THE FACE SCRATCHER ANURAG S PANDEY,2020-03-24 Dear Friends, This book is collection of 5 short stories. They are unique, thriller and exciting. Those stories can be addressed as Science Fiction for teens, Story of Rebels, Supernatural interactions, mental emergence, paranormal activities etc. You will love the book. – Anurag Pandey Excerpts from stories: Muhnochwa (The face scratcher) Many rumors are spread in the area about Muhnochwa. Someone says Muhnochwa is a human-eater animal. Someone says Muhnochwa is a ghost or monster. Someone says he has seen Muhnochwa. Someone says he has fought with Muhnochwa. But none knows the truth that who the hell is Muhnochwa? From where does he come? And where does he go? Due to Muhnochwa, air of fear and suspiciousness is there in the village. Villagers avoid going out after Sunset. They doubt on each other whether he is Muhnochwa? Police is helpless because they still couldn't catch Muhnochwa. Day by day villagers' fear is increasing... But there was a person in the village who was unafraid of Muhnochwa. He was drinker Sadanand. He remains intoxicated 24 hours. In fact Sadanand is happy with Muhnochwa because due to Muhnochwa, he is getting his wine easily. If some villager has some urgent work outside in night, he sends Sadanand or takes Sadanand with him. And in back Sadanand gets wine. Thus Sadanand was taking benefit from Muhnochwa. But there were some more peoples, who were taking benefit of Muhnochwa. Like Pandit Sahiram; He was afraid of Muhnochwa, but sells 'Muhnochwa safety amulet' to innocent villagers. Like moneylender Dukhram; He begins to take double interest on given loan as 'Muhnochwa risk tax' saying that if the person is killed by Muhnochwa, then his money will be lost. Local thug Gulathi and Lukathi begin to plunder peoples by appearing in Muhnochwa's getup. Police station in-charge Sherkhan too begins to take benefit of Muhnochwa. Sherkhan is too much scared of Muhnochwa. Brave constable Madhaw tries to encourage him. But Sherkhan exits police station in the name of catching Muhnochwa and comes to village with Madhaw. And he starts troubling villagers by demanding chicken, mutton, wine and money saying that he will free them from Muhnochwa's terror. Madhaw heartily wants to catch Muhnochwa. But Sherkhan doesn't allow him to go because Muhnochwa can kill sharekhan in alone. Shivanand 10 years old boy Aditya was in the

crowd at that moment. Shivanand's words had set fire inside him too. Aditya picked a stone and hit the police officer. To see this small rebellion, smile had appeared on Shivanand's bleeding lips. Shivanand says that he won't commit the mistake again, what he had committed 15 years back. He will fight his battle, he will continue his mission, but this time he won't become the hero, he will make the citizens heroes. If there is one hero, he can be ruined easily. But if all citizens become the hero, then none can defeat them. The Truth Sometimes, when he sits for meditation, he feels that something reaches on the back part of his brain by passing through his back bone from lower end and suddenly he feels a flow of some peculiar energy in to his whole body and his flowing existence towards meditation just returns back with a great frustration. Antas Till now Antas had reformed innumerable thieves, goons, loafers, pickpockets, murderers, terrorists... Till now Antas had reformed innumerable corrupt police officers, corrupt public servants and corrupt politicians... and had made them honest, dutiful and loyal to country. Antas' hypnotism was so wonderful that if once someone comes in his clutch; it was quite impossible for him or her to return without reformation! And it was the reason that criminals, corrupt officers and corrupt politicians were scared even of Antas' shadow! Because they were fearful that if once Antas got the chance to hypnotize them, he will reform them. And nobody wants to get reformed! U R MINE...! Joy fears from a lizard but if there is a danger on Julie, he can fight with dinosaur. He can't go alone in darkness but for Julie he can visit the graveyard in no-moon night. He can't face the local baddy but for Julie he can challenge mafia. Yes, he loves Julie... He keeps trying to express his love to Julie but fails. And Julie, she uses to call Joy 'Gogo'. ...Buka can't face the power of monks. And so is with Joy. Buka says to Joy -'I know that you want to rescue Julie from Monks because you love her. And you know that I want to rescue Julie from Monks so that I would take her to jungle and would murder her for my beloved Maya... Later you can try to rescue Julie's life from me, but our initial mission is one -'to rescue Julie from monks'. We can't do it individually because being a ghost, I have limitations, and being a human, you have limitations. But if we are together, we can do it.' Joy agrees.

FEMA Compounding Orders - A Comprehensive Analysis Harshal Bhuta,Hardik Mehta,Tanvi Vora,2021-05-15 About the book The law governing

exchange control aspects of cross border transactions viz. Foreign Exchange Management Act, 1999 along with its Rules and Regulations, is a special and unique statute in itself, which is regulated and administered by Reserve Bank of India ('RBI'). RBI implemented a policy decision in May 2016, to make public disclosure of all compounding orders passed by it. This has offered an ideal opportunity to gain insights into RBI's outlook and interpretation of FEMA, and also the administrative practices adopted by RBI from time to time. The book provides a comprehensive analysis of all the compounding orders published by RBI during the period July 2016 to December 2018, to facilitate FEMA practitioners, companies and other persons undertaking cross-border transactions in understanding the RBI's perspective which is the driving force behind its interpretation and administration of FEMA. Key features of the book · Solitary publication on analysis of RBI compounding orders (covering orders issued upto 31st December 2018) · Coverage of 1268 FEMA compounding orders · Arrangement of compounding orders Notification-wise and Regulation-wise · Handy comparison of erstwhile and revised FEMA Notifications for provisions contravened under the compounding orders · Vital insights into principles applied by RBI while interpreting provisions of FEMA and important notifications · Detailed reporting of nearly 100 compounding orders along with analysis and summary compilation of all remaining orders
