Baseball's Top 10 Home Run Hitters Ken Rappoport,2011-01-01 Since Babe Ruth started drawing big crowds with his big bat in the 1920s, the home run has meant more to baseball than just about any other individual achievement. What can be more exciting than the crack of the bat and the ball flying to the far reaches of a baseball stadium? From Ruth to Aaron to Bonds, Ken Rappoport examines the ten greatest sluggers to ever step up to the plate. The other players included are Lou Gehrig, Josh Gibson, Ken Griffey, Jr., Mickey Mantle, Willie Mays, Sadaharu Oh, and Alex Rodriguez.

Frank "Home Run" Baker Barry Sparks,2005-10-31 In the decades before baseball fans became enamored of sluggers like Babe Ruth and Jimmie Foxx, very few players were identified with the long ball. Instead, the game was dominated by men like Ty Cobb and Honus Wagner, players who sprayed the ball around the park, stole bases and mastered the hit and run. In fact, only one player entered the baseball mythology for his slugging: Frank Home Run Baker. Born in Trappe, Maryland, in 1886, Baker earned his moniker by hitting two game-changing homers in the 1911 World Series. That was the also the first year he led the American League in home runs, with the grand total of 11. Altogether, he led for four consecutive years (1911-1914), though he never hit more than 12 dingers in a single season. Playing third base for the Philadelphia Athletics and the New York Yankees, Baker led the way for the more Ruthian totals to come in the Roaring '20s. His is the story of a young player who at the height of his career risked throwing it all away in a contract dispute with the legendary Connie Mack. It is the story of the deadball era and the transition to the game we know today.

Home Run David Vincent,2011-12 The home run is indeed baseball's ultimate weapon. It can change a game in a heartbeat, making a tight game into a blowout or a seemingly easy win into a nail-biter. Homers are majestic, powerful, and awe inspiring. And sluggers are the sport's biggest stars, from the days of Babe Ruth through Barry Bonds. David Vincent, called The Sultan of Swat Stats by ESPN, delves into the long history of the home run with great detail and color. He starts when the rules of the game were highly unstable and sometimes the definition of a home run could change in a park from year to year; follows through the Deadball Era, when the home run was rare; explores the explosion Babe Ruth brought to baseball in the 1920s; discusses how both world wars affected homer statistics; looks at great home run races such as Maris versus Mantle in 1961; assesses the effects of the juiced ball, juiced players, thin air, and smaller ballparks; and so much more. If there is something to know about home run history, look to David Vincent for the answer-Major League Baseball does. With Home Run: The Definitive History of Baseball's Ultimate Weapon, now you can know it too. A 1990s Nike commercial proclaimed that chicks dig the long ball. In this thorough and colorful look at baseball's ultimate weapon, David Vincent shows you why.

License to Deal Jerry Crasnick,2005-05-25 The movie Jerry Maguire and HBO series Arli\$\$ barely skimmed the surface. Now the true inside story of the sports agent business is exposed as never before. During baseball's evolution from national pastime to a \$3.6 billion business, the game's agents have played a pivotal role in driving and (some might say) ruining the sport. In a world of unchecked egos and minimal regulation, client-stealing and financial inducements have become commonplace, leading many to label the field a cesspool, devoid of loyalties and filled with predators. Matt Sosnick entered these shark-infested waters in 1997, leaving a job as CEO of a San Francisco high-tech company to represent ballplayers--and hoping to do so while keeping his romantic love of baseball and his integrity intact. License to Deal follows Sosnick as he deals with his up-and-coming clients (his most famous is the 2003 rookie-of-the-year pitching sensation

Dontrelle Willis). We become privy to never-before-disclosed stories behind the rise of baseball's most powerful agent, Scott Boras. And we get a novel perspective on the art of the deal and the economics of baseball. By one of baseball's most respected sportswriters, who is now ESPN.com's lead Insider baseball reporter, License to Deal, like Michael Lewis's bestselling Moneyball, will provide fuel for many a heated baseball discussion.

Rositano,2005-01-28 Finding potential players; attending to the logistical details of scheduling practices, games, banquets and summer leagues; developing an adequate preseason throwing program that will work in a high school gym; efficiently cutting players after tryouts; and promoting a high school baseball program throughout the community--these are just a few examples of the myriad duties assigned to a high school baseball head coach. This reference work assists coaches in simplifying their many tasks. Here is an easy-to-use handbook for beginning high school baseball coaches and seasoned veterans alike. It takes coaches step by step through the season, from the player search and the first team meeting through the end-of-season banquet (with suggestions for summer baseball as well!). Instructions for fundraising and promoting programs, creating efficient and effective practices, organizing both practice sessions and games, and simplifying baseball situations are all included. Over 40 different model documents are provided to help with the development of a baseball program: player information and evaluation forms; sample practice plans and pre-game schedules; checklists for preseason and postseason responsibilities; letters to teachers, counselors and parents; letters for starting a high school summer league; and the cut letter are all here. Dingers Joshua Shifrin,Tommy Shea,2016-05-03 From splitters to spitters; from a frozen rope to the suicide squeeze; from extra innings to no hitters, baseball is truly a great game. The King of Swat William McNeil,1997-01-01 Who was the greatest home run hitter of all time? Babe Ruth? Henry Aaron? Willie Mays? Mickey Mantle? How about Negro Leaguers such as Josh Gibson or Norman Turkey Stearnes? Or minor league sluggers such as Joe Bauman who hit 72 four-baggers in 1954? And where does Sadaharu Oh and his 868 homers in the Japanese Central League fit in? Using statistical comparisons and accounting for the variances between players of different eras and levels of competition, this work provides the answer to the question of the greatest home run hitter of all time. The minors, Japanese, Negro and major leagues--both the deadball and lively ball eras--are fully analyzed. The home run hitting careers of the candidates in each league are first compared against other top sluggers in their own league, accounting for such differences as level of competition, size of ballparks, altitude in which the player played most of his games, night baseball and major league expansion. Players from different leagues are then compared to find the one player who stands out as the greatest home run hitter in the game's history. And the answer might surprise you.
