Patience instinctively turns to current crush and FBI special agent Sebastian for help, but former flame Adrian is also on the case, hoping that solving the grisly crime will land him a win in the upcoming mayoral election. When the body count rises and Patience's parents are brought in as suspects, Patience is spurred to begin her own investigation. **The Big One** Anne Marsh,2019-03-12 Being a firefighter means I work hard and can go all night. But hey, I've got plenty of fires to put out in my downtime, too. Fortunately I've got just the tool to do it. Size matters, ladies. I've got a big one...and I would have been happy to show you before a sassy, sexy brunette crash-landed in my life. Lola is quirky; she's talented; she's unbelievably gorgeous; and she's getting over the world's worst breakup. I've got two words for you: off limits. So even if her smoking-hot body drives me nuts, I'll keep my tool to myself. We're friends - not lovers. I've got her back, even if what I really want to have is her front. Her mouth. Every delicious, curvy inch of her. And then one hot, dirty night in the bed of my truck, she makes it clear that she's on fire for me. After stoking the flames and achieving a blowup of nuclear proportions, I know I'm in big trouble. Once isn't enough. Now my need for her is a four-alarm blaze...and I'm beginning to think I don't ever want it to burn out. This full-length standalone from New York Times and USA Today bestselling author Anne Marsh contains plenty of swoonworthy hotshot firefighters, including one that's grumpy as a bear and twice as... large. There's also lots of fire, hot s-e-x, tender s-e-x, and every other variation a dirty firefighter hero can think about. Particularly when it involves lakes, truck beds, and the lady of his heart.

**Stalked by the Vampire** Kenzie Skye, Stephan She senses me, and that intrigues me. No prey has ever sensed me until I made myself known. But Elena is more than prey to me. I'm enchanted by her. From the moment I look into her innocent eyes, she consumes my every thought, so much so that I spend every moment following her, watching her, obsessing over her. I'm a creature who takes what he wants, but when it comes to Elena, it's complicated. I want more than just to drink her blood. I want to possess her—every part of her. But I'm a vampire, and she's a mortal. Our story is doomed before it even begins. That still doesn't stop me from stalking her—nor does it stop me from manipulating circumstances to get her closer to me. Elena I think I'm going crazy. I'm paranoid and jumpy. I feel like I'm being watched, but there's never anyone there. Maybe I'm just overworked and sleep-deprived. Maybe I should slow down, but how can I when I have to make ends meet on top of trying to save up for a better life? I'll do what I have to do. Growing up parentless, I've always scraped by. I'm strong, and I know I'm the only person I can depend on. But then I lose my job, and my world comes crashing down around me. That is, until I'm mysteriously offered a dream job at the most successful company in the city. It's going to be life-changing—in ways I never could have imagined.

**What Child is This?** Randy Burba,2020-12-22 What is the most famous event in the history of the world? For millions of people, the answer is the birth, life and death of Jesus Christ. The coming of God's human son. Even non-believers have heard the story countless times, and somewhere in the darkest corners of their mind, they too, wonder, what if? What if it happened again? Today? What if God sent another son to the world once again to be raised by good and honorable people, living average lives? Would anyone believe it? And even if they did, how would they react? Would they rejoice, or cower in fear? Would they come to worship the modern-day savior, or would they come, as some did before, to destroy him? Against the backdrop of modern American culture, this is the story of Isaac, the unexpected son of Melanie Russel, a schoolteacher, and her husband Jack, a gifted physician. Good people, living average lives until the fate of the world is suddenly bestowed upon them in the form of a very special son. But just as it did more than 2000 years ago, this story involves much more than the Holy Child and the incredible task assigned to him by the creator. It also deals with the tremendous burden placed on Isaac's parents, their friends and loved ones, and even the unknown protectors who for different reasons step forward to care for the earthly Son of God. Of course, this is also the story of Isaac, the brave, isolated child who is sent into the lion's den to live, love, learn, and mature, and who is eventually asked to return to his true Father and report on the waning condition of the human spirit. But more than anything, this is the story of simple people, committed and willing to sacrifice everything, in order to love and nurture a not-so-simple child. Why? Because they believe. Because they were chosen.

He s quickly recognized as a man going to the top, a tough guy, single-mindedly dedicated to his career. Fortunately for him, his passive wife waits on him hand and foot, overlooks his late nights at the office and good-naturedly tolerates his control-freak personality. A typical American couple, Frank and Jane Bullock live in a small New England coastal village, raising their son, Henry, and building a prosperous life together. Thankfully, things are starting to gel and the Bullock household beams with heightened expectations for their future. In fact, after one recent event, Frank takes his family out to celebrate their good fortune. On a bluff in Maine overlooking Penobscot Bay, the Bullocks destiny drops into the lethal crosshairs of Agent Butler s unholy charade. From out of nowhere, life delivers a deadly KO. It could have happened to anyone. It could happen to you. In a refreshingly brilliant new voice, Aqua Regia details an incredible saga of crime and suspense; no quarter offered.
