**The Good Hotel Guide 2003** David Raphael, Caroline Raphael, Desmond Balmer, 2002 For over 25 years the bestselling Good Hotel Guide has been acclaimed as the most accurate, honest and insightful hotel guide on the market. Unlike most of its competitors the GHG is 100% independent. The best way to find a good hotel is by personal recommendation. This guide is just that. It has been fairly described as word-of-mouth in print. Unlike any of its competitors, the quality of reporting and writing has become a byword for excellence in the murky field of hotel guides. No other guide manages to combine information with insight, economical reporting with evocative descriptions, delightful bandbs for the budget conscious with stylish hotels for the comfort conscious. It is annually updated and rewritten with totally accurate entries and information. Every entry must have an individual appeal, as well as offering high customer care and value for money. Whether you are looking for an overnight city stay or a luxurious country break the GHG will save you time and money and deliver the perfect hotel for the occasion.

**Ferguson's Gang - The Maidens behind the Masks** Anna Hutton-North, 2013-07-10 When a group of friends formed 'Ferguson's Gang' they had no idea of the

notoriety their antics would produce. Society was astounded by the daring tricks the Gang used to raise money but these were no common robbers. They presented the booty in the carcass of a goose or wrapped round a cigar; pledging undying support to the National Trust. The Gang passionately fought against the spread of urbanisation and destruction of our English heritage. Their greatest feat was preserving their anonymity; now almost a century later the fascinating story of Ferguson's Gang is finally revealed in this book. It is a world now forgotten; of stately homes with armies of servants. Yet amongst this wealth and splendour lurked a group of rebels. The personal stories of the masked maidens are startling; mixing with Royalty, they belonged to the leading political dynasties and rubbed shoulders with the literary elite. It is no wonder these women kept their identities so heavily concealed.
