy, rob our joy, and ruin our health. Fear is an emotion. Faith is an attitude, and focus is a choice. Fear must give way to faith as we adjust our focus. If our eyes are focused on the problem, fear will overcome us. If our eyes are fixed upon Jesus, the emotion of fear may still be present, but it will not cripple us. Fear will no longer dominate our lives. Discover with Pastor Mark Finley as he shows us that we have One who is larger than our fears, bigger than our worries, and greater than our anxieties by our side, and He has practical, down-to-earth, real solutions to our problems. We have the assurance of the One who said, “I will never leave you nor forsake you” (Hebrews 13:5).

Selected Messages, Vol. 1 Ellen G. White,2006

The Power of Revival and Reformation Does Not Come: Why? ,1953

The Power of Revival and Reformation Does Not Come J. H. N. Tindall,2005 Many Christians today believe and teach that true Christianity is based only upon surrender and faith. While this is true, this focus overlooks what takes place when the faith we have acts in cooperation with the Divine--the fruits of the Spirit. Christ will not and cannot live that life in us without our cooperation; it is a joint action of both the soul and Christ, not Christ alone, or the soul alone. A true reformation cannot occur without this knowledge; reformation must accompany revival. Author J. H. N. Tindall delves into issues that many Christians today tend to overlook and avoid, including the Law of God, Christian education, the health message, medical ministry, true evangelism, and the signs to the need of a revival in a church. These messages are needed more now than ever as we rapidly approach Christ's second coming. Read also, *Man and Mind: The Crowning Act of the Creation of God, Victory and Self-Mastery Through the Understanding of the Son of God in His Humanity--The Pattern Man, Christ, a True Human Being, both Physically and Spiritually, How Christ Maintained a Sinless Character in a Fallen, Sinful, Human Nature, and Christ Developed the Sinless Character Which Adam Should Have Developed.*

Revival for Mission Mark Finley,2013

A God-Sized Vision Collin Hansen,John D. Woodbridge,2010-11-02 Can God stir revival by his Holy Spirit, even in our culture today? Do we really believe he can? In a day of diminished expectations, *A God-Sized Vision: Revival Accounts That Stretch and Stir* recounts global examples of prior revivals, beginning with the Reformation and the Great Awakenings. It continues with the Welsh and Azusa Street revivals and those that occurred simultaneously in Asia, followed by the East Africa Revival of the 1930s. More recent revivals in North America that instigated parachurch or evangelistic ministries like those of Billy Graham and the revivals in China, particularly in Henan Province over the last forty years, give further evidence of church renewal. These stories enlarge our hearts, expand our minds, and empower our witness to the power of God at work in human history. Christians with a deep evangelistic commitment who realize that there is more to church growth than field-tested techniques will expand their vision by remembering God's vision, as it has been revealed throughout history. Hansen and Woodbridge mine these stories of renewal to suggest how to get ready for revival today.

40 Days Dennis Edwin Smith,2012-12-01 Physical health influences spiritual and emotional health as well as the ability to minister effectively. As Ellen White said so succinctly: The misuse of our physical powers shortens the period of time in which our lives can be used for the glory of God. And it unfits us to accomplish the work God has given us to do (Christ's Object Lessons, p. 346). In this volume Dennis Smith invites you to spend 40 days continuing the work God has given you while exploring a holistic view of health, the importance of caring for mind, body, and soul, and the integral role of the health message during these last days of earth's history.

The Call of the Elijah Revolution James W. Goll, Lou Engle, 2011-07-28 The Call of the Elijah Revolution brings the pounding echoes of Christian hearts to life eternal life that begins here and now. We are not at the mercy of special interest groups, unethical businesspeople, ungodly politicians, and pornographers; we are called to deliver the message of His saving grace. Learn how to combat the spirit of Baal that has permeated: Churches in the United States. The bull market. Our social, political, and educational cultures. The entertainment industry. Individual consciences. Authors James Goll and Lou Engle seek to inspire an entire generation to exchange temporal pleasures for a radical and passionate leap into the spiritual joy of Jesus Christ. You will be propelled into joining the cries of other lovers of the Savior. Is there not a cause in the land? His answer is, Yes!

Revival and Reform in Islam Fazlur Rahman, 2021-01-21 This authoritative book argues that what is considered today to be Islamic fundamentalism is inconsistent with the true meaning of this faith. Rahman demonstrates that the true roots of Islamic teachings advocate adaptability, creativity, and innovation.

The Four Keys to the Millennium Jay Rogers, 2010-03-29 All Christians believe that their great God and Saviour, Jesus Christ, will one day return. Although we cannot know the exact time of his return, what exactly did Jesus mean when he spoke of the signs of his coming (Matthew 24)? How are we to interpret the prophecies in Isaiah regarding the time when 'the earth will be full of the knowledge of the LORD as the waters cover the sea' (Isaiah 11:9)? Should we expect a time of great tribulation or reformation and revival before the Lord returns? How do we approach this inspired prophetic book? In what way do these approaches affect our interpretation of the thousand years of Revelation 20? Is the devil bound now, and are the saints reigning with Christ? These, and many more questions, are dealt with by the four authors in *The Four Keys to the Millennium*. The editor, Michael Meiring, also makes an analysis of the four essays, identifying the strengths and weaknesses of each view.

Fire and Fragrance Andy Byrd, Sean Feucht, 2010-09-01 I have come to cast fire upon the earth; and how I wish it were already kindled! (Luke 12:49 NASB) Passionately devoted to revival and reformation, the authors vividly describe the perspective that God is giving to a generation, the power He is releasing, and the potential of a people set ablaze for God. Exciting new areas of discovery include: A lifestyle of living in the confluence of prayer/worship and mission. Perspective of what God is doing today and what we are on the verge of. Living a lifestyle of holiness that pleases God and sustains revival and reformation. God is releasing a groan for fervent prayer and a devotion to unabashed worship that leads to simple service and great exploits. Fire and Fragrance is a call to action for a new generation of zealots. From the American heartland, to Nepal, to almost all points between, you will explore lands and realms beyond imagination. For over 2,000 years, fire has been poured out across the earth and is raging now like never before. This fire is filling a people who are fascinated with the beauty of Jesus, whose hearts are in sync with the yearnings of His heart, and who will give their lives to see the fragrance of Christ spread to every remote corner of Earth!

Saturate Jeff Vanderstelt, 2015-04-16 What does living for Jesus look like in the everyday stuff of life? Many Christians have unwittingly embraced the idea that "church" is a once-a-week event rather than a community of Spirit-empowered people; that "ministry" is what pastors do on Sundays rather than the 24/7 calling of all believers; and that "discipleship" is a program rather than the normal state of every follower of Jesus. Drawing on his experience as a pastor and church planter, Jeff Vanderstelt wants us to see that there's more—much more—to the Christian life than sitting in a pew once a week. God has called his people to something bigger: a view of

the Christian life that encompasses the ordinary, the extraordinary, and everything in between. Packed full of biblical teaching, compelling stories, and real-world advice, this book will remind you that Jesus is filling the world with his presence through the everyday lives of everyday people... People just like you.

Key to Revival Gordon Ziegler,2014-01-24 This book answers the following type of questions: Why hasn't Jesus come yet? Is it because God's people need a revival and reformation? How can we obtain an awakening? Can we secure clues from past revivals? Is there a recurring pattern in historical revivals and reformations? Where are we now relative to that pattern? What is the difference between legalism and antinomianism? How do views on the atonement, the nature of Christ, and the sealing impact our quest for a revival and reformation? What is the final revival type? Are we nearing it? These pages prepare the reader for the final revival and reformation. Some of the answers offered in this book will surprise you. They could even change your life.
