Frank Mills and his daughter Jennifer are deeply in debt and struggling to make ends meet when a robbery occurs at their little restaurant in the sleepy town of Royal Oak, Michigan. Fortunately a bright young millionaire named Jonathan Berkley is available to advise them. Jonathan shows them time and again that he is a powerful coach who knows how to empower people in business and give them the faith and strength they need to make it on their own. Frank and Jennifer's restaurant goes from being the cause of suicidal depression to a surprising success, using some of the same secrets revealed in Chandler and Beckford's bestselling non-fiction book: 9 Lies That Are Holding Your Business Back. Entrepreneurial Small Business Jerome Katz, Richard P. Green, 2013-03-05

Entrepreneurial Small Business (ESB) provides students with a clear vision of small business as it really is today: Katz focuses on the distinctive nature of small businesses that students might actually start versus high growth firms. The goal of the companies described in this textbook is personal independence with financial security; not market dominance with extreme wealth. Traditional beliefs and models in small business are discussed, as well as the latest findings and best practices from academic and consulting arenas. Katz and Green recognize the distinction between entrepreneurs who aim to start the successor to

Amazon.com or the pizza place around the corner. They discuss the challenges facing entrepreneurs, while keeping focused on the small businesses students plan to start.
