*Command Of The Air* General Giulio Douhet,2014-08-15 In the pantheon of air power spokesmen, Giulio Douhet holds center stage. His writings, more often cited than perhaps actually read, appear as excerpts and aphorisms in the writings of numerous other air power spokesmen, advocates-and critics. Though a highly controversial figure, the very controversy that surrounds him offers to us a testimonial of the value and depth of his work, and the need for airmen today to become familiar with his thought. The progressive development of air power to the point where, today, it is more correct to refer to aerospace power has not outdated the notions of Douhet in the slightest In fact, in many ways, the kinds of technological capabilities that we enjoy as a global air power provider attest to the breadth of his vision. Douhet, together with Hugh “Boom” Trenchard of Great Britain and William “Billy” Mitchell of the United States, is justly recognized as one of the three great spokesmen of the early air power era. This reprint is offered in the spirit of continuing the dialogue that Douhet himself so perceptively began with the first edition of this book, published in 1921. Readers may well find much that they disagree with in this book, but also much that is of enduring value. The vital necessity of Douhet’s central vision-that command of the air is all important in modern warfare-has been proven throughout the history of wars in this century, from the fighting over the Somme to the air war over Kuwait and Iraq.

*The Days of Anna Madrigal* Armistead Maupin,2014-01-21 Inspiration for the Netflix Limited Series, *Tales of the City* The ninth novel in the beloved *Tales of the City* series, Armistead Maupin’s best-selling San Francisco saga. *The Days of Anna Madrigal*, the suspenseful, comic, and touching novel, follows one of modern literature’s most unforgettable and enduring characters—Anna Madrigal, the legendary transgender landlady of 28 Barbary Lane—as she embarks on a road trip that will take her deep into her past. Now ninety-two, and committed to the notion of “leaving like a lady,” Mrs. Madrigal has seemingly found peace with her “logical family” in San Francisco: her devoted young caretaker Jake Greenleaf; her former tenant Brian Hawkins and his daughter Shawna; and Michael Tolliver and Mary Ann Singleton, who have known and loved Anna for nearly four decades. Some members of Anna’s family are bound for the otherworldly landscape of Burning Man, the art community in Nevada’s Black Rock Desert where 60,000 revelers gather to construct a city designed to last only one week. Anna herself has another destination in mind: a lonely stretch of road outside of

Winnemucca where the 16-year-old boy she once was ran away from the whorehouse he called home. With Brian and his beat-up RV, she journeys into the dusty troubled heart of her Depression childhood to unearth a lifetime of secrets and dreams and attend to unfinished business she has long avoided.

**With a Little Help** Cory Doctorow,2015-07-16 With a Little Help is my first serious experiment in self-publishing. I've published many novels, short story collections, books of essays and so on with publishers, and it's all been very good and satisfying and educational and so on, but it seems like it's time to try something new. With a Little Help consists of 12 stories, all reprints except for Epoch (commissioned by Mark Shuttleworth).

*Against the Day* Thomas Pynchon,2012-06-13 A New York Times Notable Book of the Year, a Washington Post Best Book of the Year Spanning the era between the Chicago World's Fair of 1893 and the years just after World War I, and constantly moving between locations across the globe (and to a few places not strictly speaking on the map at all), *Against the Day* unfolds with a phantasmagoria of characters that includes anarchists, balloonists, gamblers, drug enthusiasts, mathematicians, mad scientists, shamans, spies, and hired guns. As an era of uncertainty comes crashing down around their ears and an unpredictable future commences, these folks are mostly just trying to pursue their lives. Sometimes they manage to catch up; sometimes it's their lives that pursue them.

Stone Junction Jim Dodge,2004-01-31 When Daniel's mother dies, he is brought under the protection of the AMO: the Alliance of Magicians and Outlaws. It is an introduction to a world of revenge, revolution and mind-bending chemicals, where anarchists, alchemists and high-stake gamblers co-exist. It is a place in which magic and murder are the norm. So begins an extraordinary quest for knowledge and understanding in this unforgettable outlaw classic.

**Hoosiers and the American Story** Madison, James H.,Sandweiss, Lee Ann,2014-10-01 A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements,

political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

**Stormdancer** Jay Kristoff, 2012-09-18 The first in an epic new fantasy series, introducing an unforgettable new heroine and a stunningly original dystopian steampunk world with a flavor of feudal Japan. **A DYING LAND** The Shima Imperium verges on the brink of environmental collapse; an island nation once rich in tradition and myth, now decimated by clockwork industrialization and the machine-worshippers of the Lotus Guild. The skies are red as blood, the land is choked with toxic pollution, and the great spirit animals that once roamed its wilds have departed forever. **AN IMPOSSIBLE QUEST** The hunters of Shima's imperial court are charged by their Shogun to capture a thunder tiger – a legendary creature, half-eagle, half-tiger. But any fool knows the beasts have been extinct for more than a century, and the price of failing the Shogun is death. **A HIDDEN GIFT** Yukiko is a child of the Fox clan, possessed of a talent that if discovered, would see her executed by the Lotus Guild. Accompanying her father on the Shogun's hunt, she finds herself stranded: a young woman alone in Shima's last wilderness, with only a furious, crippled thunder tiger for company. Even though she can hear his thoughts, even though she saved his life, all she knows for certain is he'd rather see her dead than help her. But together, the pair will form an indomitable friendship, and rise to challenge the might of an empire.

**Reminiscences of Two Years with the Colored Troops** Joshua Melancthon Addeman, 1880

**The Unvanquished** Patrick K. O'Donnell, 2024-05-07 From the bestselling author of *The Indispensables*, the unknown and dramatic story of irregular guerrilla warfare that altered the course of the Civil War and inspired the origins of America's modern special operations forces. The Civil War is most remembered for the grand battles that have come to define it: Gettysburg, Antietam, Shiloh, among others. However, as bestselling author Patrick K. O'Donnell reveals in *The Unvanquished*, a vital shadow war raged amid and away from the major battlefields that was in many ways equally consequential to the conflict's outcome. At the heart of this groundbreaking narrative is the epic story of Lincoln's special forces, the Jessie Scouts, told in its entirety for the first time. In a contest fought between irregular units, the Scouts hunted John Singleton Mosby's Confederate Rangers from the middle of 1863 up to war's end at Appomattox. With both sides employing pioneering tradecraft, they engaged in dozens of raids and spy missions,

often perilously wearing the other's uniform, risking penalty of death if captured. Clashing violently on horseback, the unconventional units attacked critical supply lines, often capturing or killing high-value targets. North and South deployed special operations that could have changed the war's direction in 1864, and crucially during the Appomattox Campaign, Jessie Scouts led the Union Army to a final victory. They later engaged in a history-altering proxy war against France in Mexico, earning seven Medals of Honor; many Scouts mysteriously disappeared during that conflict, taking their stories to their graves. An expert on special operations, O'Donnell transports readers into the action, immersing them in vivid battle scenes from previously unpublished firsthand accounts. He introduces indelible characters such as Scout Archibald Rowand; Scout leader Richard Blazer; Mosby, the master of guerrilla warfare; and enslaved spy Thomas Laws. O'Donnell also brings to light the Confederate Secret Service's covert efforts to deliver the 1864 election to Peace Democrats through ballot fraud, election interference, and attempts to destabilize a population fatigued by a seemingly forever war. Most audaciously, the Secret Service and Mosby's Rangers planned to kidnap Abraham Lincoln in order to maintain the South's independence. A little-known chronicle of the shadow war between North and South, rich in action and offering original perspective on history, *The Unvanquished* is a dynamic and essential addition to the literature of the Civil War.

*A Letter Book* George Saintsbury, 1922

**Hell's Angels** Hunter S. Thompson, 2012-08-01 Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. “California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again.” Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, “For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work.”

As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

*The Book of Ninja* Antony Cummins, 2013-10-03 The first complete translation of the ultimate Ninja manual—a comprehensive guide to the arts of the ninja, including espionage, warfare, assassination, and more In 1676, a ninja named Fujibayashi collected and combined information from the ninja clans of Iga—regarded to be the homeland of the ninja—and compiled it into an authoritative book. Known as *The Bansenhukai*, Fujibayashi's book has now been translated into English by the Historical Ninjutsu Research Team and is widely considered to be the 'bible' of ninjutsu, the arts of the ninja. *The Book of Ninja* begins with an in-depth introduction to the history of Fujibayashi's scripture. The teachings themselves, appealingly rendered in this translation, then take us into the secrets of guerrilla warfare and espionage. We learn how to become the ultimate spy, whether through a network of spies or by hiding in plain sight. Through the stealth and concealment tactics of night-time infiltration, through weapon and tool building skills, and through mission planning, we can learn much both about warfare and about adopting the right mindset for tackling our own inner and outer enemies. Adding to the mix for the spycraft lover, there are sections on capturing criminals, performing night raids, making secret codes and signs, and even techniques for predicting the weather, and using an esoteric Buddhist system of divination. An exciting and engaging tome of lost knowledge, *The Book of Ninja* is the final say in the world of the ninja and the ultimate classic for samurai and ninja enthusiasts alike.

*Traitor's Blade* Sebastien de Castell, 2014-02-10 When every noble is a tyrant and every knight is a thug, the only thing you can really trust is a traitor's blade. *The Three Musketeers* meets Joe Abercrombie via Mark Lawrence: 'Guaranteed to increase household swashbuckling by 100%,' says Library Journal *The Greatcoats* - legendary heroes, arbiters of justice . . . or notorious traitors? *The Greatcoats* are travelling magistrates bringing justice to all . . . or at least they were, before they watched the Dukes impale their King's head on a spike. Now the land's heroes are reviled as traitors, their *Greatcoats* in tatters. 'One hell of a good book' - Conn Iggulden, author of the Sunday Times Top Five bestseller *The Gates of Athens* *Facio*, Kest and Brasti have been reduced to working as mercenaries, but when they find their employer dead - and are forced to watch as the killer plants evidence framing them for the murder - they realise things are about to get even worse. For the royal conspiracy that began with overthrowing an idealistic young king is spreading to Rijou, the most corrupt city in the land, and the life of a young girl hangs in the balance. When every noble is a tyrant and every

knight is a thug, the only thing you can really trust is a traitor's blade.

**Journeys of Desire** Alastair Phillips, Ginette Vincendeau, 2019-07-25 A comprehensive guide to European actors in American film, this book brings together 15 chapters with A-Z entries on over 900 individuals. It includes case studies of prominent individuals and phenomena associated with the emigres, such as the stereotyping of European actresses in 'bad women' roles, and the irony of Jewish actors playing Nazis.

Way of the Argosi Sebastien de Castell, 2021-04-15 Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of The Dark Tower, Firefly, Guardians of the Galaxy, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

City of Towers Keith Baker, 2010-04-07 The City of Towers launches a brand new novel line set in the world of Eberron, Wizards of the Coast's newest D&D® campaign setting. Author Keith Baker's proposal for the exciting world of Eberron was chosen from 11,000 submissions, and he is the co-author of the Eberron Campaign Setting, the RPG product that launched the setting. The Eberron world will continue to grow through new roleplaying game products, novels, miniatures, and electronic games. AUTHOR BIO: Keith Baker is a freelance writer and game designer. In 2003 his proposal for the world of Eberron was selected as the winner in the Wizards of the Coast fantasy setting search. From the Paperback edition.

The Clansman Thomas Dixon, 1907

Charmcaster Sebastien de Castell, 2018-09-18 A failed mage learns that just because he's not the chosen one it doesn't mean he can't be a hero in the third book of an exciting adventure fantasy series from Sebastien de Castell. Kellen's life as an outlaw spellslinger is about to get a lot worse. In Gitabria, a miraculous discovery draws spies from all over the continent willing to kill to get their hands on it. Swept up in the race for power, Kellen is forced to join the pursuit. But the invention holds a dark secret-one that could spark a war. Spellslinger

Living My Life Emma Goldman, 1970-01-01 The autobiography of the early radical leader and her participation in communist, anarchist, and feminist activities

Sky Gamblers Storm Raiders: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sky Gamblers Storm Raiders : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be

manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
