The Best of Learning & Leading with Technology Jennifer Roland, 2009 ISTE's flagship magazine, Learning & Leading with Technology is where the organization's members and industry experts share and discuss the latest and greatest in using technology to enhance education. This collection, assembled by former L&L senior editor Jennifer Roland, includes the very best articles from 2003-2008. Along with the articles as they originally appeared in the magazine, the book includes commentary and context introducing the articles as well as short essays from the original authors, who further discuss the issues and topics of their articles and how they've affected the ed tech world. With a large selection of articles from each of the regular sections of ISTE's award-winning magazine, The Best of Learning & Leading with Technology is an excellent resource for new ISTE members or beginning ed tech users, and is a must-have volume for longtime fans of the magazine. Along with provocative columns, insightful features, and practical tips, a full-color section showcases some of the best artwork and covers from the L&L design team.

Requiem for the Massacre RJ Young, 2023-11-14 NAACP Image Award Nominee for Outstanding Literary Work - Non-Fiction A Kirkus Reviews Best Book of The Year With journalistic skill, heart, and hope, Requiem for the Massacre reckons with the tension in Tulsa, Oklahoma, one hundred years after the most infamous act of racial violence in American history More than one hundred years ago, the city of Tulsa, Oklahoma, perpetrated a massacre against its Black residents. For generations, the true story was ignored, covered up, and diminished by those in power and in a position to preserve the status quo. Blending memoir and immersive journalism, RJ Young shows how, today, Tulsa combats its racist past while remaining all too tolerant of racial injustice. Requiem for the Massacre is a cultural excavation of Tulsa one hundred years after one of the worst acts of domestic terrorism in U.S. history. Young focuses on unearthing the narrative surrounding previously all-Black Greenwood district while challenging an apocryphal narrative that includes so-called Black Wall Street, Booker T. Washington, and Black exceptionalism. Young provides a firsthand account of the centennial events commemorating Tulsa's darkest day as the city attempts to reckon with its self-image, commercialization of its atrocity, and the aftermath of the massacre that shows how things have changed and how they have stayed woefully the same. As Tulsa and the United States head into the next one hundred years, Young's own reflections thread together the stories of a community and a nation trying to heal and trying to hope.

The 'Made in Germany' Champion Brands Ugesh A. Joseph, 2016-03-09 Germany's economic miracle is a widely-known

phenomenon, and the world-leading, innovative products and services associated with German companies are something that others seek to imitate. In The 'Made in Germany' Champion Brands, Ugesh A. Joseph provides an extensively researched, insightful look at over 200 of Germany's best brands to see what they stand for, what has made them what they are today, and what might be transferable. The way Germany is branded as a nation carries across into the branding of its companies and services, particularly the global superstar brands - truly world-class in size, performance and reputation. Just as important are the medium-sized and small enterprises, known as the 'Mittelstand'. These innovative and successful enterprises from a wide range of industries and product / service categories are amongst the World market leaders in their own niche and play a huge part in making Germany what it is today. The book also focuses on German industrial entrepreneurship and a selection of innovative and emergent stars. All these companies are supported and encouraged by a sophisticated infrastructure of facilitators, influencers and enhancers - the research, industry, trade and standards organizations, the fairs and exhibitions and all the social and cultural factors that influence, enhance and add positive value to the country's image. Professionals or academics interested in business; entrepreneurship; branding and marketing; product or service development; international trade and business development policy, will find fascinating insights in this book; while those with an interest in Germany from emerging industrial economies will learn something of the secrets of German success.

Luck of the Draw Anthony J. Cardieri, 2009-12-08 When Detective Deke Durgess finds himself at the scene of a brutal murder in Lower Manhattan, he has no idea that it's just the beginning of the most prolific murder spree in New York City history, one where entire families will be wiped out by a vicious killer dubbed The Daily Killer. The murders are being meticulously committed, with no forensic evidence left behind except for the killer's callous calling card, a short note left on the body of the victim. The mayor and police commissioner are coming down hard on Deke to make progress, but Deke and his team of detectives and FBI agents are at a standstill until a

series of events, and one misstep by the killer, leads them toward cracking the code in the victim selection process. Believing he knows where the killer will strike next, Deke sets up a sting operation, only to be slapped back down as the killer turns the tables on him, forcing the police department to take a good hard look at its own finest. Anthony J. Cardieri's first crime novel is an adrenaline-charged ride through the streets of New York.

Child Language Matthew Saxton,2010-03-03 Electronic Inspection Copy available for instructors here Presented with the latest thinking and research on how children acquire their first language, the reader is taken from a standing start to the point where they can engage with key debates and current research in the field of child language. No background knowledge of linguistic theory is assumed and all specialist terms are introduced in clear, non-technical language. A theme running through the book is the nature-nurture debate, rekindled in the modern era by Noam Chomsky, with his belief that the child is born with a rich knowledge of language. This book is rare in its balanced presentation of evidence from both sides of the nature-nurture divide. The reader is encouraged to adopt a critical stance throughout and weigh up the evidence for themselves. Key features for the student include: boxes and exercises to foster an understanding of key concepts in language and linguistics; a glossary of key terms; suggestions for further reading; a list of useful websites at the end of each chapter; discussion points for use in class; and separate author and subject indexes.

I'll Take Paris Paige Donner,2016-05-28 Set amidst Paris' timeless beauty, I'll Take Paris is a novel about a journalist's journey into self, love and the true meaning of freedom. Chérie gives up her luscious L.A. life to start fresh once again in Paris, the city of her dreams and where, in her early 20s, she once called home. Her tempestuous decision to pack up in search of new horizons is also in honor of a promise she made herself back in her 20s: If she wasn't married with kids by the time she hit 40, she vowed she would return to the City of Lights and this time really give it her all. With the US economy in shambles and everyone she knows in foreclosure, the late 2000s offer a good excuse for her to honor her vow in search of a new lease on life and gainful employment. Shortly after landing in Paris, Chérie, a film industry veteran and refugee, lands a plum writing assignment for the world-renowned Fodor's guidebook. Her new declared passions, food, wine and the luxury life, are tailor-made for this kind of writing assignment. Before she knows it, Chérie finds herself wining and dining her way through Paris, one of the gastronomic capitals of the world and the country whose wines have written history.

Luckily, for her, it's all on her guidebook writing expense account dime. At the same time she adeptly wrangles a PR consulting job for one of the first boutique hotel chains looking to go green in the city. Chérie is only too pleased to leverage her film industry ties to offer prestigious exposure to the elegant boutique hotels in Western Paris positioning themselves as the pioneer sustainable luxury hotels in Paris. Of course, food and wine aren't the only things that satisfy a woman's hunger. Chérie soon turns her attention with gusto on the assortment of fine men she encounters in this international capital, only too ready to close the chapter on her L.A. ex, the one who was never quite ready to commit. One of the glorious things - besides the intriguing men she encounters - that Chérie learns while exploring Paris through the magnifying glass of travel guidebook writing is that French wines are even better when paired properly with French food. Hence, exquisite food and wine pairings, and by natural selection, exquisite life pairings, become Chérie's guiding principle in her new exciting life adventure that is now Paris, the timeless, enchanting City of Lights.

Called Ryan J. Pemberton, 2015 Called is the heart-breaking, humorous, and refreshingly honest account of one twenty-something's adventure of learning what it means to be called by God an adventure that took him to England, C. S. Lewis's house, and back again and why it was only in the reality of his worst nightmare that he learned what it means to be called.

Timman's Titans Jan Timman, 2016-10-13 The Stories and the Games: Alekhine – Euwe – Botvinnik – Smyslov – Tal - Petrosian – Spassky – Fischer - Karpov – Kasparov For many years Jan Timman was one of the best chess players in the world. He combined his brilliant successes on the board with a passion for writing and meticulously analysing his own games and those of his rivals. Three times he was a World Championship Candidate and in 1993 he played in the final of the FIDE World Championship. In this fascinating book, Jan Timman portrays ten World Chess Champions that played an important role in his life and career. Alexander Alekhine (1892-1946) he never met, but the story of how in Lisbon he bought one of the last chess sets belonging to the fourth World Champion is one of many highlights in this book. Timman has a keen eye for detail and a fabulous memory, and he visibly enjoys sharing his insider views, including many revelations about the great champions. Timman's Titans not only presents a personal view of these chess giants, but is also an evocation of countless fascinating episodes in chess history. Each portrait is completed by a rich selection of illustrative games, annotated in the author's trademark lucid style. Always to the point, sharp and with crystal-clear explanations, Timman shows the highs and lows from the games of the champions, including the most memorable games he himself played against them.
