Andrew and the Secret Gallery ,2007-09 A story collection with unforgettable characters and a poetic sensibility.

Rogues' Gallery Michael Gross,2010-05-11 "Behind almost every painting is a fortune and behind that a sin or a crime." With these words as a starting point, Michael Gross, leading chronicler of the American rich, begins the first independent, unauthorized look at the saga of the nation's greatest museum, the Metropolitan Museum of Art. In this endlessly entertaining follow-up to his bestselling social history *740 Park*, Gross pulls back the shades of secrecy that have long shrouded the upper class's cultural and philanthropic ambitions and maneuvers. And he paints a revealing portrait of a previously hidden face of American wealth and power. The Metropolitan, Gross writes, "is a huge alchemical experiment, turning the worst of man's attributes—extravagance, lust, gluttony, acquisitiveness, envy, avarice, greed, egotism, and pride—into the very best, transmuting deadly sins into priceless treasure." The book covers the entire 138-year history of the Met, focusing on the museum's most colorful characters. Opening with the lame-duck director Philippe de Montebello, the museum's longest-serving leader who finally stepped down in 2008, *Rogues' Gallery* then goes back to the very beginning, highlighting, among many others: the first director, Luigi Palma di Cesnola, an Italian-born epic phony, whose legacy is a trove of plundered ancient relics, some of which remain on display today; John Pierpont Morgan,

the greatest capitalist and art collector of his day, who turned the museum from the plaything of a handful of rich amateurs into a professional operation dedicated, sort of, to the public good; John D. Rockefeller Jr., who never served the Met in any official capacity but who, during the Great Depression, proved the only man willing and rich enough to be its benefactor, which made him its behind-the-scenes puppeteer; the controversial Thomas Hoving, whose tenure as director during the sixties and seventies revolutionized museums around the world but left the Met in chaos; and Jane Engelhard and Annette de la Renta, a mother-daughter trustee tag team whose stories will astonish you (think *Casablanca* rewritten by Edith Wharton). With a supporting cast that includes artists, forgers, and looters, financial geniuses and scoundrels, museum officers (like its chairman Arthur Amory Houghton, head of Corning Glass, who once ripped apart a priceless and ancient Islamic book in order to sell it off piecemeal), trustees (like Jayne Wrightsman, the Hollywood party girl turned society grand dame), curators (like the aging Dietrich von Bothmer, a refugee from Nazi Germany with a Bronze Star for heroism whose greatest acquisitions turned out to be looted), and donors (like Irwin Untermyer, whose collecting obsession drove his wife and children to suicide), and with cameo appearances by everyone from Vogue editors Anna Wintour and Diana Vreeland to Sex Pistols front man Johnny Rotten, *Rogues' Gallery* is a rich, satisfying, alternately hilarious and horrifying look at America's upper class, and what is perhaps its greatest

creation.

PostSecret Frank Warren, 2005-11-29 The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative. It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them graphic haiku, beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully

intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

Andrew and the Secret Gallery Marina Valentina, Matthew Diggins, 2008-01-01 Andrew is the rottenest kid anyone has ever met. And, worst of all, he never heeds any warnings or listens to anyone's advice. On a class trip to the natural history museum, he finally gets himself into a situation that he cannot escape and cannot undo.

The Secret Art of Dr. Seuss Audrey Geisel, 1995-10-03 These fabulous, whimsical paintings, created for his own pleasure and never shown to the public, show Geisel (a.k.a. Dr. Seuss) in a whole new light. Depicting outlandish creatures in otherworldly settings, the paintings use a dazzling rainbow of hues not seen in the primary-color palette of his books for children, and exhibit a sophisticated and often quite unrestrained side of the artist. 65 color illustrations.

The Hidden Gallery Maryrose Wood, 2015-04-21 Fifteen-year-old Miss Penelope Lumley, a governess trained at the Swanburne Academy for Poor Bright Females, takes the three Incurable Children of Ashton Place to London, England, and learns they are under a curse.

adoration for a man she has never met; or seen; or known. Despite being an obedient daughter, Mary also has a secret; something she keeps hidden deep within the woods beside her family's old order farm. Johnathan, the handsome son of a local shop owner inadvertently discovers her secret. Driven by curiosity and infatuation, he insists on sharing in her clandestine activities. Fearing she might be discovered, she reluctantly agrees. Mary never wanted to fall in love with an Englishman; to risk losing the only life she's ever known. Yet she lacks the strength to protect her innocent heart from those powerful emotions. Can their impossible love survive the storm that they will soon be required to endure?

The Art and Films of Lynn Hershman Leeson Meredith Tromble, Lynn Hershman, Kyle Stephan, 2005-12-05 Contents of accompanying DVD-ROM on p. 221 of text.

Secret Victorians Melissa E. Feldman, Ingrid Schaffner, South Bank Centre, 1998 Work by contemporary artists from the U.S. and the U.K. that evokes a Victorian sensibility. The essays look at parallels between the two periods: turn-of-the-century anxiety, intellectual curiosity, consumerism, a preoccupation with sex and morality, an infatuation with new technology.

Nour's Secret Library Wafa' Tarnowska, 2022-03-29 Forced to take shelter when their Syrian city is plagued with bombings, young Nour and her cousin

begin to bravely build a secret underground library. Based on the author's own life experience and inspired by a true story, Nour's Secret Library is about the power of books to heal, transport and create safe spaces during difficult times. Illustrations by Romanian artist Vali Mintzi superimpose the colorful world the children construct over black-and-white charcoal depictions of the battered city.

Our Man in Paris John Lichfield,2012-03-30 Since 1997 John Lichfield, The Independent's correspondent in France, has been sending dispatches back to the newspaper in London. More than transient news stories, the popular 'Our Man in Paris' series consists of essays on all things French. Sometimes serious, at other times light-hearted, they offer varied vignettes of life in the hexagone and trace the author's evolving relationship with his adopted country. Many of Lichfield's themes concern the mysteries of Paris and its people. Who is responsible for the city's extraordinary plumbing? How can you drive around the Arc de Triomphe and survive? He also ponders the phenomena that intrigue many foreigners, such as the eloquence of the capital's beggars and the identity of the intimidating but fast disappearing concierge. Visiting places as different as the Musée d'Orsay and Disneyland, he explores culture high and low as well as the everyday pleasures and problems of living in Paris.

Hilma Af Klint Sue Cramer,Nicholas Chambers,2021-06-25 Hidden from view for

decades, the work of Hilma af Klint (1862-1944) has captured the imagination of contemporary audiences. She is now widely regarded as a pioneer of twentieth-century abstract art. Her paintings are monumental in scale, with radiant color combinations, enigmatic symbols, and otherworldly shapes. In an era of limited creative freedom for women, her secret paintings were an outlet for her prodigious intelligence, spiritual quest, and groundbreaking artistic vision. *Hilma af Klint: The Secret Paintings* includes over 125 artworks, ranging from enormous canvasses to small watercolors; pages from her detailed notebooks; and a selection of photographs and other images. Five essays and an illustrated chronology reveal new research on af Klint, her practice, and her place in art history.

Rogues' Gallery Philip Hook, 2017-10-31 Here for the first time is the history of art dealers, those extraordinary men and woman who, over centuries (and almost entirely out of the public eye), built their profession on a singular skill: identifying the intangible but infinitely desirable qualities that characterize the greatest works of art—and finding clients for whom those qualities are irresistible. Philip Hook's riveting narrative takes us from the early days of art dealing in Antwerp, where paintings were sold by weight, to the unassailable hauteur of contemporary galleries in New York, London, Paris, and beyond. Along the way, we meet a surprisingly wide-ranging cast of characters—from tailors, spies, and the occasional anarchist to scholars, aristocrats, and connoisseurs, some compelled by greed, some by

their own vision of art—and some by the art of the deal. Among them are Joseph Duveen, who almost single-handedly brought the Old Masters to America; Paul Durand-Ruel, the Impressionists' champion; Daniel-Henry Kahnweiler, high priest of Cubism; Leo Castelli, dealer-midwife to Abstract Expressionism and Pop Art; and Peter Wilson, the charismatic Sotheby's chairman who made a theater of the auction room. Rogues' Gallery bursts with unforgettable anecdotes and astute judgments about art and artists, honed by Hook's more than forty years in the art market—making it essential reading for anyone interested in the hidden history of art.

Rogues' Gallery Michael Gross, 2009 Filled with the juicy details of the lives of the powerful players who made the Metropolitan Museum of Art what it is today, Gross delivers the unauthorized history of America's wealthiest and arguably the world's greatest art museum.
