**Sonic Select Book 9: The Games** Sonic Scribes,2014-06-24 Grab your controller and play along with this game-themed edition of Sonic Select! Sonic the Hedgehog raced into the world in videogames first, and his digital birthright still holds true today. Many of Sonic's game adventures have followed him onto the printed page, sometimes with new and exciting twists. Join Sonic as he meets Knuckles and Shadow for the first time! Thrill as he gets entangled in Blaze's search for the Sol Emeralds! Knuckles and Tails prepare for the Marauders while Sonic aids the wizard Merlina! All this and more await you inside these pages.

Jumping for Joy Chris Scullion,2022-09-08 The platformer is one of the most well-loved video game genres ever, having entertained players for over 40 years. Jumping For Joy is a celebration of everything platform games have to offer, spanning their entire history. The first part of the book is a complete guide to every platform game starring Mario, Nintendo's mascot and the most popular video game character of all time. With nearly 80 games featured in this section, it's the definitive history of a true gaming hero. There are always two sides to every story, though, so the second part of the book focuses on every one of the 50+ platformers starring Sonic the Hedgehog, Mario's former rival. After this it's the book's main course: a huge 100-page section detailing 50 other iconic and notable platform games covering the entire history of gaming, from the days of the Atari 2600 and ZX Spectrum all the way up to the Nintendo Switch, PS5 and Xbox Series X/S. Whether you're a long-time veteran of platform gaming or a newcomer who wants to learn more about one of the most entertaining genres in video games, this is the perfect book for you. And there are some bad jokes in there too, if that's your thing.

Speedrun: The Unauthorised History of Sonic The Hedgehog Julian Hazeldine,2014-04 Sonic The Hedgehog was created to give Sega's Mega Drive a fighting chance against the market-dominating Nintendo. With Sega consoles now a distant memory, he's still running. But what gives the blue blur his staying power? Speedrun traces Sonic's entire history, from an artist's idle sketch to a multi-million pound videogame phenomenon. This book relives the highs; the hysteria of Sonic 2's-day and the dawn of the Dreamcast, and the lows; cancelled projects and Sega's near-bankruptcy. It also looks at the creative influences behind the hedgehog, and how a handful of minds have steered and directed his progress through the years. Whether your first adventure with Sonic was in the Green Hill Zone or on a smartphone, Speedrun is the definitive guide to gaming's fastest hero.

**Sonic Super Special Magazine #9** Sonic Scribes,2013-11-13 Get ready for the truest, bluest and way-past-coolest Sonic Super Special Magazine issue ever made! Animated Mischief Brian N. Duchaney,David S. Silverman,2023-09-28 Over the last century, the medium of animation has served as an expression of childhood as well as a method of subverting the expectations of what society has promised for the future. Separated into three parts, this work assembles various explorations of taste, culture and passion through animation. Section I features essays that outline the historical changes in art and society that gave rise to an outsider culture that found a home in animation. In the second section, essays examine the practical use of animation as a voice for the underserved. Finally, in Section III, essays analyze the ways in which animation has reshaped the acceptance of outsider status to embrace otherness. Featuring everything from feature-length films to self-produced YouTube videos, the essays in this text reflect a shared love of animation and its unique ability to comment on society and culture.

**Sonic the Hedgehog #64** Ian Flynn,Evan Stanley,2023-09-13 This issue is all about Silver the Hedgehog! First, he’s incredibly suspicious of the Diamond Cutters’ new member and he jumps to a conclusion that leads him to some hasty accusations. Awkwardness ensues. Then, Blaze comforts Silver as they bond over being away from home and in Sonic’s world.
