Soulless Jim DeRogatis, 2019-06-04 The essential account of R. Kelly's actions and their consequences, a reckoning two decades in the making In November 2000, Chicago journalist and music critic Jim DeRogatis received an anonymous fax that alleged R. Kelly had a problem with "young girls." Weeks later, DeRogatis broke the shocking story, publishing allegations that the R&B superstar and local hero had groomed girls, sexually abused them, and paid them off. DeRogatis thought his work would have an impact. Instead, Kelly's career flourished. No one seemed to care: not the music industry, not the culture at large, not the parents of numerous other young girls. But for more than eighteen years, DeRogatis stayed on the story. He was the one who was given the disturbing videotape that led to Kelly's 2008 child pornography trial, the one whose window was shot out, and the one whom women trusted to tell their stories—of a meeting with the superstar at a classroom, a mall, a concert, or a McDonald's that forever warped the course of their lives.

Soulless: The Case Against R. Kelly is DeRogatis's masterpiece, a work of tenacious journalism and powerful cultural criticism. It tells the story of Kelly's career, DeRogatis's investigations, and the world in which the two crossed paths, and brings the story up to the moment when things finally seem to have changed.

Decades in the making, this is an outrageous, darkly riveting account of the life and actions of R. Kelly, and their horrible impact on dozens of girls, by the only person to tell it.

Soulacoaster R. Kelly, 2012-08-12 Who is R. Kelly? Three-time Grammy winner, who has sold more than 35 million records worldwide. Legendary writer and producer, who collaborated with such music icons as Michael Jackson, Celine Dion, Jay-Z, and Aretha Franklin. Visionary cultural messenger, who created the hip hopera phenomenon *Trapped in the Closet*. Creative genius. Sex symbol. The man who puts the R in R&B. Through the iconic anthem *I Believe I Can Fly* and such sexy R&B mega-hits as *Bump*

N' Grind, Ignition, and When a Woman's Fed Up, R. Kelly has proven to be one of the greatest musical talents of his generation. Yet his rollercoaster ride to the top has been as perilous as it has been exhilarating. In *Soulacoaster: The Diary of Me*, Kelly shares his life story through episodic tales and exclusive color photographs, exploring his meteoric rises and sudden falls. From the crippling learning disorder that rendered him unable to read or write, to the teacher/mentor who prophesized that his destiny was in music, not basketball, we follow his evolution from Chicago street performer to struggling L.A. musician and beyond. Kelly reveals his hard-won ascent to superstardom and his battle to move forward after legal and personal ordeals that threatened to destroy his life. Now back at the top, Kelly recounts the surprising twists and turns that have taken him to new heights of maturity and artistry. Part memoir, part keepsake, *Soulacoaster* unlocks the door to R. Kelly's story as only he can tell it, promising his fans an intimate and unforgettable ride.

Your Body's Calling Me Jake Brown, 2004 An unauthorized biography of songwriter, producer, and singer, R. Kelly.

A Testament of Devotion Thomas R. Kelly, 1996-08-02 Since its first publication in 1941, *A Testament of Devotion*, by the renowned Quaker teacher Thomas Kelly, has been universally embraced as a truly enduring spiritual classic. Plainspoken and deeply inspirational, it gathers together five compelling essays that urge us to center our lives on God's presence, to find quiet and stillness within modern life, and to discover the deeply satisfying and lasting peace of the inner spiritual journey. As relevant today as it was a half-century ago, *A Testament of Devotion* is the ideal companion to that highest of all human arts—the lifelong conversation between God and his creatures. I have in mind something deeper than the simplification of our external programs, our absurdly crowded calendars of appointments through which so many pantingly and frantically gasp. These do become simplified in holy obedience, and the poise and peace we

have been missing can really be found. But there is a deeper, an internal simplification of the whole of one's personality, stilled, tranquil, in childlike trust listening ever to Eternity's whisper, walking with a smile into the dark.

Jane Doe #9 Lizzette Martinez,Keelin MacGregor,2021-10-26
Lizzette Martinez's story embodies the fire energy that gives light and life to survivors all around her! Survivors need to see strength and perseverance despite opposition, and Lizzette models just that. —Melissa Schuman, actress and singer In January of 1995, 17-year-old Lizzette Martinez met Grammy-winning musician and record producer R. KELLY at Aventura Mall in Florida where he was performing. At first, it seemed that her hopes of becoming a professional singer were about to come true when he offered to help boost her career. However, this mentorship quickly turned into sexual grooming, leading to years of physical, emotional, and sexual abuse. After struggling to free herself of the relationship and rebuild on her own, Lizzette's successful new life, far away from the entertainment industry, was interrupted in 2017 by allegations against R. Kelly by other women. This led her to coming forward to the authorities with her own history of abuse by the music icon. In January 2019, she participated with other survivors in a documentary series with Lifetime called "Surviving R. Kelly." It should have been a healing experience but instead left them feeling abandoned and fearful for their lives. In August 2021, Kelly went on trial in New York on racketeering and sex trafficking charges and was found guilty of all charges. In *JANE DOE #9* by Lizzette Martinez and Keelin MacGregor, readers get a no-holds-barred look at Martinez's relationship with Kelly, her efforts to break free and pursue her dreams, and courage to take on her abuser and seek justice.

Lizzette has been very courageous and persistent in her battle to make sure that R. Kelly was held accountable. I am honored to represent her. - Gloria Allred, women's rights attorney and National Women's Hall Of Fame inductee In twenty-one years of reporting on R. Kelly abusing his wealth and fame to prey on so many girls and young women—and it was their bravery in speaking out that finally stopped the worst predator in the history of popular music—Lizzette Martinez has always struck me as one of the strongest and most courageous. I could not admire her more, and I am eager indeed to read her story in her own words. She is an inspiration. -Jim DeRogatis, music critic, journalist, and author of Soulless: The Case Against R. Kelly

Reclaiming My Power Asante S. McGee, 2020-08-24 When I decided to release my first book, *No Longer Trapped In The Closet*, The Asante McGee Story in 2019, it was under the duress of the public and the networks to get my story out about my relationship with the infamous R. Kelly. This is my time to set the record straight, rebuild my character, and separate myself from the pack. I'm more than just one of the R. Kelly girls. My full story is something that I needed to take a step back, revisit, and now share; not just for my critics and naysayers, but most importantly for those who were or are in similar situations to my own, will read this book, and hopefully be inspired to act.

The Man Behind the Man Demetrius Smith Sr., 2011-06-06 In the pursuit of honesty and success the author bares his entire soul for the readers in *The Man Behind The Man*. Throughout this book, readers will follow him on his life's journey as he reveals his addictions, his faults, as well as his journey working for 13 years as personal assistant/tour manager for Grammy Award Winning Singer/ Song Writer/Producer R. Kelly. He tells his story and he tells it all; raw and uncut. This story is not for the faint of heart. Demetrius takes his readers on a tour with him as he crosses paths with the likings of Craig Hodges, Bernie Mac, Lisa Raye, Aaliyah, Gerald Levert, Salt-n-Pepa, LL Cool J and this is just to name a few. Demetrius has a brave narrative to share in this story. This book emphasizes the reality of who The Man behind the Man really is. Many would disagree that this book is just another tell-all. Reserve judgments until you have read it for yourself. As an avid reader, I believe plot purpose, and poignant point of view top my list as must-haves where book selection may be concerned. No story lends itself to this proven theory better than this testimonial tell-all authored by Demetrius Smith, Sr. Submitted by Mical Roy! This book is truly a good one to read,

and one you won't want to put down.

R. Kelly Harold M Smith, 2022-08-21 The singer R Kelly was sentenced to 30 years in prison for sexually abusing women, girls and boys, more than 20 years after first facing allegations. Kelly's conviction represents a victory for survivors of sexual violence, particularly those who may hesitate to speak out against abusers for fear of retribution. 'You destroyed so many lives': R Kelly victims give emotional statement. Last September, a jury in New York City found Kelly guilty of sex trafficking and racketeering, on all nine counts against him. On Wednesday, US district judge Ann Donnelly imposed the sentence at the federal court in Brooklyn after hearing from survivors who attested to how Kelly's exploitation reverberated in their lives. In this book you will discover some bad side of Robert Sylvester Kelly you never heard about. Get a copy for yourself now.
