Atmospheric Phenomena C. Guy Suits, 2013-10-22 *Atmospheric Phenomenon* is composed of different essays written or co-authored by Irving Langmuir. The essays explore the different parts that form the atmosphere. A section of the book describes the evaporation of small spheres. Another section is about the radial flow in rotating liquids. The book also covers the light signals in aviation and navigation. An essay that describes the airplane tracks in the surface of stratus clouds is then provided. Some of the essays contained in a section in the book focus on the process of cloud seeding. This section explores such topics as smoke filters, cloud droplets, and water droplet trajectories. Another section in the book is especially devoted to the methods of cloud seeding using dry ice, silver iodide, and sodium chloride. The book can be a useful tool for aviation scientists, engineers in the field of aerial navigation, and individuals whose field of study is mainly on weather manipulation and control.

The Starlight Medallions F. H. Wallace, 2010-01-19 An Adventure that Spans Time and the Sea from the South Coast of Maine to the Lands Behind the Northern Lights Sim Spotswood decides not to keep his after school appointment with Dr. McCreedy to get his teeth straightened. Instead he wanders to the clam flats where Lost River meets the sea and where a Viking ship, unearthed from the silt of a thousand years, sits like the skeleton of a dragon in its cofferdam. Sim discovers buried in the sand, a small

medallion the size of a half dollar. That he should be the one to find it is no accident. At least Dr. Asneath Plever of the Smithsonian doesn't think so. Nor does Winifred Hazel Chit, the Witch of thunderhead Cliff who has waited one hundred and eleven years for Sim to undertake the adventure that now unfolds. As more of the medallions appear Sim encounters other searchers including Splitface and Gold-Tipped-Smith who know the power of the Starlight Medallions and want them for themselves. Sim, who has never known his father, lies at night on the widows walk of his home with his dog, Walter, watching the celestial canopy, waiting for a shooting star upon which he can make his wish, the same wish he has made every night for as long as he has known the words of the wishing verse. Now as he travels with the Starlight Medallions to places where no one has gone before, it seems that wish may come true.

Starlight Codyjean, 2014-02-06 I spent a good deal of my time talking to the older generation gaining their wisdom and insights. These people were from a gentler time and had seen the devastation brought to the world in the first part of the 20th century. Their wisdom and insights will always be a part of my life. I hope that you will enjoy walking through the Australian village life while reading this book.

Starlight Cecily Wolfe, 2018-12-25 *the sequel to *A Harvest of Stars* A strange man has been watching Lanie as she leaves high school with her friends every day, but she is reluctant to tell her parents about this unnerving development. An only child, she is close to both of her parents, but her mother's unexplained distrust of others makes Lanie worry about sharing anything distressing with them. When the stranger ventures closer to home, his intent is revealed, and her parents' carefully concealed past is brought back in all its dark horror. *includes the short story *Moonlight* author's note: While *Starlight* can be read as a standalone, a fuller experience of Lanie's parents' backstory is offered in *A Harvest of Stars*, which is more adult in content (L/S/V).

Stella by Starlight Sharon M. Draper, 2015-01-06 Sharon M. Draper presents "storytelling at its finest" (School Library Journal, starred review) in this New York Times bestselling Depression-era novel about a young girl who must learn to be brave in the face of violent prejudice when the Ku Klux Klan reappears in her segregated southern town. Stella lives in the segregated South—in Bumblebee, North Carolina, to be exact about it. Some stores she can go into. Some stores she can't. Some folks are right pleasant. Others are a lot less so. To Stella, it sort of evens out, and heck, the Klan hasn't

bothered them for years. But one late night, later than she should ever be up, much less wandering around outside, Stella and her little brother see something they're never supposed to see, something that is the first flicker of change to come, unwelcome change by any stretch of the imagination. As Stella's community—her world—is upended, she decides to fight fire with fire. And she learns that ashes don't necessarily signify an end.

Windhall Ava Barry,2021-03-02 A stunning literary thriller in which an investigative journalist in modern Los Angeles attempts to solve the Golden Age murder of a Hollywood starlet. 1940s Hollywood was an era of decadence and director Theodore Langley was its king. Paired with Eleanor Hayes as his lead actress, Theo ruled the Golden Age of Hollywood. That ended when Eleanor's mangled body was discovered in Theo's rose garden and he was charged with her murder. The case was thrown out before it went to trial and Theo fled L.A., leaving his crawling estate, Windhall, to fall into ruin. He hasn't been seen since. Decades later, investigative journalist Max Hailey,

raised by his gran on stories of old Hollywood, is sure that if he could meet Theo, he could prove once and for all that the famed director killed his leading lady. When a copycat murder takes place near Windhall, the long reclusive Theo returns to L.A., and it seems Hailey finally has his chance. When Hailey gets his hands on Theo's long-missing journals, he reads about Eleanor's stalkers and her role in Theo's final film, The Last Train to Avalon, a film so controversial it was never released to the public. In the months leading up to her death, something had left her so terrified she stopped coming to work. The more Hailey learns about Avalon, the more convinced he becomes that the film could tell him who killed Eleanor and why she had to die. But the implications of Avalon reach far beyond Eleanor's murder, and Hailey must race to piece together the murders of the past and present before it's too late.

Dragonfall L. R. Lam, 2023-05-02 Long-banished dragons, revered as gods, return to the mortal realm in the first in this magical new epic fantasy trilogy from a bestselling author Long ago, humans betrayed dragons, stealing their magic and banishing them to a dying world. Centuries later, their descendants worship dragons as gods. But the gods remember, and they do not forgive. Thief Arcady scrapes a living on the streets of Vatra. Desperate, Arcady steals a powerful artifact from the bones of the Plaguebringer, the most hated person in Lumet history. Only Arcady knows the artifact's magic holds the key to a new life among the nobles at court and a chance for

revenge. The spell connects to Everen, the last male dragon foretold to save his kind, dragging him through the Veil. Disguised as a human, Everen soon learns that to regain his true power and form and fulfil his destiny, he only needs to convince one little thief to trust him enough to bond completely--body, mind, and soul--and then kill them. Yet the closer the two become, the greater the risk both their worlds will shatter.

Me and Blue Carolyn Stransky, Dost Muhammad Rajper, 2022-03-11 In 2020 the Covid pandemic was happening rapidly, changing everyone's life. Stores closed, there was a shelter in place for a whole year and death filled the air spreading like wildfires on a hot windy day. News ran its course, families were destroyed, healthcare workers at their breaking point. Hell happened while political monarchy surrounded the world. What were we to do? A time for reflection and reevaluation. Only jobs available were of three choices, Amazon, Federal Express and Doordash. Families trapped with each other, forcing love and patience to develop. Parents celebrating their precious moments that were lost in the hustle and bustle of the working world. Time stopped, not knowing what day was coming. Society began to change

rapidly, and fear lit up the sky. Prayers lined up asking, "God save me!" We had to look at ourselves in all its chaos through a cracked mirror of the unknown. Personally, I grabbed my laptop to save me. It was my therapy. My mind began to settle with the notion of peace amongst the tragedy we faced. An idea flew along, to find an outlet for all these emotions. A calm summer day I started reading and posting poems of all types, pretty much the steppingstones of my journey through what we call life. I brought out real issues, fun, and fantasy as a place to escape from reality. My creativity got bigger, so I started my own poetry group called Language From The Heart Poetry. During this adventure I met a wonderful human who enjoyed my art of poetry as much as I did. A man known for his own phenomenal works of writing in all forms. Also known as the man with the golden pen. He was intelligent and had brilliant status, I was pleased. Poetry connects people because it is the language, we all have in our hearts. This man and I spoke the same language. The camaraderie of poetry bonded us. An incredible friendship developed, and a working/writing collaboration began. Our work was full of passion. So, I asked him to partner with me on making an art site where we can share literature, music, and storytelling in all forms. He gladly accepted. Thank you to my friend and coauthor Mr. Dost Muhammad Rajper. We realized we were meant to collide in this common journey. Our art combined expressed some of the most brilliant pieces of poetry work I have ever seen. We realized we are better together. The book therefore began its journey to

infancy, "Me and Blue".
