Silent Woods Ofelia Gränd,2021-06-12 Do you believe in myths and ancient creatures? Daniel has never understood the need to leave the city, so when his husband suggests a camping trip for their holiday, he agrees with reluctance. Even before they step out of the car, trepidation crawls over Daniel. Something is wrong. There is something about the forest that turns his stomach into knots. He wants nothing more than to return to the safety of their home, and when their five-year-old son goes missing his fears turn into full-blown panic. What awaits them in the depths of the forest is far more sinister than anything Daniel ever could have imagined. With a missing child, it's a race against time. Will they be able to find their son before it's too late?

Slender Man Is Coming Trevor J. Blank,Lynne S. McNeill,2018-09-21 The essays in this volume explore the menacing figure of Slender Man—the blank-faced, long-limbed bogeyman born of a 2009 Photoshop contest who has appeared in countless horror stories circulated on- and offline among children and young people. Slender Man is arguably the best-known example in circulation of “creepypasta,” a genre derived from “copypasta,” which in turn derived from the phrase “copy/paste.” As narrative texts are copied across online forums, they undergo modification, annotation, and reinterpretation by new posters in a folkloric process of repetition and variation. Though by definition legends deal largely with belief and possibility, the crowdsourced mythos behind creepypasta and Slender Man suggests a distinct awareness of fabrication. Slender Man is therefore a new kind of creation: one intentionally created as a fiction but with the look and feel of legend. *Slender Man Is Coming* offers an unprecedented folkloristic take on Slender Man, analyzing him within the framework of contemporary legend studies, “creepypastas,” folk belief, and children’s culture. This first folkloric examination of the phenomenon of Slender Man is a must-read for anyone interested in folklore, horror, urban legends, new media, or digital cultures. Contributors: Timothy H. 101 Amazing Slenderman Facts Jack Goldstein,Jimmy Russell,2012-10-02 Here's a spooky story: Slenderman has been seen around the world for over 2,000 years. This book - dedicated to the authors who tragically and violently lost their lives shortly after writing it - aims to tell you everything you want to know about Slenderman. What does he look like? What are his powers? What is his purpose? All this and more can be found within these very pages. Including excerpts from historical Slenderman documents (such as the 15th century poem that ends with the words 'He watches you yet has no sight, He taketh you away at night') this is the surefire way to learn all about Slenderman. The question - of course - is dare you read it?

On Thin Ice: The Life and Times of a North Woods Caretaker Caperton Tissot,2018-11 The plot is engaging...Tissot tells a moving story... Christian Woodard, book reviewer, Adirondack Daily Enterprise, NY In this novel of mystery, fun and sorrow, a man struggles to make a fresh start in life. Tuck Rising, an injured ski champion, returns to his hometown to find work as a Great Camp caretaker. With his new bride Britt Freier and his daughter Tibetta, he moves into a rustic home in the village of Meltmor, planning to stay only until he recovers from his injury and can return to racing. Like walking on thin ice, every step he takes brings him closer to peril. The story romps through the high jinks and hard times of a northern village and shines a light on the little known lives of caretakers. In a twist of magic realism, Pitt and his pet Rat's prophesies remind us that the way forward is not always clear. Life in the North brings Tuck far more obstacles than flags on a race course. Will Tuck overcome the challenges? Hold on to his family? Make his way back to the race course? Will misinformation and cover-ups obstruct his path to success? This book is a revision of Tibetta's World; High Jinks and Hard Times in the North Country. What readers are saying. ... vivid imagination along with knowledge of our beloved Adirondacks and small town people... - Win, France ... a wonderful novel ... I think everyone should read it from 10 to 90. - Diana, New York ...mystery, love, murder, humor and philosophy all rolled into one... - Liz, New York

Slender Man Reviewed (2022) Steve Hutchison,2023-04-29 Slender Man, the ultimate creepypasta, is what kept a generation of children and

teenagers up at night. He's thin, unnaturally tall, wears a black suit, and has no face. He lives in the woods where he abducts those who meddle. By his mysterious nature, he became one of the creepiest horror icons following his creation in 2009. Horror critic Steve Hutchison analyzes 40 Slender Man feature films and short films. Each article includes a synopsis, five ratings, and a review.

Thin Ice (Men of Valor Book #2) Irene Hannon, 2015-12-29 After losing her parents in a car accident and her sister to a house fire, Christy Reed has been mired in grief. Life is finally starting to feel normal again when an envelope arrives in the mail--addressed in her sister's handwriting. And the note inside claims she is still alive. FBI Special Agent Lance McGregor, a former Delta Force operator, is assigned to reopen the case, but he's coming up with more questions than answers. If Ginny Reed is still alive--who is the woman buried in her grave? Where is Ginny? And is Christy a pawn in a twisted cat-and-mouse game--or the target of a sinister plot? As he digs deeper, one thing becomes clear: whoever is behind the bizarre ruse has a deadly agenda. Bestselling author and two-time Christy Award finalist Irene Hannon warms readers' hearts as they root for a romance between Lance and Christy, but she pulls out all the stops as this high-stakes thriller chills to the bone in a race to the finish.

The Slenderman Mysteries Nicholas Redfern, Nick Redfern, 2018-02-19 It's the dead of night; you are fast asleep. Suddenly, you are wide awake but unable to move. Hunched over you in the shadows is an eight- or nine-foot-tall gaunt entity with spider-thin limbs, dressed in an old-style black suit, its pale face missing eyes, nose, ears, and mouth. You finally manage to cry out. The monstrous thing disappears as suddenly as it appeared. You just had a terrifying encounter with the Slenderman. Who or what is the Slenderman? His existence began on the Internet, but he didn't stay online. The Slenderman may be a tulpa, a thought-form that can stride out of our darkest imaginations and into reality if enough people believe in it. In May 2014, two young Milwaukee girls almost killed a friend in the name of the Slenderman. Perhaps, like the vast Skynet system in the Terminator movies, the Internet is turning against us and attacking us with digital equivalents of our own online nightmares. The Slenderman has come to life. For the first time, this book reveals the full and fear-filled saga.

Digital Mythology and the Internet's Monster Vivian Asimos, 2021-01-28 Exploring a prominent digital mythology, this book proposes a new way of viewing both online narratives and the online communities which tell them. The Slender Man – a monster known for making children disappear and causing violent deaths to the adults who seek to know more about him – is used as an extended case study to explore the role of digital communities, as well as the question of the existence of a broader “digital culture”. Structural anthropological mythic analysis and ethnographic details demonstrate how the Slender Man mythology is structured, and how its everlasting nature in the online communities demonstrates an importance of the mythos.

A Watcher in The Woods Dallas Lore Sharp, 2021-04-26 The storm grew fiercer; the wind roared through the big pines by the side of the house and swept hoarsely on across the fields; the pines shivered and groaned, and their long limbs scraped over the shingles above me as if feeling with frozen fingers for a way in; the windows rattled, the cracks and corners of the old farm-house shrieked, and a long, thin line of snow sifted in from beneath the window across the garret floor.

Dead talk in the middle of the night Xiao Ding, Why is it called this name? Because before I was born, my parents, who were superstitious and liked to look for fortune tellers to tell divination, asked someone to pinch their fingers, and didn't ask who the fortune teller was. I didn't know. I heard my

grandmother say that it was the result of a very popular fortune teller who went to the next village. This question can be calculated.
