Mighty Slim's Galaxy of Stars Bassam Habal, 2021-07-12 Mighty Slim's Galaxy of Stars is a collection of 60 celebrity photos and 60 back stories on how those came to happen. It is the story in pictures and words of one man's quest to snap a photo with the musicians and actors whose work has had an impact on his life and in Slim's words, brought light into this world through their art whether it be music or acting. We have all been to restaurants and seen photos on the wall of most notably the owner and the star that ate there. The author has always enjoyed that and it has had an unconscious influence on him. What started out as a hobby turned into an obsession of many hours waiting outside a concert venue or other location, waiting for a celebrity to walk out just to get that prized photo. Enclosed is a small portion of his collection that currently totals over 400.

Slim Aarons: Women , 2016-10-04 Slim Aarons: Women explores the central subject of Slim Aarons's career—the extraordinary women from the upper echelons of high society, the arts, fashion, and Hollywood. The book presents the women who most influenced Aarons's life and work—and the other remarkable personalities he photographed along the way, including Audrey Hepburn, Jackie Kennedy, Diana Vreeland, and Marilyn Monroe, all featured in unforgettable photographs. The collection contains more than 200 images, the majority of which have not appeared in previous books, along with detailed captions written by one of Aarons's closest colleagues. Showcasing beautiful women at their most glamorous in some of the most dazzling locations across the globe, Slim Aarons: Women is a fresh look at the acclaimed photographer through the muses who inspired his most incredible photographs. Also available from Slim Aarons: Poolside with Slim Aarons, Slim Aarons: Once Upon a Time, Slim

Aarons: A Place in the Sun, and Slim Aarons: La Dolce Vita.

Slim Aarons: Style Shawn Waldron, Kate Betts, 2021-10-19 Glamorous fashions, personalities, and places captured by iconic photographer Slim Aarons Slim Aarons, at least according to the man himself, did not photograph fashion: "I didn't do fashion. I did the people in their clothes that became the fashion." But despite what he claimed, Aarons's work is indelibly tied to fashion. Aarons's incredibly influential photographs of high society and socialites being unambiguously themselves are still a source of inspiration for modern day style icons. Slim Aarons: Style showcases the photographs that both recorded and influenced the luminaries of the fashion world. This volume features early black-and-white fashion photography, as well as portraits of the fashionable elite—like Jacqueline de Ribes, C.Z. Guest, Nan Kempner, and Marisa Berenson—and those that designed the clothes, such as Oscar de la Renta, Emilio Pucci, Mary McFadden, and Lilly Pulitzer. Featuring some never-before-seen images and detailed captions written by fashion historians, Slim Aarons: Style is a collection of the photographer's most stylish work.

Poolside With Slim Aarons Slim Aarons, 2007-11 Slim Aarons offers images of jet-setters and the wealthy, and beautiful, glittering people living the glamorous life. However, the main character is the pool and everything that goes with them – magnificent suntanned bodies, well-oiled skin, bikini-clad women, yachts, summer cocktails, sumptuous buffets, and, above all, fun.
