Making a Fireplace (Classic Reprint) Henry H. Saylor, 2018-02-05 Excerpt from *Making a Fireplace* Has been associated with the race as far back almost as the home itself. At first, Of course, it was as a necessity and the development from that to a luxury has been an exceedingly Slow one extending over the years down to the present time. There are two forms of the Open fire a possible third one, the gas log, being a subject on which the less said the better. We have, therefore, a choice between the Open fireplace designed for wood and the basket grate in which to burn coal, pref erably cannel coal. This latter fuel is not nearly SO well known in this country as in England where the scarcity of wood necessarily makes coal the more com monly used fuel. With our own abun dance Of wood, however, there will per haps be little hesitancy in Choosing the open fireplace rather than the basket. Making a Fireplace Henry H. Saylor, 2015-09-09 In a book of this kind there is no particular need for dwelling at length on the desirability of having a fireplace. That will be taken for granted. It is enough to say that in these days a home can scarcely be considered worthy of the name if it does not contain at least one hearth. There is some inexplicable quality in a wood fire that exerts almost a hypnotic influence upon those who eagerly gather about it. The smoldering glow of the logs induces a calm and introspective mood that banishes all the trivialities and distractions of the day's work and gives one an opportunity to replenish his store of energy for the coming

day.

No Smoke Without Fire Claire S. Lewis, 2020-05-07 You can't run forever... Celeste has been running from her past for seven years. But now her past has found her. But when her high-school boyfriend comes back into her life just as she gains a stalker, she wonders if there's more to the story than she realized. Celeste is determined to discover the truth – but she's about to find out that when you play with fire, you get burned... Perfect for fans of *The Silent Patient*, *Sleep* and *Whisper Man*.

Throne of Fire Addison Moore, 2018-06-27 There are moments in life that define you—more often than not, they are born of tragedy. There are moments in life that eviscerate you—more often than not, that is the blade tragedy wields in an effort to kill your spirit. There are moments in life when everything you thought you knew is turned upside down. Try as you might, you can never right it. There are moments in life when everything you thought you'd have forever disappears, disintegrates right before your very eyes. My world is rearranging itself in the most horrific way. These are my moments. This is my hell. Trouble lies ahead. Be warned. Welcome back to Paragon.

Twenty-seven years later, investigative journalist Philip Dryden - visiting his wife, Laura in hospital - is witness to Maggie's deathbed confession. But some secrets are best kept secret, and

what started out for Dryden as a small and curious story about the only survivor of an almost-forgotten plane crash soon escalates into a full-blown murder investigation. Into the Fire Suzanne Brockmann, 2008-07-22 Suspense doesn't burn any brighter and desire doesn't run any deeper than when Suzanne Brockmann takes the helm, opens the throttle, and takes readers along for a breathless ride as she breaks the thrill barrier—again and again. With *Into the Fire*, Brockmann lights the fuse on her most explosive story yet. Vinh Murphy—ex-Marine and onetime operative for the elite security firm Troubleshooters Incorporated—has been MIA ever since his wife, Angelina, was caught in a crossfire and killed during what should have been a routine bodyguard assignment. Overcome with grief, Murphy blames the neo-Nazi group known as the Freedom Network for her death. Now, years later, Freedom Network leader Tim Ebersole has been murdered—and the FBI suspects Murphy may have pulled the trigger. To prevent further bloodshed, Murphy's friends at Troubleshooters scramble to find him and convince him to surrender peacefully. Murphy himself can't be sure what he did or didn't do during the years he spent mourning and lost in an alcohol-induced fog. He does know he occasionally sought solace from Hannah Whitfield, a former police officer and the very friend who'd introduced him to his beloved late wife. But Hannah, still grappling with the deafness that resulted from an injury sustained while on duty, was fighting her own battles. For years Hannah had feelings for Murphy, and one painful night their suffering brought them together in a way neither expected—and both regretted. Murphy is ready to rejoin the living. As always, he finds himself knocking on Hannah's door, and as always, his longtime friend welcomes him back into her home. Yet even as Murphy slowly rebuilds his splintered life, he continues to fight his growing feelings for Hannah. Then he learns of Ebersole's murder and comes to believe that the Freedom Network has targeted him—and Hannah—to avenge their leader's death to violence. Now Murphy must face the terrifying prospect of losing another woman he loves. As the Troubleshooters desperately search for him, Murphy races toward a deadly confrontation with the Freedom Network and ultimate choice: surrender his life in hopes that Hannah will be spared, or risk everything to salvage whatever future they may have together.

Boston Fire Collection Volume 1 Shannon Stacey, 2018-03-12 Meet the men of Boston Fire in three smoking hot firefighter romances by New York Times bestselling author Shannon Stacey! *Heat Exchange* Lydia Kincaid left Boston to get away from the firefighting community—her father was a firefighter, her brother's a firefighter and, more importantly, her ex is a firefighter. But her father needs her help and soon, Lydia finds it hard to resist the familiar comfort—and even harder to resist her brother's handsome friend Aidan. Aidan Hunt is a firefighter because of the Kincaid family. He's had the hots for Lydia for years, but if ever a woman was off-limits to him it's her. As Aidan and Lydia's flirtation turns into something more serious, Lydia knows she should be planning her escape. And Aidan can't imagine walking away from Boston Fire—even for Lydia. He fights fires, dates beautiful women, and has great friends. And thanks to helping out the elderly couple who own his building, his rent is low. But when concerns about their health lead him to meet their granddaughter, life starts getting away from him. *Jessica* Broussard was unprepared for Boston's frigid winter and the hot, scruffy firefighter who lives upstairs from her grandparents. At first, Jessica is determined to get back to her comfortable life as quickly as possible. All she has to do is talk her grandparents into selling their monstrosity of a house and moving to a retirement community. But she underestimates Rick's dedication—and his considerable charm. *Fully Ignited* When Jamie Rutherford takes a temporary assignment as lieutenant of Boston Fire's Engine 59, she doesn't anticipate any problems. She's fairly new to Boston, she knows how to make any firehouse her home. What she's not prepared for is her reaction to firefighter Scott Kincaid. Scott is looking for a wife. It's been a fun ride as a single guy, but he's tired of being the third wheel, and nearly losing his brother-in-law finally made him realize just how much he wants a family of his own. Hooking up with a fellow firefighter has never been part of Jamie's plan, but she's tempted by Scott—even though getting involved with him could tarnish the reputation she's worked so hard for. And Scott can't stop thinking about Jamie, despite the fact that she's his superior and not sticking around.
