KB's History of the Royal Rumble Thomas Hall,2016-12-24

Battle royals are really basic when you think about it. The idea of throwing a bunch of people in the ring and having the last one standing being the winner is as primal of a competition as you can get. It made perfect sense to have something like this in professional wrestling. Battle royals have taken place in the sport for years and none of them are more famous than the Royal Rumble. Starting back in 1988, the WWF started running an annual show featuring a major battle royal and the idea never stopped. Over the years other big matches were added and the show has become one of the biggest events on WWE's calendar. In this new book, I'll be looking back at the twenty seven Royal Rumble events and breaking down every match, segment and event in full while providing play by play, historical context and analysis.

Accepted Patterson, Pat, 2016-08-01 "Pat is one of the greatest mentors I've ever had in the world of sports-entertainment." — Dwayne "The Rock" Johnson When Pat Patterson was 17 years old, he was asked to leave his home after telling his parents he was in love . . . with a man. Moving from Montreal to the United States in the 1960s, barely knowing a word of English, he was determined to succeed in the squared circle. Back when homophobia was widespread, Pat lived in the super-macho world of pro wrestling. In this fascinating and revealing memoir of revolutionary talent, pioneer, and creative savant Patterson recalls the trials and tribulations of climbing to the upper ranks of sports-entertainment „ as a performer and, later, as a backstage creative force. Many in the WWE Universe know Pat Patterson as a ring legend, the prestigious first holder of WWE's

Intercontinental Championship, a WWE Hall of Famer, and one of Vince McMahon's stooges during the Attitude Era. But Patterson is no stooge. He has long been one of Vince McMahon's trusted advisors. His impact and importance to the nascent stages of WWE are nearly comparable to that of the Chairman himself. Still active in WWE today, Pat delivers his no-holds-barred story of going from unknown to WWE luminary.

Royal Rumble Holly Kerr, 2024-01-23 Prince Odin of Laandia and Lady Camille of Saint Pierre are getting married. The story of their whirlwind romance is sweet and swoon-worthy and completely made up. Camille I need a husband and the second son of the King of Laandia just proposed. Sort of. Because of some archaic, idiotic 18th-century French rule, I need to be married before I take over as ruler of my tiny island nation. And after Prince Odin's quick exit from The Suitorette reality romance show, it's obvious he's looking to make a match. The only problem? Ten years ago, Prince Odin broke my heart. And he just told the world all about it. I've got to marry him, but I'm not in the mood to forgive him. Odin On paper, Lady Camille is the perfect choice for a royal bride. Smart, beautiful, ready to rule-but it's the sharp-tongued temper and the tendency to hold grudges that has me worried. Yes, we have a past, but it only lasted one night, ten years ago. And several-hundred-letters. I thought she would have gotten over it. I thought I might have gotten rid of her letters before now too. When I suggested Lady Camille as my bride, it was a good PR move after my reality romance humiliation. But seeing her again brings back memories I thought I'd forgotten The wedding will be in six weeks, but will Camille forgive me before it happens? And what kind of marriage will we have if she doesn't? Royal Rumble is an arranged royal marriage, enemies-to-lovers, closed-door sweet romantic comedy full of missed opportunities and adorable dogs, sword fighting and snowballs.
