Life on the Mista Shipu Robin McGrath,2018-09-20 In Life on the Mista Shipu, Robin McGrath acts as a navigator, guiding locals and visitors alike around parts of Labrador--particularly the interior--that are too often missed. In doing so, she offers candid glimpses of human and natural history, of local colour and characters, and of the culture of the three founding peoples of modern Labrador. McGrath, a Newfoundland native, moved to Labrador in 2006, eager to learn, explore, and write in the Big Land. Over the next decade, she opened her ears and eyes to the people and places around her, and has written widely about her experiences.

On Lonely Paths Jann Rowland,Lelia Eye, The impending marriage of a Groundbreather and a Skychild is set to usher in a new era of peace and prosperity, yet there are factions on both sides that vehemently oppose such a union. While in the midst of planning their nuptials, Skye and Tierra find out just how determined these factions are. Tierra is snatched away from her home, and Skye desperately follows, gathering unlikely allies along the way and learning that trust should not be loosely given. While Skye treks across the land, seeking Tierra as well as answers to the multitude of questions that plague him, Tierra finds herself among a people she never knew existed . . . and caught up in politics that involve the very god she worships. The world Tierra thought she knew grows more complicated as she realizes that being apart from Skye is not the only trial she faces. Worse yet is the revelation that the Fenik is not the only threat to the world. And the distance that the gods have maintained from their peoples appears to be growing shorter by the day.

The Best Corpse for the Job Charlie Cochrane,2014-11-24 Tea and sympathy have never been so deadly. Schoolteacher Adam Matthews just wants to help select a new headteacher and go home. The governors at Lindenshaw St Crispin's have already failed miserably at finding the right candidate, so it's make or break this second time round. But when one of the applicants is found strangled in the

school, what should have been a straightforward decision turns tempestuous as a flash flood in their small English village. Inspector Robin Bright isn't thrilled to be back at St. Crispin's. Memories of his days there are foul enough without tossing in a complicated murder case. And that handsome young teacher has him reminding himself not to fraternize with a witness. But it's not long before Robin is relying on Adam for more than just his testimony. As secrets amongst the governors emerge and a second person turns up dead, Robin needs to focus less on Adam and more on his investigation. But there are too many suspects, too many lies, and too many loose ends. Before they know it, Robin and Adam are fighting for their lives and their hearts.
