Sir Thursday (The Keys to the Kingdom #4) Garth Nix,2010-07-01 The stellar fourth book in Garth Nix's masterpiece series. The stellar fourth book in Garth Nix's masterpiece series... now in paperback!On the fourth day there was war... Following their adventures in the Border Sea, Arthur and Leaf head for home. But only Leaf gets through the Front Door. Arthur is blocked because someone . . . or something . . . has assumed his identity and is taking over his life. Before Arthur can take action, he is drafted by Sir Thursday and forced to join the Glorious Army of the Architect. While Leaf tries to banish Arthur's doppelganger on earth, Arthur must survive his basic training, avoid getting posted to the Front and work out how he can free Part Four of the Will....

Sir Cumference and the First Round Table Cindy Neuschwander,2013-01-07 Join Sir Cumference, Lady Di of Ameter, and their son Radius for wordplay, puns, and problem solving in this geometry-packed math adventure. King Arthur was a good ruler, but now he needs a good ruler. What would you do if the neighboring kingdom were threatening war? Naturally, you'd call your strongest and bravest knights together to come up with a solution. But when your conference table causes more problems than the threat of your enemy, you need expert help. Enter Sir Cumference, his wife Lady Di of Ameter, and their son Radius. With the help of the carpenter, Geo of Metry, this sharp-minded team designs the perfect table conducive to discussing the perfect plan for peace. The first in Sir Cumference series, Sir Cumference and the First Round Table makes math fun and accessible for everyone.

Sir Simon: Super Scarer Cale Atkinson,2018-09-04 A delightful, funny story of friendship, ghost chores, a spooky house and a professional hunter. Meet Sir Simon, Super Scarer. He's a professional ghost who has been transferred to his first house. And just in time! He was getting tired of haunting bus stops and forests and potatoes. And to top it off, this house is occupied by an old lady -- they're the easiest to haunt! But things don't go as planned when it turns out a KID comes with this old lady. Chester spots Simon immediately and peppers him with questions. Simon is exasperated. . . until he realizes he can trick Chester into doing his ghost chores. Spooky sounds, footsteps in the attic, creaks on the stairs -- these things don't happen on their own, you know! After a long night of haunting, it seems that maybe Chester isn't cut out to be a ghost, so Simon decides to help with Chester's human chores. Turns out Simon isn't cut out for human chores either. But maybe they're both cut out to be friends . . .

Respected Sir, Wedding Song, The Search Naguib Mahfouz,2001-12-04 A new volume of three novels--previously published separately by Anchor--by Naguib Mahfouz, winner of the Nobel Prize in Literature. Together with *The Beggar*, *The Thief and The Dogs*, and *Autumn Quail* (published by Anchor in December 2000), these novels represent a comprehensive collection of Mahfouz's artful meditations on post-revolution Egypt. Diverse in style and narrative technique, they render a nuanced and universally resonant vision of modern life in the Middle East. *Respected Sir*, "a latter-day Bleak House in Arabic" (The New York Times), revisits a familiar theme--vaulting ambition--in a powerful and religious metaphor. *Wedding Song*, "one of Mahfouz's most enjoyable works" (The Chicago Tribune), is a psychological drama, focusing on how four very different kinds of minds apprehend and reckon with the realities that surround them. *The Search* is a powerful, lurid, and compelling story of lust, greed, and murder.

Accomplishment Michael Barber,2021-04-01 'Excellent . . . reveals that high accomplishment has a signature pattern that reoccurs from sport to politics to business to government' Matthew Syed There is no secret formula for success, especially when tackling a new challenge. But what if there were a pattern you could follow? A way of mapping the route and navigating the obstacles that arise? Michael Barber has spent many years advising governments, businesses and major sporting teams around the world on how to achieve ambitious goals on time. Drawing on stories of historic visionaries and modern heroes - from Mary Fischer and Rosa Parks to Paula Radcliffe and Gareth Southgate - Barber presents a unique combination of personal anecdote, historical evidence and interviews from inspirational figures to unpack the route to success.

Sir Apropos of Nothing Peter David,2001-10-26 The result of the midnight rape of a tavern wench, Apropos is an unlikely hero: rogue, rascal, scoundrel, cheat -- and those are his good points. Lame but cunning, he thinks that chivalry is not dead simply because he isn't finished with it.All too aware of his violent and unseemly beginnings, Apropos travels to the court of the good King Runcible with three goals: to find his father, seek retribution, and line his pockets. Instead he finds himself assigned as squire to the most senile knight in the court, Sir Umbrage of the Flaming Nether Regions. When he also encounters a berserk phoenix, murderous unicorns, mutated harpies, homicidal warrior kings, and a princess who may be a psychotic arsonist, Apropos must use all his wits -- and his flashing blade -- to survive.

The Life and Times of Sir Thomas Malory P. J. C. Field,1999 This volume constitutes a search for the identity of Malory, author of the *Morte Darthur*. Field considers all arguments and gives an account of the life of the man identified, setting him in his historical context.

Sir: the Awakening D. L. Hess,2017-09-25 It's becoming fast apparent that the only way I'm going to be able to stay away from a certain diner waitress is if she orders me away. . . Even then, it's going to be difficult to stay away.Hollywood heartthrob Nate Stone returns to his south Louisiana hometown to direct his first movie, but once he gets there all he can think about is the pretty waitress at the local diner. Tori Wilson knows that the smoking hot actor-turned-director will stop at nothing to get her into his bed, but he can only offer her a short affair-and he's asking for a lot more than simple sex. Tori has never wanted anyone as badly as she wants Nate, but is she willing to let him take control when she's already been burned before? And if she submits to his commands, will he dominate her heart?Nate Stone leaves devastation in his wake. When he walks away from me the last time, I'll be a different person than I was before I met him. It would be smart of me to end it here and now, but god help me, I'm in too deep already and the only way this will end is when he leaves me for good, crushed and alone. I can't stop it and I won't--I'll continue to fall with only the hope that there will be something left of my heart on the other side. Even so, I want everything he can give me. . .

Sir Kenyatta A. C. Hinkle,2019 Poetry. Literary Nonfiction. African & African American Studies. SIR intertwines the geographical and historical implications of race relations in Louisville, KY from the late 1800s to the present day. Through this lens, Hinkle meditates on motherhood, the Black male body and contextualizing geographies in relationship to her brother, an African-American man whose first name is Sir. Hinkle's mother named her brother Sir so that everybody would have to address him with a title of respect regardless of the power relations he would encounter as a Black man living in a turbulent and racially liminal Kentucky. SIR is a means to interrogate and uncover the following: the efficacy of naming and its position within the African Diaspora, intersections of selfhood and cultural belonging, constructions of gender and race, and the complicated layers of social geography and family history. SIR sears, a hard, multigenre memoir that--I had to remind myself--is no

elegy. Or at least not for Sir, who lives uneasily with this book and his name. What visual artist and writer Kenyatta A.C. Hinkle mourns here are the Black lives that have been constrained or taken by white supremacy. The reality of that violence stalks every page of this powerful and trenchant debut, making it urgent that we understand what makes a family hope a name can act as magic word, as blessing, as demand for respect. SIR. SIR. SIR.--Douglas Kearny In Kenyata A.C. Hinkle's SIR we are introduced to an incredible remix: part family narrative, part ethnography, part material ephemera, part eavesdrop, and all fire! SIR delves into the inner depths of intergenerational motherhood, manhood, and what it means to raise-up and grow-up Black in America. An elongated meditation on the power, risk, and surge of naming; SIR is a timely and necessary intervention into how we conceive of ourselves in the context of a society that insists on telling us who we are.--Matthew Shenoda

The Return of Sir Percival S. Alexander O'Keefe,2016-09-06 Named to Kirkus Reviews' Best Books of 2016 A Tale of the Last Knight of the Round Table Seven years after the death of Arthur Pendragon, Sir Percival, the last surviving knight of the Round Table, returns to Albion after a long and futile quest for the Holy Grail. The peaceful and prosperous home that he left a decade earlier is no more. Camelot has fallen, and much of the Pendragon's kingdom has been subjugated by the evil Morgana and the Norse invaders who once served under her banner. Although the knight desires only to return to his ancestral lands and to live in peace, he vows to pursue one last quest before he rests—to find Guinevere, the Queen of the Britons. This journey will force the knight to travel the length and breadth of Albion, to overcome the most fearsome and cunning of enemies, and to embrace a past that is both painful and magnificent. The Return of Sir Percival is the tale of a knight who seeks peace, but finds only war, of a Queen who has borne sorrow and defeat, but who will not yield, and of a valiant people determined to cast off the yoke of their oppressors. It is also a tale of tragedy and triumph, and of romance lost and then found. The unique vision of the Arthurian world brought to life in S. Alexander O'Keefe's The Return of Sir Percival takes readers on a journey that is as enthralling as it is memorable.

Sir Scallywag and the Golden Underpants Giles Andreae,2014-08-28 When King Colin's golden pants go missing, he calls for Sir Scallywag, the bravest knight in the land. But . . . Sir Scallywag is only 6 years old and with an evil giant to pursue, it's nearly mission impossible! Luckily, it's a story of David and Goliath. With his trusted steed Doofus at his side, Sir Scallywag proves that even the unlikeliest hero can be the bravest knight of all.

To Sir, with Love Lauren Layne,2021-06-29 Love Is Blind meets You've Got Mail in this laugh-out-loud romantic comedy following two thirty-somethings who meet on a blind dating app—only to realize that their online chemistry is nothing compared to their offline rivalry. Perpetually cheerful and eager to please, Gracie Cooper strives to make the best out of every situation. So when her father dies just months after a lung cancer diagnosis, she sets aside her dreams of pursuing her passion for art to take over his Midtown Manhattan champagne shop. She soon finds out that the store's profit margins are being squeezed perilously tight, and complicating matters further, a giant corporation headed by the impossibly handsome, but irritatingly arrogant Sebastian Andrews is proposing a buyout. But Gracie can't bear the thought of throwing away her father's dream like she did her own. Overwhelmed and not wanting to admit to her friends or family that she's having second thoughts about the shop, Gracie seeks advice and solace from someone she's never met—the faceless “Sir”, with whom she connected on a blind dating app where matches get to know each other through messages and common interests before exchanging real names or photos. But although Gracie finds herself slowly falling for Sir online, she has no idea she's already met him in real life...and they can't stand each other.
