

Someones

David Grossman

Someone Alice McDermott, 2013-09-10 A fully realized portrait of one woman's life in all its complexity, by the National Book Award-winning author An ordinary life—its sharp pains and unexpected joys, its bursts of clarity and moments of confusion—lived by an ordinary woman: this is the subject of *Someone*, Alice McDermott's extraordinary return, seven years after the publication of *After This*. Scattered recollections—of childhood, adolescence, motherhood, old age—come together in this transformative narrative, stitched into a vibrant whole by McDermott's deft, lyrical voice. Our first glimpse of Marie is as a child: a girl in glasses waiting on a Brooklyn stoop for her beloved father to come home from work. A seemingly innocuous encounter with a young woman named Pegeen sets the bittersweet tone of this remarkable novel. Pegeen describes herself as an amadan, a fool; indeed, soon after her chat with Marie, Pegeen tumbles down her own basement stairs. The magic of McDermott's novel lies in how it reveals us all as fools for this or that, in one way or another. Marie's first heartbreak and her eventual marriage; her brother's brief stint as a Catholic priest, subsequent loss of faith, and eventual breakdown; the Second World War; her parents' deaths;

the births and lives of Marie's children; the changing world of her Irish-American enclave in Brooklyn—McDermott sketches all of it with sympathy and insight. This is a novel that speaks of life as it is daily lived; a crowning achievement by one of the finest American writers at work today. A Publishers Weekly Best Fiction Book of the Year A Kirkus Reviews Best Fiction Book of 2013 A New York Times Notable Book of 2013 A Washington Post Notable Fiction Book of 2013 An NPR Best Book of 2013

Somebody's Someone Regina Louise, 2009-02-28 In this poignant and heart wrenching true story, Regina Louise recounts her childhood search for connection in the face of abuse, neglect, and rejection. What happens to a child when her own parents reject her and sit idly by as others abuse her? In this poignant, heart wrenching debut work, Regina Louise recounts her childhood search for someone to feel connected to. A mother she has never known--but long fantasized about-- deposited her and her half sister at the same group home that she herself fled years before. When another resident beats Regina so badly that she can barely move, she knows that she must leave this terrible place--the only home she knows. Thus begins Regina's fight to survive, utterly alone at the age of 10. A stint living with her mother and her

abusive boyfriend is followed by a stay with her father's lily white wife and daughters, who ignore her before turning to abuse and ultimately kicking her out of the house. Regina then tries everything in her search for someone to care for her and to care about, from taking herself to jail to escaping countless foster homes to be near her beloved counselor. Written in her distinctive and unique voice, Regina's story offers an in-depth look at the life of a child who no one wanted. From her initial flight to her eventual discovery of love, your heart will go out to Regina's younger self, and you'll cheer her on as she struggles to be Somebody's Someone.

Someone to Love Jude Deveraux, 2007-07-17 The New York Times bestselling author Jude Deveraux brings a “wonderful addition” (Booklist) to her Montgomery/Taggart Family series with this supernatural romance in which, with the help of a feisty ghost, a man uncovers the secrets that led to the tragic death of his fiancée. After three years, Jace Montgomery is still grieving over his fiancée Stacy’s mysterious suicide. He hasn’t been interested in another woman since her passing, and her family still blames him for her death. While flipping through one of her old paperbacks, Jace discovers a photo of a house stuck between the pages, bearing the cryptic message: “Ours again. Together

forever. See you there.” The note was dated the day before her death. Obsessed by the possibility of understanding her suicide, Jace seeks out the property—Priory House, a big brick fortress in Margate, England—and buys it. It doesn’t take long to learn that the house is haunted by a headstrong and feisty ghost, Ann Stuart, whom he must tangle with if he’s ever to solve the mystery. Ann died under circumstances similar to those of his late fiancée, and he has a hunch that there is a connection between the two. Through his own investigations and with the help of a beautiful foreign correspondent, Jace is forced to reconcile his fiancée’s life and her death. What follows is a satisfying and seductive discovery of both time and love by one of America’s favorite storytellers.

Separated William D. Lopez, 2019-09-24 Putting faces and names to the numbers behind deportation statistics, *Separated* urges readers to move beyond sound bites and consider the human experience of mixed-status communities in the small towns that dot the interior of the United States.

Someone’s Sleepy Deborah Lee Rose, 2013-05-07 Rhyming text follows a mother and her sleepy child through their loving nightly ritual.

I Met Someone Bruce Wagner, 2016-03-01 *I Met Someone* is

the story of Academy Award–winning actress Dusty Wilding, her wife Allegra, a long-lost daughter, and the unspeakable secret hidden beneath the glamour of their lavish, carefully calibrated celebrity life. After Allegra suffers a miscarriage, Dusty embarks on a search for the daughter she lost at age sixteen, and uncovers the answer to a question that has haunted her for decades. With masterful suspense, Bruce Wagner moves among the perspectives of his characters, revealing their individual trauma and the uncanny connections to one another’s past lives. *I Met Someone* plunges the reader down a rabbit hole of the human psyche, with Wagner’s remarkable insights into our collective obsession with great wealth and fame, and surprises with unimaginable plot turns and unexpected fate. Alternately tender, shocking, and poetic, this is Wagner’s most captivating and affecting novel yet.

101 Romantic Ideas for Your Special Someone Daniel A. Pepe, 2007 Daniel A. Pepe's '101 Romantic Ideas for Your Someone Special' is a tremendous resource for both men and women who desire a better, more romantic nature to their relationships. Chock full of refreshing ideas to add romance, spontaneity, and new life to your relationship whether single or married.

Someone To Tell It To: Sharing Life's Journey Michael

Gingerich & Tom Kaden, 2014-06-25 This is the account of two men who believe that we are created for deep, meaningful, and emotionally intimate relationships. The authors have found these relationships with their wives, and they are models for their children. They experience this kind of relationship with each other. They share how vital these relationships are through their non-profit: Someone To Tell It To. They create safe environments for people to share the stories of their lives openly and unashamedly. They encourage others to find safe people in their lives to foster relationships that provide true support, unconditional love, and grace. This book shares the authors' stories and the stories of others who are seeking meaning and purpose in their lives, especially when faced with challenges and questions. Someone To Tell It To may remind us that we are not alone in our fears, or in our feelings of inadequacy and uncertainty. Readers may be motivated to create more vital connections in their lives, connections that can be life-giving and soul-enriching, that can bring peace in the dark seasons of our lives. Having someone to tell it to, as author Miles Franklin writes, is one of the fundamental needs of human beings.

Someone to Watch Over Me Teresa Hill,2007-02-27 A family death leaves Jack Cal Callahan with a very spoiled dog who seems to have taken charge of Cal's love life. Deciding the dog has to go, Cal finds the perfect owner, who also turns out to be his perfect match in love, life, and faith.

When Someone in Your Family Has Cancer ,1994

How to Make Someone Fall in Love with You in 90 Minutes Or Less Nicholas Boothman,2009-01-01 The author of *Make People Like You in 90 Seconds* applies his innovative system of forging instant connections to the world of romance, with an updated simple program that includes self-assessment tests, practical advice, and tips on creating a personal connection with the person that completes you personally. Reprint.

Someone to Run With David Grossman,2009-08-17 A bestselling love story of two teenagers - and one missing dog - on the run in Jerusalem by the highly esteemed author of *The Zigzag Kid* 'Brings together the differing aspects of his writing in a book that unites social realism and dizzy teenage romance ... This is a book about feelings, about highs and lows, chemical, emotional, religious' Daily Telegraph Earnest, awkward and painfully shy, sixteen-year-old Assaf is having the worst summer of his life. With

his big sister gone and his best friend suddenly the most popular kid in their class, Assaf spends his days at a lowly summer job in Jerusalem City Hall and his evenings alone, watching television and playing games on the Internet. One morning, Assaf's routine is interrupted by an absurd assignment: to find the owner of a stray yellow labrador. Meanwhile on the other side of the city, Tamar, a talented singer with a lonely, tempestuous soul, undertakes an equally unpromising mission: to rescue a young drug addict from the Jerusalem underworld ... and, eventually, to find her dog.

Even If You Were Perfect, Someone Would Crucify You Rob Shepherd, 2013-03-01 “In short, digestible chapters Shepherd shares several truths every human needs to know . . . You’ll enjoy reading and laughing your way through this book!” (Terrace Crawford, nationally recognized speaker & author of *Going Social*). He should have seen it coming. Anonymous letters are rarely good. On the day after preaching a sermon at his church, Rob Shepherd opened a letter filled with hurtful words and a very strong opinion about how awful his sermon was. On his fourth reading of the letter, Rob heard a still small voice say, “Even if you preached the perfect sermon somebody would crucify it.” That thought began the process of setting Rob free from being a lifelong people pleaser.

With humor, personal stories, and great conviction Rob shares his personal story of learning to care less about what people say and more about what God says. *Even If You Were Perfect Somebody Would Crucify You* uncovers what our real struggle is when it comes to pleasing people. You can be set free from the fear of saying no to people, win the battle with avoiding confrontation, learn the power of confession, and find your true identity in Jesus. “This book will nail you in regards to cutting out the paralyzing noises of life and opinions of others. Be ready for a tugging at your heart to rest and rediscover your identity FULLY in Him.” —Chad Johnson, director of the Catalyst Conference

A Someone Charishma Thankappan, 2007-01-01 **A Someone** by Charishma Thankappan: *A Someone - A Novel*: *A Someone* is a captivating novel penned by Charishma Thankappan that explores the complexities of human relationships, identity, and self-discovery. Set against a backdrop of diverse cultures and personal journeys, this thought-provoking narrative delves into the depths of emotions, highlighting the transformative power of connection and the search for one's true self. **Key Aspects of the Book** **A Someone: Multifaceted Characters**: The novel introduces a diverse cast of characters, each with their own unique stories and

struggles. Through their intertwining paths, the book delves into the intricacies of human relationships, portraying the complexities, conflicts, and moments of profound connection that shape our lives. Identity and Self-Exploration: Thankappan delves into the theme of identity, inviting readers to join the characters on their journeys of self-discovery. The book explores the challenges of finding one's place in the world, grappling with cultural expectations, and the search for authenticity and belonging. Emotional Resonance: With its poignant storytelling and richly developed characters, the novel evokes a range of emotions in readers. From joy and love to heartache and introspection, Thankappan's narrative touches upon universal human experiences, allowing readers to relate to the characters' joys and struggles, fostering empathy and connection. Charishma Thankappan, the author of *A Someone*, is a talented storyteller who explores the complexities of human emotions and relationships through her writing. With a keen understanding of the human psyche and a passion for delving into the depths of the human experience, Thankappan creates a compelling narrative that resonates with readers. In *A Someone*, she invites readers on a transformative journey of self-discovery and connection, capturing

the essence of what it means to be human.

Helping Children Who Yearn for Someone They Love Margot Sunderland, 2017-05-08 This is a guidebook to help children who: are missing someone too much or suffer from separation anxiety; are obsessed with their absent parent yearn for a parent who: has died; seems unreachable, although she is right there; or is loving one minute and indifferent, cold or abusive the next. They yearn because they have been taken into care, fostered or adopted.

Someone to Hear Me Ebony Joy Wilkins, Dorene Lewis, 2009-05-14 Someone to Hear Me is a personal account of how Dorene Lewis survives daily abusive relationships and finds the strength to make drastic life-style changes to better her life and the lives of her children

Someone Like You Sarah Dessen, 2004-05-11 From the award-winning and New York Times bestselling author of *Once and for All* The world is a terrible place not to have a best friend. Scarlett was always the strong one. Halley was always content to follow in her wake. Then Scarlett's boyfriend died, and Scarlett learned that she was pregnant. Now Halley has to find the strength to take the lead and help Scarlett get through it. Because true friendship is a promise you keep forever. * "Dessen has written a

powerful, polished story.”—School Library Journal, starred review

Sarah Dessen is the winner of the Margaret A. Edwards Award for her contributions to YA literature, as well as the Romantic Times Career Achievement Award. Books by Sarah Dessen: *That Summer* *Someone Like You* *Keeping the Moon* *Dreamland* *This Lullaby* *The Truth About Forever* *Just Listen* *Lock and Key* *Along for the Ride* *What Happened to Goodbye* *The Moon and More Saint* *Anything Once* and *for All*

Someone To Watch Over Me Tricia Sullivan, 2013-10-31 When Sabina picks up Adrien battered and bleeding outside Zagreb station, she knows only that she is drawn to this stranger and to the sense of danger he represents. She has no idea that she is also touching the Watcher, a mysterious figure who can inhabit Adrien's body using a brain implant. What might have been a love affair is about to turn deadly, for as Sabina is drawn into Adrien's world, she will become the object of the Watcher's desire in a battle over a metamorphic new technology known as I.

On Being Someone Helen Oppenheimer, 2016-08-01 This book continues the discussions in *What a piece of work: on being human* (Imprint Academic 2006) and may be considered its sequel. Among all the creatures in the physical universe, humans seem to

be more than simply physical, because they are aware of being creatures in the universe. Human beings essentially belong to the world of nature, yet stand out as the most complex and fascinating of all living beings. Like and also unlike other animals, they respond to what happens to them; they make plans and carry them out; they recognize one another, sometimes lovingly; they make friends and enjoy their company; they shape the world around them for convenience and for delight; they ask questions both practical and theoretical; and many of them try to praise God. In *What a Piece of Work*, Helen Oppenheimer considered humankind as part of the natural universe which Christians believe God set in motion, asking how human beings stand among other creatures and how they are to be valued. In this volume she leaves aside comparisons with our fellow creatures in order to attend to our own experience. It makes a good start to think of oneself as a human animal, but then we need to go further and ask what does it mean to be a person, to be counted as someone?

Grieving the Loss of Someone You Love Raymond R.

Mitsch, Lynn Brookside, 1993-10-15 Few losses are as painful as the death of someone close. No valley is as vast as grief, no journey as personal and life changing. Compassionate and wise

guides Raymond Mitsch and Lynn Brookside shine a light on the road through grief. They can help you endure the anguish and uncertainty; understand the cycles of grief; sort through the emotions of anger, guilt, fear, and depression; and face the God who allowed you to lose the one you love. A series of thoughtful daily devotions, *Grieving the Loss of Someone You Love* shares wisdom, insight, and comfort that will help you through and beyond your grief.
