Around Africa On My Bicycle Riaan Manser,2010-09-13 In a world first, almost incredibly, Riaan Manser rode a bicycle right around the continent of Africa. It took him two years, two months and fifteen days. He rode 36 500 kilometres through 34 different countries. In *Around Africa on my Bicycle*, Manser tells the story of this epic journey. It is a story of blood, sweat, toil and tears. It is a story of triumph and occasional disaster. Of nights out under the stars, of searing heat and rain, of endless miles of Africa and of pressing on and never surrendering whatever the odds. Mostly however it is the story of one man's courage and determination to escape the mundane and see the continent he loves and feels so much a part of. It is a story of the human warmth he encounters, and occasionally human wrath and hostility as he crosses troubled countries and borders.

Me and My Bike Donato Cinicolo,2013-09-05 Around the world it is estimated that 130 million bicycles are sold every year, making the trusty bike our favourite mode of transport whether we are commuting to work or cycling for pleasure. Bikes come in all shapes and sizes, from the most basic, least expensive models to the most sophisticated sports cycles that can cost as much as a family car. But whether it was bought cheaply or cost a packet, people form a bond with their bikes that becomes a true affair of the heart. Donato Cinicolo has sought out and photographed scores of bicycle lovers including the naturist stuntman who rides a ladies' racer dressed in nothing but fluorescent yellow shorts; the retired postman who rides a retired GPO delivery bike; the old lady who carries her enormous cat in the basket on her handlebars; and the penny farthing fan. From racing geeks to affectionate collectors, every one of Donato's pictures tells a story and, of course, every devoted bike rider has a story to tell.
