📖 **How to Turn Down a Billion Dollars** Billy Gallagher,2018-02-13 In the grand tradition of Ben Mezrich's The Accidental Billionaires (2009)... an engaging look into a fascinating subculture of millions. —Booklist Breezy...How to Turn Down a Billion Dollars ably if uncritically chronicles the short history of a young company catering to young users, with a young chief executive, and reveals, intentionally or not, the limitations that come with that combination. —Wall Street Journal The improbable and exhilarating story of the rise of Snapchat from a frat boy fantasy to a multi-billion dollar internet unicorn that has dramatically changed the way we communicate. In 2013 Evan Spiegel, the brash CEO of the social network Snapchat, and his co-founder Bobby Murphy stunned the press when they walked away from a three-billion-dollar offer from Facebook: how could an app teenagers use to text dirty photos dream of a higher valuation? Was this hubris, or genius? In How to Turn Down a Billion Dollars, tech journalist Billy Gallagher takes us inside the rise of one of Silicon Valley's hottest start-ups. Snapchat developed from a simple wish for disappearing pictures as Stanford junior Reggie Brown nursed regrets about photos he had sent. After an epic feud between best friends, Brown lost his stake in the company, while Spiegel has gone on to make a name for himself as a visionary—if ruthless—CEO worth billions, linked to celebrities like Taylor Swift and his wife, Miranda Kerr. A fellow Stanford undergrad and fraternity brother of the company's founding trio, Gallagher has covered Snapchat from the start. He brings unique access to a company Bloomberg Business called “a cipher in the Silicon Valley technology community.” Gallagher offers insight into challenges Snapchat faces as it transitions from a playful app to one of the tech industry's preeminent public companies. In the tradition of great business narratives, How to Turn Down a Billion Dollars offers the definitive account of a company whose goal is no less than to remake the future of entertainment.

📖 **Understanding Snapchat 101** Jessica Hill,2017-07-14 No one wants to be left behind, and this has never been truer than in the world of social media technology. Our need to interact and feel connected will never change, but how we do it is constantly changing, and at an alarming unprecedented speed. Snapchat is the next frontier of social media changing how we stay connected and feel connected. If you don't want to be left behind feeling confused among the faceswaps and snap lenses then this book is for you. It'll take you from downloading your app all the way to getting followers. From Chapter 1 we will get you all set up with Snapchat on your phone, so you're ready to start using it. A step-by-step guide to finding the app, downloading it and most importantly setting your account and profile. By the end of this chapter, you will have a fully functional Snapchat account and a fully personalized profile ready to use. We then progress to Chapter 2 where we go over some important Snapchat terms. These terms will help you learn all the functions much easier as a lot of these terms are unique to only Snapchat. By the end of this chapter you should know all the terms used within Snapchat, and also have a good understanding of what is possible with this amazing app. From there we go to Chapter 3, where we take a more detailed look at the app's user interface. We'll walk you through where everything is located and how they are connected to what you want to do, or may not want to do. Important knowledge such as privacy settings and options, or where the most frequently used features are located. You'll also find a FAQ section here. By the end of this chapter you should have your bearings around the app and be able to locate everything you need intuitively. Lastly we end on Chapter 4, which will be the most important chapter in the book. This chapter will provide a step-by-step guide to using every mode of interaction within Snapchat. Everything from taking snaps, modifying your snaps with stickers or lenses to chatting and using Discover to follow as well as to be followed!

📖 **Snapchat** Viktoria Schoja,2016-03-14 Snapchat is a photo messaging application which was developed in 2011 by Evan Spiegel and Bobby Murphy. It is a new way to take pictures or video adding text or drawings over a mobile phone and send them to friends or family with specifications on how long the photo will be available for viewing. User can set a time of 1 to 10 seconds for the viewing. The timer starts to count down the predefined seconds when the recipient opens the message. After the time is up the picture is deleted from the device and cannot be shown to the user anymore. Once the user downloads the app on his phone it is essential to register with username and set a password. Subsequently the app access the contact list on users phone to load friends. Additionally users can add other contacts beyond the existing one manually. Snapchat is a new way of sharing moments with friends on iPhone and Android. The company compares its product with a phone call, where a record of the communication persists, however the actual content of the communication does not. Even though Snapchat launched many products, there is one key feature that they all share, deletion. The

app’s mascot, which is also used as logo, is called Ghostface Chillah, a name Brown derived from Ghostface Killah of the hip hop group Wu-Tang Clan. Snapchat, Inc. is a privately held, venture capital backed company, headquartered in Venice, California, USA. The application was first launched in July 2011 as a result of Evan Spiegel’s projects at Stanford University under the name Picaboo. However, the idea of disappearing pictures did not convince other project participants. In July 2011 Picaboo was renamed and re-launched into Snapchat. The former team, Evan Spiegel, Reggie Brown and Bobby Murphy, focused on usability and technical aspects rather than branding efforts at the beginning in order to reach as many user as possible [...].

📖 **SNAPCHAT 101: A COMPLETE GUIDE TO SNAPCHAT** Brandon Jones, 2017-08-24 This book contains information on what, why and how’s of Snapchat. Jones starts with a brief introduction about Snapchat, it’s history and eventually proceeds to topics such as Snapchat paid advertising. Developed by three Stanford University students (Evan Spiegel, Bobby Murphy and Reggie Brown) as a part of a class project, Snapchat began under the name Picaboo. When Evan Spiegel (pictured to the left) debuted their idea to the class in April 2011, the other students scoffed at the idea of impermanent photos. Little did they know that this idea would go on to become insanely popular. In 2014, the Snapchat app was the fastest growing social app, boosting a 57-percent growth in the course of the year. While Pinterest, Instagram and Facebook Messenger also had a high rate of growth, none of them could come close to keeping up with the amount of downloads Snapchat was/is getting. While there are many different platforms out there that incorporate images and videos, Snapchat has found a niche in the social media universe. It has become one of the most popular social networks around. And it shows no signs of stopping. Snapchat is a social media app that allows you to take pictures and videos and send them to others without having to worry about whether or not it’ll still be there the next day - in particular, worrying about your embarrassing pics and videos. This is because Snapchat was designed to specifically delete or remove the pictures or videos - also called memories - that you post from its database within 24 hours after being posted on its platform. And more than just being about pictures and videos, Snapchat is all about short-term content, also called transient pictures and videos. That is why, by default, all you can see on the app’s home screen is just a simple camera view. And with such simplicity, it’s very easy and convenient to send your pictures and videos to just about anyone on Snapchat. Here is a preview of what you will learn... Snapchat and it’s history Getting Started on Snapchat How to take and send a Snap How is Snapchat different from WhatsApp and Facebook Gaining followers on Snapchat Snapchat paid advertising Converting followers and more....

📖 **11 SECONDS TO SUCCESS** Cyrene Quiamco, 2017-02-14 Snapchat drawings Are you interested in social media success stories? Here’s a living your dreams story that should inspire everyone - the living your dreams story of CyreneQ, a modern Cinderella fairy tale. (See: Here’s how a 26 year-old is making up to \$30,000 per Snap on Snapchat, by Morgan Linton, co-founder of Fashion Metric, November 30, 2016) Creative snapchats & funny snapchat drawings: The next time you are sitting in a long, boring meeting and your mind starts to wander might be the very moment you find your destiny. That is exactly what happened to CyreneQ who began doodling funny Snapchat drawings during a particularly snoozy conference room session. Soon after, she went on to rule that burgeoning social media platform with her Snapchat art and her funny Snapchat drawings. Cyrene Quiamco has become a prominent personality with her creative Snapchats on a social media platform that is designed to make content disappear. Since joining Snapchat, Quiamco (who goes by CyreneQ across most social media) has amassed a following for her whimsical Snapchat art ? from celebrity portraits to collages of Disney characters ? and interactive creative Snapchats. She engages her community with her highly imaginative and appealing art, quizzes, games and questions, transforming a series of short-lived snaps into a conversation. She’s also the creator of The 11thSecond.com, a blog and community for creators of Snapchat art to share their work off the platform. Award-winning CyreneQQ was recently nominated for the Shorty Award which recognizes the best in social media. Living your dreams - Do what you love: This modern fairy tale story (complete with Disney princess self-portraits of the artist) starts in the Philippines where her family comes from. Cyrene gets her moxie, drive, spirit of self-invention and incredible work ethic from her mom, whom she counts as a main inspiration to be fearless and go for living your dreams. As she puts it, “I’ve always been an artist ever since elementary school, but I didn’t really know how to apply that to the real world.” How she applied her artistry and originality to the modern world of social media is one of the most fantastic social media success stories of the 21st century. Do what you love the money will follow: Cyrene’s Cinderella living your dreams story is one that will have you dusting off your dreams. CyreneQ reminds us all of the power of our own imagination. Unleash that and nothing can stop you! What you’ll learn inside 11 Seconds to Success: • How to harness your personal creativity and apply it to the real world • What CyreneQ really means in her motto “No excuses for starving artists!” • That if you do what you love the money will follow • How to up your social media IQ and your earning quotient, too!

📖 **SNAPCHAT AS AN INNOVATIVE SERVICE** Benyi Heider, Carla Sofia Simões, Caroline Gram, 2017-03-31 Seminar paper from the year 2017 in the subject Business Economics - Company Formation, Business Plans, grade: 1.0, Bocconi University, course: Innovation in Services, language: English, abstract: Throughout the paper theoretical frameworks discussed during the course Innovation in Services at Bocconi University will be applied to describe and analyse the development of Snapchat as an innovative service. In the following the characteristics of Snapchat, its innovative features and evolution are introduced. The paper includes an analysis of the sectoral competitive environment, the demand and how it has influenced diffusion of innovation as well as prospects. The company Snapchat Inc. was founded by Evan Spiegel and co-founders Robert Murphy and Reggie Brown in September 2011. Today, it delivers the most popular app among teenagers in the United States, and was valued by investors at \$18 billion. In 2016, Snapchat Inc. changed its name to Snap Inc.. The evolution of Snapchat has gone from an instant photo messaging app to becoming a brand network, a marketing platform, as well as live stream media. In short, the platform has morphed into combining the best of social networks, magazines and television in an omni-entertainment app.
