Field Marshal Sam Manekshaw Haldi Falki,2022-08-05 Field Marshal Sam Hormusji Framji Jamshedji Manekshaw, fondly known as Sam Bahadur, was one of the greatest war heroes and military leaders India has produced. He became a household name in India and was hailed as a legendary soldier and an inspiration to his fellow citizens for crafting India's greatest military victory in the 1971 Indo-Pak war as Chief of Staff (1969-73) of the Indian armed forces. Spanning four decades, he served the country gloriously through five wars—World War II, The Indo-Pakistani War of Partition (1947), the Sino-Indian War (1962), and the India-Pakistan wars (1965 and 1971). The first Indian Army officer to be promoted to the five-star rank of Field Marshal, Sam Bahadur continues to be the most admired war hero of our army chiefs. He will remain an example of self-sacrifice, personal bravery, and steadfast devotion to duty that began before India's independence, and will deservedly live in the annals of the military history of India forever.

A Career in Radio Sayed Mohammad Amir,2024-02-20 This book gives an overview of the development, significance, and impact of radio as a medium of mass communication in modern society. It provides a thorough understanding of the various wings and functionaries of the radio industry. The book also covers aspects of commercial radio, the basics of understanding the pulse of radio listeners, formatting radio programming, making an effective sales pitch and producing great commercials

to exhaustive advice on presenting a show, appearing for interviews, and public speaking. It also gives insight into the changes brought in by technology in terms of traditional radio broadcasts, such as digital radio, highlighting its advancements in audio quality and the diversity of programming options available, and satellite radio, subscription-based services, and exclusive access to specialised programming. An outcome of the author's vast experience of working as a radio jockey and programme manager for over 17 years, his book will be an ideal textbook for undergraduate and postgraduate students of journalism and mass communication, taking courses on radio, audio and podcasting, media production and digital media. Additionally, this book will be an invaluable companion to existing radio professionals as a resource-book for their professional development.

The Art and Business of Songwriting Larry D.

Batiste,2024-04-23 In this valuable resource guide for both beginners and professionals, veteran songwriter, producer, arranger, vocalist, music director, and educator Larry D. Batiste shares practical advice and tips from his decades of experience in ways that are bound to help all readers improve their songwriting skills. Through this book, readers will learn the craft of professional songwriting, including the ins-and-outs of song structure, lyric and melody writing, and the essential elements of a hit song. From the start, Batiste incorporates exercises to help songwriters strike upon ideas for song titles, concepts, and stories that will appeal to their audience. He also discusses critical business aspects of songwriting, such as copyrighting, publishing, royalties, networking, and digital media. In addition to the fundamentals, the reader will learn how to build their songwriting career, generate income, build an online community and fanbase, release music independently, expertly place their songs, and navigate the world of digital music. Throughout the book are interviews with iconic songwriters and producers such

as Peter Asher, Lamont Dozier, and Narada Michael Walden, as well as independent recording artists, including Fantastic Negrito, a winner of multiple Grammy Awards, and Meklit Hadero. Understanding the artistic and business aspects of songwriting is essential for a successful career in the music industry. The Art and Business of Songwriting can be applied to every genre of popular music and is written to encourage, motivate, and unlock the idiosyncrasies of the business for music professionals as much as for beginners.

Hearings in Public Assistance. V.1-4. 1947-1950 United States. Social Security Administration,1947

Computational Social Network Analysis Ajith Abraham,Aboul-Ella Hassanien,Vaclav Snášel,2009-12-10 Social networks provide a powerful abstraction of the structure and dynamics of diverse kinds of people or people-to-technology interaction. Web 2.0 has enabled a new generation of web-based communities, social networks, and folksonomies to facilitate collaboration among different communities. This unique text/reference compares and contrasts the ethological approach to social behavior in animals with web-based evidence of social interaction, perceptual learning, information granulation, the behavior of humans and affinities between web-based social networks. An international team of leading experts present the latest advances of various topics in intelligent-social-networks and illustrates how organizations can gain competitive advantages by applying the different emergent techniques in real-world scenarios. The work incorporates experience reports, survey articles, and intelligence techniques and theories with specific network technology problems. Topics and Features: Provides an overview social network tools, and explores methods for discovering key players in social networks, designing self-organizing search systems, and clustering blog sites, surveys techniques for exploratory analysis and text mining of social networks, approaches to tracking online community interaction, and examines how the topological features of a system affects the flow of information, reviews the models of network evolution, covering scientific co-citation networks, nature-inspired frameworks, latent social networks in e-Learning systems, and compound communities, examines the relationship between the intent of web pages, their architecture

and the communities who take part in their usage and creation, discusses team selection based on members' social context, presents social network applications, including music recommendation and face recognition in photographs, explores the use of social networks in web services that focus on the discovery stage in the life cycle of these web services. This useful and comprehensive volume will be indispensable to senior undergraduate and postgraduate students taking courses in Social Intelligence, as well as to researchers, developers, and postgraduates interested in intelligent-social-networks research and related areas.

Decisions and Orders of the National Labor Relations

Board United States. National Labor Relations Board, 1993-11-22

The films of Costa-Gavras Homer B. Pettey, 2020-06-11 Costa-Gavras is a seminal figure in French and international cinema. A master of the political thriller, he explores historical events through individual human stories, thereby involving his audience in past and contemporary traumas, from the horrors of the Holocaust through mid-century international state terrorism and totalitarianism to the current global financial crisis. With a career spanning half a century, he remains one of cinema's most intriguing and enduring storytellers, theorists and political commentators. This collection of original essays charts and re-examines Costa-Gavras's career from *Un homme de trop* (1967) to *Le capital* (2012). Readable and carefully researched, it will appeal to students and scholars of film, as well as fans of the director's work.

Talking On Air: A Broadcaster's Life in Sports Ken

Coleman, 2012-01-31 *Talking on Air: A Broadcaster's Life in Sports* highlights the 40-year career of Ken Coleman. The book details a broadcasting life seen not only from inside the booth, but also from inside the minds and throughout the experiences of many of sports' greatest names. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints,

is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Sex Tips for Pandas Brian Luff, 2011-09-15 Special edition of this popular paperback with bonus photo section and a brand new final chapter which brings the story up to date. When scriptwriters Georgina Sowerby and Brian Luff began recording podcasts in their spare bedroom in 2005, they had no way of knowing what an adventure they were embarking upon. *Sex Tips for Pandas* is the story of a couple from London whose podcasts touched the hearts of thousands and propelled them on a bizarre and comical trip around the world. It's also an intimate, often confessional book about a relationship, and a tantalizing glimpse at the none-too-glamorous side of the entertainment industry. For Brian and Georgina podcasting was an obsessive shared interest, a form of escapism from the real world which became the very glue that held their often difficult and complicated relationship together. Sprinkled throughout with showbiz anecdotes and bitchy behind-the-scenes gossip, *Sex Tips For Pandas* will amuse you, entertain you and ultimately inspire you.
