America used to be the land of opportunity; now, we have a world of opportunity! Technology has given us all an incredible gift. And yes, launching a small business takes time. But if you do this properly, you'll pick something you're excited to do! When you are brimming with excitement, you'll have no problem waking up a little earlier. You'll want to chase down your dreams and create a better life for yourself. In this book, you'll learn the tools and processes to make room for greatness. This is why I love the term money machine. It embodies simplicity. This book will help you avoid the complexities and find the simplest path possible. And finally...BUT it takes someone special to stand out, and I'm not special! If you pick up this book, I think there's a good chance you are special. You are striving for more. You're ready to take control. You're ready to level up your life. Most people won't turn their dreams into reality. But I can help. This book will help you uncover your true drive. You will want to pour your passion into this. You will want to out hustle the competition. You will have the tools to stand out. No more BUTS! I've filled this book with exercises to help you find your passion, generate momentum, and stand out from the crowd. The concepts in this book won't put you at risk, and they won't be complicated. So, the only thing you stand to lose is opportunity. People are taking action every day...now it's your turn.
