You Can Have It All, Just Not at the Same Damn Time Romi

Neustadt, 2020-01-14 Bestselling author, entrepreneur, speaker, and life and business coach Romi Neustadt has a message for women: You CAN have it all-- just not at the same damn time. Romi Neustadt is a mom of two, a wife, a daughter, bestselling author, speaker, entrepreneur, and coach. What's more, she's achieved these things without a staff of 10, the ability to sleep two hours a night or driving herself batsh*t crazy. She's figured out the key to having it all: Priorities, babe. In her second book, Romi provides a no-BS blueprint for women to figure out what to focus on and what not to. She explains why saying YES to everything and everyone really means saying NO to the things that matter -- to your goals, your dreams, and your true self. The key to achieving your wildest dreams isn't to downsize them. It's to embrace them more fully, and discard everything that isn't serving them. This book will teach you how to: Zone in on what really matters to you, so you can ditch everything that isn't serving your dreams. Recognize and embrace your true worth as a provider, partner, and all-around kickass human. Say no to the millionth request from your kid's school for home-baked goods--without experiencing mom guilt. Establish boundaries that stick with coworkers, friends, and family. Ditch toxic relationships and the soul-sucking drama that accompanies them. Stop feeling like an imposter in your own life. Create habits that protect your time and energy. Kick fear (of not being lovable, pretty, or good enough) to the curb once and for all. Written in the same down-to-earth, accessible style that made her first book, *Get Over Your Damn Self*, a beloved bestseller, this book is for every woman who wants to live a fulfilled, authentic life without feeling stressed and exhausted. Romi is

living proof that it's possible, and you will be too.

Romi and the Best Man Amy Sparling, Romi's greatest dream is to run the famed Blake Retreat until she retires, despite how her family just wants to sell to a wealthy CEO and take the money. With the purchase offers getting higher and higher, she'd rather focus on planning an extravagant week-long wedding for a local couple, and it's not just because the best man who is planning the wedding with her is super good-looking. (Okay, maybe it is.)

Lucas avoided love and family for years as he climbed high on the corporate ladder, and now he finds himself planning a charming wedding retreat for his best friend, Max. Weeks of phone calls and emails with the proprietor, Romi, has given him a little crush on the woman, but it's not until he meets her in person the week before the wedding that he realizes that there might be more to life than working all the time. When Romi discovers that Lucas not only works for that annoying CEO, but has been tasked with making sure he buys her business no matter the cost, she's crushed. She's also determined to make sure he never gets his greedy hands on her family's property, no matter what it takes. The Lake Sterling series is a series of sweet contemporary romantic comedies. 24 Hours in Paris Romi Moondi,2022-05-10 All bets are off in the City of Lights . . . where life and love can change in less than a day Shortly after

calling off her engagement, Mira Attwal escapes on an all-expense-paid business trip to Paris. But even the delicious food and flowing wine can't make her forget her parent's disappointment at leaving her fiancé or the fact that she's just blown up her personal life. As the trip nears its end, Mira knows she's just a few hours from having to face the consequences. Yet, the fates seem determined to keep her away just a bit longer. Subways are missed. Trains simply don't run. By the time Mira makes it to the airport, there are no new flights until the next day. And the icing on the pain au chocolat? Her arrogant and insufferable co-worker Jake Lewis is in the same boat. When he suggests that they spend the extra hours together, she's sure his annoying optimism will be more than she can handle. But as they spend the next twenty-four hours exploring Paris in all its beauty, Mira realizes that she and Jake have more in common than they thought, and he may turn out to be the best thing she discovers in the City of Love.

Two years have passed since Mira and Jake missed their flight and spent a magical 24 hours together in Paris. Sparks flew. Romance bloomed. But life got in the way. When they're reunited for another whirlwind adventure, will they connect in the same way? Mira's living her best life, having started a new chapter by taking a leave from her high pressure corporate position to

spend time in Italy. Surrounded by amazing scenery, fantastic food and wine, and endearing locals, her life is nearly perfect—except for the thoughts of what might've been with Jake. While Jake's career has never been better, the move to California has been less than perfect. Still, he's got high hopes that seeing Mira at their friends' destination wedding can right past wrongs. Except travel has never been his strong suit, and his reunion with Mira is punctuated by another, more recent heartbreak. When the pair collide again on the gorgeous Amalfi coast, the spark they felt in Paris is reignited, but their quest for a happy ending will surely be as rocky as the Italian coastline.

Never or Forever (Year of the Chick series) Romi Moondi, 2014-04-21 [Book 3 in the Year of the Chick series] For many people, Paris is the city of love. Most of those people are tourists. This turns out to be one of Romi Narindra's first realizations, when she ditches her corporate job and moves to Paris for a year to write a book. It's a year that will shatter illusions, assert independence, and maybe even leave some room for a love affair or two. All the while, the past comes swirling back like a ghost with unfinished business, which raises important questions about hope and second chances. Some things last forever, some things will never be, but one thing's for sure: love in the modern world is not a fairy tale. Oh well, fairy tales were never all that interesting anyway... ----- LENGTH: 74,000 words or approximately 280 pages DISCLAIMER: this book contains occasional profanities and mild sexual references

Year of the Chick Romi Moondi, 2014-04-21 [Book 1 in the Year of the Chick series. There's a bit of a cliffhanger to end this book, but the sequel addresses any unanswered questions] An awkward family homecoming at

Christmas. A humiliating public weigh-in, with two judging parents as the audience. The announcement of a deadline for arranged marriage doom. And that's just the first two chapters. In Year of the Chick, Romi Narindra must find love before her parents find her a husband (a seemingly absurd concept that's the norm in many cultures). To escape her fate, Romi wades through the waters of secret-dating, where self-consciousness is at an all-time high, and experience at an all-time low. It's the sort of thing that would turn almost anyone into a man-crazy freak with romance tunnel-vision, and that's exactly what happens to her. All the while, a lack of inspiration in her corporate job leads Romi to her love of writing, in what quickly becomes a man-quest play-by-play. From whiskey-breath scum bags to uni-brow creeps and everything in between, Romi and her wingmen come up empty time after time. And that's when she meets a fellow writer. On the Internet. So will it be arranged marriage doom, or an Internet affair that's not as creepy as To Catch a Predator? Time will tell in the year of the chick, a twelve-month quest to find love. Tick-tock. ----- Year of the Chick is book 1 in a series, and the sequel Last-Minute Love is available now! LENGTH: 75,000 words or 288 pages DISCLAIMER: this book contains profanities, blunt accounts of the dating scene, and cringe-worthy awkward family moments (free,freebie,chicklit,love,romance,romantic comedy,funny,humor,humour,long distance,multicultural,marriage,dating,relationships)
