Educators Resource Directory Grey House Publishing, 2003-03 Educators Resource Directory is a comprehensive resource that provides the educational professional with thousands of resources and statistical data for professional development. This directory saves hours of research time by providing immediate access to Associations & Organizations, Conferences & Trade Shows, Educational Research Centers, Employment Opportunities & Teaching Abroad, School Library Services, Scholarships, Financial Resources and much more. New features to this Fourth Edition include chapters on Professional Consultants and Computer Software & Testing Resources. Plus, this edition includes a brand new section on Statistics and Rankings with over 100 tables, including statistics on Average Teacher Salaries, SAT/ACT scores, Revenues & Expenditures and much more. These important statistics will allow the user to see how their school rates among others, make relocation decisions and so much more. Educators Resource Directory will be a well-used addition to the reference collection of any school district, education department or public library.

Administration of Programs for Young Children Phyllis Click, Kimberly A. Karkos, 2008 Administration of Programs for Young Children is now out in the 7th edition. It is a tried and true guide for early childhood education professionals who want to be directors, and a source of information for those who are already directors of early childhood programs. This new edition provides the latest information from the NAEYC regarding guidelines for infant sleeping arrangements, accreditation of programs for young children, and what abilities and knowledge

teachers should possess. It includes an expanded discussion of the budget process as well as sound business practices and marketing strategies. The book provides current information about children's nutritional requirements that are encompassed in the new Food Guide Pyramid. The causes of staff turnover are presented followed by a discussion of how to prevent it, and an appendix completely covers the latest information about computerized data management programs that enable directors to facilitate bookkeeping and record keeping tasks. An additional new appendix provides the reader with reproducible forms needed for the operation of a child development program (pending). With real life scenarios to help the reader grasp the content, *Administration of Programs for Young Children, 7e* is the complete resource for the aspiring child development program director or the already practicing professional.
