Queer Eye Antoni Porowski,Tan France,Jonathan Van Ness,Bobby Berk,Karamo Brown,2018-11-13 From the Fab Five--the beloved hosts of Netflix's viral hit Queer Eye--comes a book that is at once a behind-the-scenes exclusive, a practical guide to living and celebrating your best life, and a symbol of hope.

It's also about creating a life that's well-rounded, filled with humor and understanding--and most importantly, that suits you. At a cultural moment when we are all craving people to admire, *Queer Eye* offers hope and acceptance. After you get to know the Fab Five, together they will guide you through five practical chapters that go beyond their designated areas of expertise (food & wine, fashion, grooming, home decor, and culture), touching on topics like wellness, entertaining, and defining your personal brand, and complete with bite-sized Hip Tips for your everyday quandaries. This Will Only Hurt a Little Busy Philipps, 2019-10-22 A hilarious, heartfelt, and refreshingly honest memoir and New York Times bestseller by the beloved comedic actress known for her roles on *Freaks and Geeks*, *Dawson's Creek*, and *Cougar Town* who has become "the breakout star of Instagram stories...Imagine *I Love Lucy* mixed with a modern lifestyle guru" (*The New Yorker*). There's no stopping Busy Philipps. From the time she was two and "aced out in her nudes" to explore the neighborhood (as her mom famously described her toddler jailbreak), Busy has always been headstrong, defiant, and determined not to miss out on all the fun. These qualities led her to leave Scottsdale, Arizona, at the age of nineteen to pursue her passion for acting in Hollywood. But much like her painful and painfully funny teenage years, chasing her dreams wasn't always easy and sometimes hurt more than a little. In a memoir "that often reads like a *Real World* confessional or an open diary" (*Kirkus Reviews*), Busy opens up about chafing against a sexist system rife with on-set bullying and body shaming, being there when friends face shattering loss, enduring devastating personal and professional betrayals from those she loved best, and struggling with postpartum anxiety and the challenges of

motherhood. But Busy also brings to the page her sly sense of humor and the unshakeable sense that disappointment shouldn't stand in her way—even when she's knocked down both figuratively and literally (from a knee injury at her seventh-grade dance to a violent encounter on the set of *Freaks and Geeks*). The rough patches in her life are tempered by times of hilarity and joy: leveraging a flawless impression of Cher from *Clueless* into her first paid acting gig, helping reinvent a genre with cult classic *Freaks and Geeks*, becoming fast friends with Dawson's Creek castmate Michelle Williams, staging her own surprise wedding, conquering natural childbirth with the help of a *Mad Men*-themed hallucination, and of course, how her Instagram stories became "the most addictive thing on the internet right now" (*Cosmopolitan*). Busy is the rare entertainer whose impressive arsenal of talents as an actress is equally matched by her storytelling ability, sense of humor, and sharp observations about life, love, and motherhood—"if you think you know Busy from her Instagram stories, you don't know the half of it" (Jenni Konner). Her conversational writing reminds us what we love about her on screens large and small. From "candid tales of celebrity life, mom life, and general Busy-ness" (*W Magazine*), *This Will Only Hurt a Little* "is everything we've been dying to hear about" (*Bustle*).

Descendants of Jacob Hochstetler Harvey Hostetler, 1912

A Little Life Hanya Yanagihara, 2016-01-26 NEW YORK

TIMES BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE *A Little Life* follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their

devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's latest bestselling novel, *To Paradise*.

Manmade Constellations Misha Lazzara, 2022-08-09 A modern-day love story that explores childhood trauma, the boundaries between idealism and self-righteousness, and the heartaches we must confront in order to chart our courses forward. Lo Gunderson feels trapped in her small midwestern hometown until she sees an ad for a free car in the local paper. To maintain her staunch anticapitalist values, she refuses to spend money on what she can find for free, so this car is the perfect ticket out of the town. Though it doesn't cost any money, it still comes with a price. Blanche Peterson is dying and asks for a single favor—that Lo track down her estranged son, whom Blanche hasn't seen in over a decade. Before she can decide whether to fulfill Blanche's dying wish, she needs to get the car started. She's helped by John Blank, a Southern auto mechanic who moved up north for a fresh start. Despite vastly different backgrounds, they share an electrifying mutual attraction that threatens to upend Lo's carefully constructed worldview. Meanwhile, Blanche's son, Jason, finds himself adrift after an argument with his girlfriend. Memories of his negligent mother and the death of his father resurface for the first time in years as he travels across the country searching for what comes next. *Manmade Constellations* is a smart, magnetic, and emotional novel dedicated to the American landscape, exploring how taking to the open road teaches lessons that can't be learned at home.

The Rural Diaries Hilarie Burton, 2020-05-05 New York Times Bestseller The beloved actress and star of *One Tree Hill*, *White Collar*, and *Lethal Weapon*, Hilarie Burton Morgan, tells the story of leaving Hollywood for a radically different kind of life in

upstate New York with her husband Jeffrey Dean Morgan—a celebration of community, family, and the value of hard work in small town America. While Hilarie Burton Morgan's hectic lifestyle as an actress in New York and Los Angeles gave her a comfortable life, it did not fulfill her spiritually or emotionally. After the birth of their first son, she and her husband Jeffrey Dean Morgan, the star of *The Walking Dead*, decided to make a major change: they bought a working farm in Rhinebeck, New York, and began a new chapter in their lives. *The Rural Diaries* chronicles her inspiring story of farm life: chopping wood, making dandelion wine, building chicken coops. Burton looks back at her transition from urban to country living—discovering how to manage a farm while raising her son and making friends with her new neighbors. She mixes charming stories of learning to raise alpacas and buying and revitalizing the town's beloved candy store, Samuel's Sweet Shop, with raw observations on the ups and downs of marriage and her struggles with secondary infertility. Burton also includes delicious recipes that can be made with fresh ingredients at home, as well as home renovation and gardening tips. Burton's charisma, wide eyed attitude, and fortitude—both internal and physical—propels this moving story of transformation and self-discovery. *The Rural Diaries* honors the values and lifestyle of small-town America and offers inspiration for anyone longing to embark on their own unconventional journey.

The Baddest Bitch in the Room Sophia Chang, 2021-09-21
The first Asian woman in hip-hop, Sophia Chang shares the inspiring story of her career in the music business, working with such acts as The Wu-Tang Clan and A Tribe Called Quest, her path to becoming an entrepreneur, and her candid accounts of marriage, motherhood, aging, desire, marginalization, and martial arts. Fearless and unpredictable, Sophia Chang prevailed in a male-dominated music industry to manage the biggest names in hip-hop and R&B. The daughter of Korean immigrants in predominantly white suburban Vancouver, Chang left for New

York City, and soon became a powerful voice in music boardrooms at such record companies as Atlantic, Jive, and Universal Music Group. As an A&R rep, Chang met a Staten Island rapper named Prince Rakeem, now known as the RZA, founder of the Wu-Tang Clan, the most revered and influential rap group in hip-hop history. That union would send her on a transformational odyssey, leading her to a Shaolin monk who would become her partner, an enduring kung fu practice, two children, and a reckoning with what type woman she ultimately wanted to be. For decades, Chang helped remarkably talented men tell their stories. Now, with *The Baddest Bitch In The Room*, she is ready to tell her own story of marriage, motherhood, aging, desire, marginalization, and martial arts. This is an inspirational debut memoir by a woman of color who has had the audacity to be bold in the pursuit of her passions, despite what anyone—family, society, the dominant culture—have prescribed.

For All the People Michael Slaby, 2021-02-23 A leader in digital communication and grassroots political campaigns explains how the internet and modern media have undermined America and how we can reclaim our voices for the good of civic life. The creators of the internet promised us jetpacks: better experiences, more choices, and deeper relationships. Built on a diversity of voices, our online freedom was supposed to spark a democratic transformation. But our platforms don't work for us--we're the inventory and our outrage fuels a tech revolution optimized for profit, not civic life. As one of the top digital strategists for Barack Obama's two presidential campaigns, Michael Slaby saw the beginning of a new kind of national division. What he witnessed would spawn the Tea Party movement, upset the 2016 election, and accelerate the polarization of American civic life. Slaby presents the four core areas which can be reclaimed to work better for all of us: platforms, government institutions, corporations, and even the users ourselves. Optimistic, future-focused, and deeply passionate,

For All The People breaks down how we got here, and how we, the users, can work toward a better democracy through tech.

The Restaurant Pamela M. Kelley, Three sisters. An inherited Nantucket restaurant. One year before they can sell. Jill lives a glamorous life in Manhattan as a co-owner of a successful executive search firm. Never married, she is in her mid-thirties and lives in a stunning, corner condo with breathtaking views of the city and Hudson river. Everyone thinks there's something going on with her partner, Billy, because as a workaholic, she spends more time with him than anyone else. There never has been, but Jill is starting to wonder if there could be. Emma lives in Arizona and is an elementary school teacher and an aspiring photographer. She met her college professor husband, Peter, in grad school and they've been married for fifteen years. In recent years, she's noticed that Peter has grown distant. But when he shares a surprising secret, she doesn't see it coming and her world is turned upside down. Mandy has two children and is married to her college sweetheart, Cory, who runs a wildly successful hedge fund from Nantucket. Now that the children are older, Mandy has more free time and is eager to do more than just volunteer with local charity events. But Cory doesn't want her to work. He thinks it doesn't reflect well on him and appearances are everything to Cory. Though when Mandy finds something

unusual in his gym bag, she begins to question what is really going on. The girls are stunned when they learn about the restaurant, Mimi's Place and the condition their grandmother added to the will, leaving the restaurant equally to Mandy, Emma, and Jill--and also to Paul, the chef for the past twelve years, and Emma's first love.
