Smith and the Pharaohs, and Other Tales H Rider

1856-1925 Haggard, 2023-07-18 Travel back in time to ancient Egypt with H. Rider Haggard's collection of short stories. Meet Smith, a cunning adventurer who plunges into the ruins of Karnac to uncover the long-lost tomb of Pharaoh Amenhotep. Along the way, he encounters mummies, treasures, and deadly traps. This thrilling volume also includes stories of sorcery, romance, and intrigue. Haggard's vivid descriptions and fast-paced action will keep you captivated from cover to cover. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

USA Patent Office, 1890

Beyond the Nile Sara E. Cole, 2018-04-17 From about 2000 BCE onward, Egypt served as an important nexus for cultural exchange in the eastern Mediterranean, importing and exporting not just wares but also new artistic techniques and styles. Egyptian, Greek, and Roman craftsmen imitated one another's work, creating cultural and artistic hybrids that transcended a single tradition. Yet in spite of the remarkable artistic production that resulted from these interchanges, the complex vicissitudes of exchange between Egypt and the Classical world over the course of nearly 2500 years have not been comprehensively explored in a major exhibition or publication in the United States. It is precisely this aspect of Egypt's history, however, that *Beyond the Nile* uncovers. Renowned scholars have come together to provide compelling analyses of the constantly evolving dynamics of cultural exchange, first between Egyptians and

Greeks—during the Bronze Age, then the Archaic and Classical periods of Greece, and finally Ptolemaic Egypt—and later, when Egypt passed to Roman rule with the defeat of Cleopatra. Beyond the Nile, a milestone publication issued on the occasion of a major international exhibition, will become an indispensable contribution to the field. With gorgeous photographs of more than two hundred rare objects, including frescoes, statues, obelisks, jewelry, papyri, pottery, and coins, this volume offers an essential and inter-disciplinary approach to the rich world of artistic cross-pollination during antiquity.

Literary Structure and Rhetorical Strategies in The Hebrew Bible L.J. de Regt,J. de Waard,J.P. Fokkelman,2023-08-14 Analysis of text structures has been a dominant feature in Biblical studies for quite some time. More recently, scholars have focused on rhetorical

strategies that have been employed in Biblical texts. In this volume, rhetorical as well as structural approaches to the Hebrew Bible have been brought together. It contains studies on a range of topics and on a good many texts and textual corpuses. Interpretation culminates in translation. The contributors to this volume have discussed the implications of their findings for Bible translators. Many of these translational implications have been put together in an epilogue. The volume thus not only intends to show the present state of our knowledge of literary and rhetorical techniques employed in the Bible; on these points it aims to be a selective guide to translators as well. The volume has been edited by Lenart de Regt, Jan de Waard (both of the Free University of Amsterdam), and Jan Fokkelman (Leiden University).

Entombed with the Pharaohs Michael Kortes,Paizo Publishing,2007-02-25 The ruined pyramid tombs of the ancient emperor-gods of Osirion are finally open to exploration and the race is on to plumb their depths and rescue their priceless treasures. *Entombed with the Pharaohs* is a desert adventure for mid-level characters, compatible with the world's most popular fantasy roleplaying game, and part of the GameMastery module line. The adventure includes information on the city of Sothis and the ancient tomb that lies nearby, as well as details on rival adventurers bent on getting to the treasure

first. GameMastery Modules also include four pre-made characters so players can jump right into the action and full-color maps and handouts to enhance play. Do your heroes have the will and the wits to survive the pyramid-tomb of the pharaohs and the strength to fend off the hoard of treasure-seekers hot on their trail?

Recognizing the quirk ways to acquire this book **Slots Pharoas,h Way** is additionally useful. You have remained in right site to begin getting this info. get the Slots Pharoas,h Way join that we have enough money here and check out the link.
