Blown Francine Mathews,2006-06-27 Former CIA analyst Francine Mathews has created "one of the toughest female secret agents we've seen in a long time."* Using her firsthand expertise of international espionage, Mathews offers another brilliantly realized suspense novel so intense, so authentic, it lethally blurs the line between fact and fiction. In Blown, Caroline Carmichael returns in a white-hot tale of terror on the streets of Washington, where one woman must gamble her life to save her country. As thousands of runners line up for the Marine Corps Marathon in Washington, D.C., no one suspects that in a matter of hours the event will become a race between life and death. CIA analyst Caroline Carmichael is about to tender her resignation, when the first reports of a terrorist attack pour in-and she instantly recognizes the hand of an enemy she's battled for years: the 30 April Organization. The neo-Nazi group is alive and well and operating in the United States, assassinating top officials and abducting a vulnerable child from the front ranks of a state funeral. When Caroline's husband, Eric, is arrested in Germany as a 30 April operative, Caroline has no

choice but to take to the streets—and target the evil herself. Eric has worked as a “legend” for years—a false identity so perfect, the CIA believes he’s dead—and gone deep undercover within the terrorist group Caroline is determined to destroy. Now his cover’s been blown, and Eric’s intimate knowledge of 30 April’s plans makes him a target for both sides: the killers he’s betrayed, and the American government he’s sworn to protect. Torn between a desire to save her husband and her duty to save her country, Caroline is drawn back into a treacherous labyrinth where trusting others is as good as suicide. For the enemy this time wears a familiar face: that of an American patriot, waving his flag alongside his gun. To stem disaster, Caroline has only one choice: to betray everyone in which she believes—or everyone she loves. For an agent without cover—an agent who’s blown—is worse than betrayed: she’s as good as dead.

The Manchurian Candidate Richard Condon, 2013-11-25 The classic thriller about a hostile foreign power infiltrating American politics: “Brilliant . . . wild and exhilarating.” —The New Yorker A war hero and the recipient of the Congressional Medal of Honor, Sgt. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors’ signal. Now he’s been returned to the United States with a covert mission: to kill a candidate running for US president . . . This “shocking, tense” and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). “Crammed with suspense.” —Chicago Tribune “Condon is wickedly skillful.” —Time

The Folded Clock Heidi Julavits, 2016-03-08 A New York Times Notable Book Rereading her childhood diaries, Heidi Julavits hoped to find incontrovertible proof that she was always destined to be a writer. Instead, they “revealed me to possess the mind of a phobic tax auditor.” Thus was born a desire to try again, to chronicle her daily life—now as a forty-something woman, wife, mother, and writer. A meditation on time and self, youth and aging, friendship and romance, faith and fate, and art and ambition, in *The Folded Clock* one of the most gifted prose stylists in American letters explodes the typically confessional diary form with her trademark humor, honesty, and searing intelligence.

The Diviner Brynne Weaver, 2021-03-20 Quinn has a rare and powerful gift, one that manifested from the rage and trauma of her harrowing childhood. Years later, the anger she can't let go of makes her an unpredictable and dangerous weapon of last resort for a kingdom on the brink of war. Diviners like Quinn are venerated yet feared, protected yet exploited. Bonded to the Queen, they are

forced to endure hardship and sacrifice to protect her empire. After a near loss in a key battle and the death of the Diviner of Fire, the Queen calls for aid from the elite soldiers of the allied territories to the East. A striking warrior named Kiran is assigned to protect and train Quinn, and as the pair become close despite the rules that bind them, they discover that the enemies within are just as dangerous as the ones at the gates. Time is running out for Quinn to harness her power. The enemy is closing in around them. Impossible sacrifices haunt every decision Quinn makes. As she fights to keep what little she's claimed as hers, Quinn learns that her destiny might not lie in the hands of fates or kingdoms, but in her own. Praise for *The Diviner* *The Diviner* is a wonderfully immersive fantasy set in a carefully crafted magical world and is as much a deeply emotional love story as a suspenseful adventure. The slow burn became an inferno. - W.D. Henning, author of *Paradise Blight* and *Dark Fall* *The Diviner* is intricately written, and not like any fantasy story you've read before. This book will get you hooked and you'll build special connections with the characters... (you'll) love Quinn of course, but you'll also fall in love with Kiran, Skye, Adri, and Rolfe. *The Diviner* is worth the read - every second you spend on it is not wasted. - Aina Untalan, author of *Exes and Ohs* Quinn is an actual badass instead of being a damsel in distress, which I hardly ever get to see in books. - Court of Miracles Awards (Finalist) Fans of fantasy romance series like *From Blood And Ash* and *A Discovery of Witches* will love *The Diviner*. - D. The Brand Innovation Manifesto John Grant, 2006-05-12 The days of the image brands are over, and 'new marketing' has gone mainstream. The world's biggest companies are pursuing a post-advertising strategy, moving away from advertising and investing in leading edge alternatives. In the vanguard of the revolution has been John Grant, co-founder of the legendary agency St. Luke's and author of *The New Marketing Manifesto*, whose radical thinking has informed a generation. Now Grant is set to stun the industry again. In *The Brand Innovation Manifesto*, he redefines the nature of brands, showing why old models and scales no longer work and revealing that the key to success today is impacting people's lifestyles (think Starbucks, iPod and eBay). At the heart of the book is the concept of the 'brand molecule' to which new cultural ideas can be constantly added to keep pace with change. Cataloguing 32 classes of idea, Grant presents a practical approach to mixing and matching them within your own market to develop new brand ideas - and new ideas for existing brands.

Beguiled by Night Nicole Eigener, 2020-10-31 LOUIS DE VAUQUELIN is an ancient French vampire living in modern-day Los Angeles. His life in self-imposed exile has become peaceful and relatively carefree until time suddenly begins to unravel, forcing him to navigate the already chartered waters of his past. Vauquelin fumbles his way through history in reverse, ripping the scabs off of old wounds and mourning the loss of his future past joys, all the while attempting to keep certain skeletons firmly locked in their closets where they belong. But the past has a way of making its presence known, especially when one is reliving it. Vauquelin's mundane modern L.A. existence is systematically erased, compelling him to confront all his missteps over the last three centuries and acknowledge his defeats. As he regresses through time, he surrenders to his brutal nature and faces an unexpected choice that could alter his life completely, and in turn, extinguish the only true happiness he ever knew. *BEGUILED BY NIGHT* is a complex tapestry of time, horror, and beauty deftly woven with gore and redemption, returning the vampire genre to its proper roots of elegant violence.
