*7 Secrets of Shani* Gaurav Arya, 2020-08-05 There is a lot of lack of information about Shani Dev, due to which there is a lot of confusion among the seekers. Lord Shani Dev is called the God of Justice and it is also true that for anyone who needs justice, it is very fruitful to go under the protection of Shani Dev. Through this book, I would like to tell all the seekers, what are the secrets of Shani Dev, which we all need to, understand. And by understanding those secrets, how we can understand to Shani dev properly. In this book, I have tried to throw light on many mysteries, such as why Shani Dev is called Shani, what is the color of Shani Dev and why Shani Dev is considered the God of justice. Generally everyone has read or heard about Shani Dev somewhere. I see that people have less information and more misunderstanding about god Shani dev. Mostly astrologers are making lots of confusion or fear towards the god shani dev, like Sade Sati, Bad position of Shani dev in Birth Chart. Most of people thinking that Shanidev is always going to do punished. I say that Shanidev always supports justice, and destroys injustice. One thing we should keep in mind is that whenever Shani Dev punishes someone, they do so only to complete the account of his deeds. The special kind of secrets that I am trying to reveal through this book, the only purpose is that the seekers and human beings understand their deeds and be ready for the fruit that comes from them and any kind of fallacy that can be made towards Shanidev.

**Whispers of Grace** Shani,2017-10-13 Listen. Can you hear the voice of wisdom whispering in the silence? Poet and spiritual devotee Shani did so as she sat in silence with Shiva at the holy hill of Arunachala in Tamil Nadu. Overtaken by bliss, she wrote poetry in a trance state filled with the spirit of love. Whispers of Grace is the result of Shani's remarkable achievement. Each poem within this collection takes the reader another step down the spiritual path leading to self-discovery and serenity. Written in the style of Rumi, Hafiz, and Kabir, Shani's poems are not of herself; the divine is alive on the pages of her book. She can read and understand his facial gestures, ear movements, and the grunts, groans, and other noises he makes. When he winked at her on the morning of the big family race, she knew he was telling her that he would win first place that day. Would he be the big winner? **Shani Dev Tales** Guru Gaurav Arya, I wrote many books on Lord Shani Dev. One day, I searched the internet for tales on Hindu deities. I have many stories about Lord Krishna, Hanuman Ji, Shiva, and others, but I could not find a book like that. I decided to write a book about Lord Shani Dev's stories and the mythological impacts of Shani. This book is designed for children; with the help of this book, children can easily understand About Lord Shani. Through this book, I want to give a fair message to new ones: Shani dev is not cruel; he always gives the order to be on track with Truth. I provided better images of the stories inside the book. I write many stories of Lord Shani, dev. Some stories are related to my real-life experiences. Some stories are derived from the Veda and Purans.

**Our Fatal Magic** Tai Shani, 2019-12-03 Feminist science fiction that anticipates a post-patriarchal future. Our Fatal Magic is a collection of feminist science fiction by contemporary artist Tai Shani. Foregrounding explorations of sensation, experience, and interiority, these twelve fantastical prose vignettes refract their ideas through a series of curious characters, from Medieval Mystics to Cubes of Flesh, from Sirens to Neanderthal Hermaphrodites. Drawing on the speculative narrative strategies pioneered by writers like Marge Piercy, Octavia Butler and others, Our Fatal Magic metabolizes new and necessary fictions from feminist and queer theory to propose an erotic, often violent space

of critique in which gender constructs are destabilized, alternative histories imagined, and post-patriarchal futures proposed.

Shani's words pull you deep into innate spiritual wisdom. Pages are filled with the richness of truth and act as doorways to self-love. These poetic expressions have been sent to guide us all to truth and enlightenment. Even though exact descriptions of enlightenment are impossible, as it is something deeply felt and not seen, Shani does an excellent job expressing the inexpressible. Through her pages of haiku and art, she hopes that all may be liberated, know truth, and be blessed by love.
