**Innocent Souls** Alice Earl,2009-02-17 Narrative Innocent Souls is a work that details the disappearance of ten residents of Fayetteville, Arkansas, and the investigation pursued by Sheriff Enos Lanford. The narrative opens as three-year-old Jake accompanies his mother and sister to the cotton fields for a day of work. While Jake is napping under a tree, ten people mysteriously vanish. Enos discovers the boy and takes him to his home. He, his wife Jenny, and Mrs. Hannah decide to care for the boy. FBI agent Anna Servanti helps Enos with his investigation, and together they uncover drug running and treachery involving Quality Health Supplements Company. Jennys father, Mayor Potts, is targeted, but his stay in the hospital prevents a murder hit. Innocent Souls mixes drugs, persistent police work, and family in a story that seeks to explore life in a small rural Arkansas town. Fayetteville is a Southern town where strong oaks spread their limbs, almost touching neighboring trees. Their acorns create an inviting aura of peace and tranquility. A gentle river runs the length of this small town with surrounding forests, which is home and haven for wild creatures and feathered friends alike. It is a poor town, but man, forest, and beast coexist together in peace.

*American Myth Well Of Souls* R.L.R. Miller,2017-10-10 What if a mad man just pushed the reset button... on the whole world? And the world as we know it today just simply disappears. But somehow against all odds we survive. The McEnnis family faces this very problem, they take extraordinary measures by going into hibernation till the danger is over and wake up in a world not their own. America has become a myth, Benjamin Franklin is a God that wields lightning, Old Glory the name of the divine and Lady Liberty a Goddess who welcomes the dead through her golden door.

Chronicles of the Fallen Maximus Kane,2010-04 Jericho was among the most loved and divine of all the angels along with Michael, Gabriel, Azrael, and Lucifer. Lucifer's greed grew and influenced Jericho to join him in his attempt to take over heaven but Jericho chose God over him. For his betrayal Lucifer and his followers were cast into hell but not Jericho. Once God created man he saw that Lucifer and his armies of demons would do anything to make humans suffer. As a result by God's command Jericho was sentenced to walk the Earth forever fighting Lucifer, his demons, and any other evil that threatened the Earth and it's people. In Innocence, Jericho is called to investigate the disappearance of a seven year old boy. However the investigation turns into something more when the boy is killed and another child is kidnapped. The events leading up to the kidnapping and murder of the young boy is what made Jericho decide to investigate. However when the boy's guardian angel is murdered Jericho realizes that this is something bigger than he anticipated. Can Jericho find out what is happening before the second child is killed and can he stop what is really happening before it is too late?

My mother was married to my father they hailed from Des Moines, Iowa. They moved to Denver, Colorado there they would live as my father was a musician who played the upright Bass Fiddle he played with Peter, Paul & Mary and Cannonball Adderley! He would trick my mother into a divorce leave her said he was going out over the road and needed her to sign this document. She signed not knowing it was Divorce papers. He left her to be with another woman my mother got a job and when I was six years old, she was raped coming home from her job. As I grew up, she became angry and would take it out on me because I looked just like my dad. I would rebel and did not finish High-School in my last year and chose to go serve my country in the Marine Corps. I was in the reserves. I was injured in training and my time was up as a reservist, so I chose to get out of the Marine Corps they gave me an Honorable Discharge. I moved back to Denver My brother, and I went to visit my dad in Minnesota. While visiting him he had told us that he helped raise music Icon PRINCE ROGER NELSON that many years ago he and his mother and Prince's father John had a band together and if anything, ever happened to him look for a woman named Mattie Dowell Baker. She would explain all I needed to know about my father. we had a good time my brother Mark and I and my niece. We returned to Denver I worked at the airport at the time. I met a beautiful woman named Teresa, we hooked up she got pregnant we had a daughter first, then two sons and we got married but she could not handle it and left me to go back to her parents I was married she wasn't. She would eventually call Ms. Mattie Dowell who would come by meet me and invite us to a dinner and concert Prince was giving at the Glam Slam in 1990'. At this dinner I asked her what do i call you? she replied, you call me Aunt Mattie Dowell, I see you met my niece. She asked me did I have a girlfriend? I replied no while Shauntee' Lane' was sitting next to me. She told me there are some things that I am going to tell you about your father and you're not going to like what you hear. My father later would end up dying and when my mother came for the funeral, she saw this Shauntee' Lane' my mother made a loud comment at the funeral that Shauntee' Lane' is another one of your dad's indiscretions. Look at her she looks just like your Aunt Josephine Pickett same green eyes they look like twins. So, I never told Aunt Mattie Dowell, that I was sleeping with her I did not know until my mother saw her and then I realized this woman could very well be my oldest half - sister I was sleeping with the whole time. I would end up leaving Minnesota return to Denver and get employment in the Security Field and end up working assisting the Secret Service meeting Vice President Biden and being a driver for Ray Charles e...

**Metamorphosis of Innocent Souls** Eugene Arackal,2013-09 Home sweet home is the citadel of life, the inspiration, motivation, and foundation builder of our future. But if parents fail to set a good example, their children are left in the dark. In many cases, terrorists and criminals are born in the minds of their parents first and then shaped at home. Parents as the torchbearers are the pathfinders for their kids. Good or bad in a person is decided in the minds of parents first, and the seeds they sow later grow and develop into tall palms. Satanic acts by

parents can go a long way to bring forth catastrophe for generations, and pave the way for misery and uncertainty. The saddest outcome of such upbringings is that innocent children grow up into people who are all too often victimized. James, a boy of fourteen, witnesses a cruel act by his father. In the spur of the moment, he stabs his father and flees. The vast world welcomes him and gives him asylum, only to use him for crimes ranging from minor theft to organized killing. Such goes the *Metamorphosis of Innocent Souls*.

**The Future of God in the Global Village** Thomas R. Mcfaul,2011-10 In the long trek of human history, the adage that there will never be peace among the nations until there is peace among the religions has never been truer. The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty-first century has taken a terrible toll on the lives of thousands of innocent victims. The primary purpose of this book is to address this issue head-on by examining the role that the earth's diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment. At this stage of human evolution, nothing is more urgent.

**Souls under Siege** Nicole Archambeau,2021-04-15 In *Souls under Siege*, Nicole Archambeau explores how the inhabitants of southern France made sense of the ravages of successive waves of plague, the depredations of mercenary warfare, and the violence of royal succession during the fourteenth century. Many people, she finds, understood both plague and war as the symptoms of spiritual sicknesses caused by excessive sin, and they sought cures in confession. Archambeau draws on a rich evidentiary base of sixty-eight narrative testimonials from the canonization inquest for Countess Delphine de Puimichel, which was held in the market town of Apt in 1363. Each witness in the proceedings had lived through the outbreaks of plague in 1348 and 1361, as well as the violence inflicted by mercenaries unemployed during truces in the Hundred Years' War. Consequently, their testimonies unexpectedly reveal the importance of faith and the role of affect in the healing of body and soul alike. Faced with an unprecedented cascade of crises, the inhabitants of Provence relied on saints and healers, their worldview connecting earthly disease and disaster to the struggle for their eternal souls. *Souls under Siege* illustrates how medieval people approached sickness and uncertainty by using a variety of remedies, making clear that healing had multiple overlapping meanings in this historical moment.

**The Mirror of Simple Souls** Margaret Porette,1999-05-15 When Dr. Romana Guarnieri, in a letter to Osservatore Romano (16 June 1946), announced her discovery that Margaret Porette (d. 1 June 1310) was the author of *The Mirror of Simple Souls*, certainly a major French document of pre-Reformation spirituality, a sensation was created in the academic world. Although *The Mirror* is one of the few heretical documents to have survived the Middle Ages in its entirety, both its title and its authorship were among the most persistent and troublesome problems of scholarly research in the field of medieval vernacular languages. *The Mirror*, in its original French, survives only in the fifteenth-century manuscript which the great Condé (Louis II de Bourbon) had acquired for his palace at Chantilly. And, so far as can be known, all that remains with which to compare the readings of this manuscript text are those translations of *The Mirror* which, also in manuscript, are to be found in Latin, Italian, and Middle English. This edition of *The Mirror of Simple Souls* is a translation from the French original with interpretive essays by Edmund Colledge, O.S.A., Judith Grant, and J.C. Marler, and a foreword by Kent Emery, Jr. The translators of this Modern English version rely primarily on the French, yet take other medieval translations into account. As a result, this edition offers a reading of *The Mirror* which solves a number of difficulties found in the French, and the introductions contributed by the translators narrate the archival history of the book, for which Margaret Porette was burned alive in Paris in 1310.

**Tree of Souls** Howard Schwartz,2006-12-27 From tales of Adam, Moses, and other biblical figures, to the fall of Lucifer and the quarrel of the sun and moon, an anthology of Jewish myth presents seven hundred key stories and through extensive commentary places them in context with the literature of the world.

SUFFERINGS OF INNOCENT SOULS Pon Kulendiren,2012-09-24 HR violations is a major issue in Sri Lanka. Rape, Torture, Kidnapping, Intimidation, Ransom, Killing of media men and politicians etc are the main factors of HR violations in the island of Sri Lanka, once called “the land of paradise”. This book covers stories on HR violations caused by the ethnic war, some of them based on real incidents. After the independence from the British in 1948, the relationship between the majority and minority communities gradually deteriorated with the occurrence of several communal riots, the worst being the one in 1983. Policies of the Government lead the Tamil youths to take up to arms, when they found that there future are bleak. The first long story titled “Sufferings of innocent Souls” reflects the grievances of the internally displaced (IDP) Tamil citizens after the war. The involvement of paramilitary groups in HR violations is another factor pointed out in some stories. The story “Beach boy” covers the damaged caused by sexual tourism. The story “Temple entry” deals with caste system that prevented low caste people to have access to temples; “White Van” story is based on the kidnapping vehicle used for killing or disappearance and serves as a tool for HR violation in the island.
