How to Talk to a Movie Elijah Lynn Davidson,2017-02-03 Watching a movie is more than an opportunity to be entertained. Watching a movie is an opportunity to meet with God. In a few brief chapters, How to Talk to a Movie will forever change the way you watch movies by opening your eyes and ears to what movies are saying, how they are saying it, and how God might be speaking to you through them.

Everything Is Spiritual Rob Bell,2020-09-15 An exciting vision of the future --Michael Eric Dyson Everything Is Spiritual is an unexpected and compelling invitation to see your life in a whole new way. We have the great moments of our lives, the highs, those times when we soar, when it all makes sense, when it feels like it all has purpose and meaning. And then there are all those other moments—the lows and aches and failures and struggles and experiences that leave us wondering what the point of it all is. Are our lives ultimately bits and pieces and fragments—you try to find a little peace and hope and then it’s over? Or is there more going on here? In our increasingly polarized and disoriented world, Everything Is Spiritual gives us a radical new take on how it all fits together, how it works, how it’s all connected. Part memoir, part extended riff on the quantum nature of reality, part history of the universe, Rob Bell takes us back through the twists and turns and struggles of his story in order to help us see the larger story so that we can reconnect with our story.

Movie Watcher's Guide to Enlightenment David Hoffmeister,2014-06-01 Movies are like modern-day parables that everyone can relate to. The Movie Watcher's Guide to Enlightenment is a Resource that gives a whole new purpose to movie-watching. We use the categories Metaphysical, Classic, and Mind Watcher to designate different phases of the awakening to Who we are. The Movie Watcher's Guide gives you a description of these themes, along with insights to over 200 different movies. Why is it, for example, that we love to see drama, intrigue, love affairs, and adventures on the silver screen? It is because we all relate to the roles, behavior, and actions of those portrayed. Maybe you dislike certain movies, or refuse to see drama or violence. The Purpose of watching movies with the Spirit is to expand our perception and to flush hidden thoughts, beliefs, and emotions into awareness for release. What better backdrop could there be for healing than your own couch! Invite a friend, make some popcorn, and enjoy Waking Up with the Movies.

100 Spiritual Movies to See before You Die John A. Zukowski,2023-11-15 Spiritual themes are common in movies: The unconventional savior. The hero’s journey. The redemption tale. The balance of creation. Journalist John A. Zukowski reflects on twelve major spiritual themes in the world of cinema, discussing films from Dead Man Walking to Bruce Almighty, from Groundhog Day to Chariots of Fire, and many more. See them all—read them all—before you die!

How to Film Truth Justin Wells,2018-08-02 How to Film Truth explores the history of documentary film as a search for truth by filmmakers, and a journey of discovery for subjects and audiences. This process, the act of documenting, exploring, and reflecting on our reality in all its created beauty, wonder, and mystery can itself be a devotional practice. The history can be seen as moving from actuality to ecstasy, from propaganda to empathy, and finally to confessional, emotional, personal, and communal healing.

Spiritual Films James Piper,2013-08-02 For decades, centuries even, when people thought of spirituality, they thought only of religion. I aim to stretch the tent of spirituality in this e-book to include secular experience. My particular approach to secular spirituality is through the medium of film. Characters in the 43 films I discuss come to spirituality without religion. In some of these films, religion nibbles at the edges of events, as when, in the Brazilian film Central Station, Dora, the cynical letter writer, leaves hard-bitten Rio with a boy she hopes to return to his father and finds herself surrounded by evangelicals, shrines, and churches. She does not have any kind of religious conversion, but there is no denying that the piety of the countryside softened her and escorted her into spirituality. Now and then I quote assorted Buddhists, Muslims, Christians and Jews, but usually only when their remarks throw light on secular matters. I have avoided relying on muddled mystics who write about the Great Turning Cosmic Oneness of Everything. I dont know what they are talking about.

Spiritual Warfare George Bloomer,2004-01-01 However the world might paint the situation, Satan does not battle us with flaming arrows and the quick stab of a pitchfork. He’s much wiser and much more cunning. He battles us using our own limitations, fears, and doubts. He preys upon our guilt and finds ways to manipulate, dominate, and intimidate us, all in an attempt to separate us from Christ. George Bloomer knows the strategies and methods of the devil. Here he offers a tactical guide to help you battle the enemy, drawing on the true Source of power that can enable you to do so. Read and learn... How to silence Satan’s roar and quash his assault How to find peace in the midst of your fear and doubt Why it is foolish to be weighed down by guilt Where Satan comes from and where he’s going How others have found victory in the past Don’t walk into enemy fire unarmed. This is war, and you have a battle to fight.

Spiritually Fly Faith Hunter,2021-08-17 From next-generation yoga teacher Faith Hunter comes a real-world guide to feeling more worthy, vibrant, and alive. “You were born with the fullness of your most epic life within you. Knowing your true worth. Feeling vibrant with each breath and magically alive as you navigate the unexpected. When you peel back the layers of crusty emotional baggage and old subconscious loops that keep you small, you are able to step into the brilliance of who you are in your soul, and that makes you Spiritually FlyTM.” —Faith Hunter Global yoga and meditation teacher Faith Hunter is known for her ability to help

others remember their inherent worth and live more soulful, joyful lives. Here, Faith shares the seven principles behind her life philosophy—the “Spiritually Fly Sutras”—inspiring each of us to embrace our unique flow, on and off the mat. The Spiritually Fly Sutras are dynamic, sacred principles grounded in movement, breathwork, sound, and self-reflection. When practiced together, Faith teaches, “They have the ability to inspire and ignite an inner revolution.” Throughout Spiritually Fly, Faith shares the stories that led to each sutra with raw vulnerability. A young Black girl in the South whose brother was dying of AIDS contracted from a blood transfusion, she often struggled to trust in spirit and God. Her own spiritual journey brings a fresh, grounded vibe to her teachings, as she seamlessly blends classic yoga wisdom with modern-day living. To help you integrate each sutra into your life, Faith provides a wealth of “SoulPrints”—exercises and reflections including yoga asanas and kriyas, journaling prompts, pranayama, chakra explorations, and practices for each of the “three Ms”: mantra, mudra, and meditation. For anyone ready to live their most epic lives, Spiritually Fly offers a radical guide to shift unhealthy patterns, recharge your soul, and fly.

A Whole Life in Twelve Movies Kathleen Norris,Gareth Higgins,2024-10-15 Come to the movies with two celebrated spirituality writers--American poet and author Kathleen Norris and Irish storyteller and peace activist Gareth Higgins. In *A Whole Life in Twelve Movies*, Norris and Higgins invite readers along as they discuss acclaimed movies that can help us better understand our lives--from before birth to death and beyond. Featuring 12 films, including *2001: A Space Odyssey*, *Malcolm X*, and *Babette's Feast*, this book is perfect for individuals or groups to watch and discuss movies over the course of a year. Each chapter recommends additional films and includes discussion questions ideally suited for churches, small groups, and book clubs. As readers watch and read, they will journey through the human life cycle and explore themes of existence, goodness, belonging, vocation, identity, success, generosity, dealing with conflict, and what it means to be human. The book outlines a cinematic path toward a deeper spirituality and a more meaningful life for believers across the faith spectrum and seekers alike. It includes a foreword by James Martin, SJ.

The Purpose-driven Life Rick Warren,2007 The Purpose Driven Life is a blueprint for Christian living in the 21st century.

The Dolorous Passion of Our Lord Jesus Christ Anne Catherine Emmerich,2012-07-17 A 19th-century German nun's ecstatic visions offer a compelling visionary account of the events surrounding the Crucifixion. A primary source for Mel Gibson's epic movie, *The Passion of the Christ*.

Feeling Is The Secret Neville Goddard,2012 Neville Goddard was one of the most gifted and yet most underrated spiritualists and mystics of his time. His books *Power of Awareness or Prayer - The Art of Believing* belong to the best books spiritual readers can find. This book is concerned with the art of realizing your desire. It gives you an account of the mechanism used in the production of the visible world. It is a small book but not slight. There is a treasure in it, a clearly defined road to the realization of your dreams. Were it possible to carry conviction to another by means of reasoned arguments and detailed instances, this book would be many times its size. It is seldom possible, however, to do so by means of written statements or arguments since to the suspended judgment it always seems plausible to say that the author was dishonest or deluded, and, therefore, his evidence was tainted. Consequently, I have purposely omitted all arguments and testimonials, and simply challenge the open-minded reader to practice the law of consciousness as revealed in this book. Personal success will prove far more convincing than all the books that could be written on the subject.

The Laws of the Sun Ryūhō Ōkawa,2001 The Laws of the Sun is the first in a trilogy of volumes that includes *The Laws of Eternity* and *The Golden Laws*. What is the nature of spirit and soul? What are the universal spiritual laws and how can we learn to live in harmony with them? What really happens when we die? In this powerful book, author and teacher Ryuho Okawa reveals the transcendent nature of consciousness and the secrets of our multidimensional universe and our place in it. By understanding the natural laws of the universe and following the Buddhist Eightfold Path, he believes we can speed up our eternal process of development.
