

# STUPID BOY

G. YOUNGER

📖 STUPID BOY: THE BEGINNING G. YOUNGER, 2017-12 The first novel in a brand-new series from award-winning author G. Younger about a small Midwestern town filled with cute girls, Friday night football games, and life lessons that stir up some major drama and fun. To everyone who knows him, David Dawson is your stereotypical nerd, the good kid who has a great family life and good friends. A cute girl, way out of his league--according to his friends--leads him astray. His sudden shift to hanging out with the wrong crowd sends him spiraling into teenage depression and upsets his best friends. It all comes to a sudden end when a girl at a party he throws almost dies. It is his crucible. Crucible is a great word. It means to go through a severe test. For David, it means he must take responsibility for his actions. He is sent to his uncle's farm for the summer to get his life back on track. What he doesn't know is his uncle John has a degree in child psychology. With a combination of hard work and long talks, he begins to pull his life back together. When he returns from his exile, he's changed. He is no longer the slightly pudgy-looking nerd due to a growth spurt and hard work on the farm. His best friend, Tami Glade, isn't quite sure what to make of her 'stupid boy.' Before he was sent to the farm, she'd screamed at him out of frustration that she never wanted to see him again. David has changed. He is suddenly popular, way too handsome for his own good, and going out for football. The changes aren't just physical. He seems more confident and focused. He even has life goals. Tami isn't quite sure what to make of the new David. Her 'stupid boy' of a best friend has been transformed into a hunk. The problem is, he doesn't realize it, and she isn't sure if they should be just friends, or more.

📖 THE ADVENTURES OF STUPID BOY AND HIS FRIEND, SMART BOY Jubie Gon Gonx, 2007-03-14 The Adventures Of Stupid Boy And His Friend, Smart Boy is a bedtime storybook intended to be read to young people between the ages of 5 and 10. The book deals with the sometimes calamitous results of poor judgement, despite the counsel of a good friend. While the stories go to the brink of disaster, all turns out well and a lesson is learned. The stories are sprinkled with opportunities for further exploration of a wide range of topics. There are no talking animals or abstract fantasies in the Adventures of Stupid Boy. Rather, the stories involve the everyday activities of two boys who live in the same neighborhood and enjoy the same things every elementary school child enjoys. However, even at this age, life can present opportunities for trouble, and Stupid Boy always seems to find his way into more than his share. His friend, Smart Boy, tries to keep him safe and sound, but some people are very headstrong. As you will see, these two friends are very much alike in appearance, but they are very different in the way they exercise judgement, with both questionable circumstances and questionable people. Although these stories have done much to stimulate boys' interest in reading, it must be said that girls enjoy the stories just as much as boys. As we all know, girls like to laugh at some of the dubious things boys do and they love to see boys get into trouble! After all, girls would never put themselves in the same predicaments as Stupid Boy....would they?

📖 STUPID BOY (PRINT EDITION) Cindy Miles, 2015-02-17 From Cindy Miles, bestselling new adult author of *Stupid Girl*, comes the next installment of her blockbuster *Stupid in Love* series - *Stupid Boy*. Brax Jenkins and Olivia Beaumont are the most envied couple at Winston University--but the so-called virginity dare, orchestrated by Brax's old fraternity, almost tore them apart. Now, a new dare is taking shape, and it's sure to set emotions ablaze more than ever before. Winston's IT girl Harper Belle isn't just president of the Delta--she's also a master at keeping her ugly past a secret. So, when the Kappa's dare hits closer to home for her more than anyone realizes, she devises a competition of her own as payback. Three sorority sisters will seek out a notorious womanizer on campus and--unknown to their mark--secretly train him to be the perfect boyfriend. Always up for a challenge, Harper targets the biggest player she can find: Brax's wickedly handsome foster brother Kane McCarthy. But, Harper discovers there's much more to Kane than girls, games, and partying. His easy smile belies the quiet, old soul reflected in his deep brown eyes. All it takes is one night, one secret laid bare, and one kiss from Kane to shift Harper's world on its axis. Suddenly, the girl who's always walked a straight and narrow path can't think of anything else except losing control.
