Fashion in the 1940s Jayne Shrimpton,2014-10-10 This book reveals the impact of wartime and austerity on British fashion and tells the story of how a spirit of patriotism and make-do-and-mend unleashed a wave of new creativity among women who were starved of high fashion by shortages and rationing. Many home dressmakers copied the high-end looks, and women involved in war work created a whole new aesthetic of less formal street wear. Fashion in the 1940s also shows how the Second World War shifted the centre of the international couture scene away from Paris, allowing British designers to influence Home Front style. Afterwards Paris fashion was re-born with Dior's extravagant New Look, while casual American trends were widely adopted by young British women and men.

Fast Fashion Systems Tsan-Ming Choi,2013-12-05 Fast fashion is an industrial trend that refers to the concept of shortening lead time (production, distribution) and offering new products to the market as fast as possible. Despite an abundance of research results, there is no comprehensive reference source that covers the state-of-the-art findings on both theoretical modeling and empirical research on fast fashion systems. This edited volume consists of three sections - review and exploratory studies, analytical models, and empirical research - made up of many interesting contributions in the respective domain. The result is a well-balanced handbook which includes both theoretical results (from various perspectives) and empirical findings. This volume will be of interest not only to those involved in the fashion industry, but also to academics and practitioners in the wider fields of business, manufacturing engineering, systems engineering and supply chain management.

So Much, So Fast, So Little Time Michael St. Clair,2011-08-09 This book examines the

extraordinary changes that technology brings and how these affect all of us and our families—at home, at school, and at our work places—with profound consequences for society. Twenty-first-century technology opens up fabulous opportunities, but also changes how we relate to each other and warps our sense of time, reality, duty, and privacy. Technologies and time-saving devices make everything happen faster, with the result that we feel busier than ever before. Free time seems in danger of extinction. So Much, So Fast, So Little Time: Coming to Terms with Rapid Change and Its Consequences provides fascinating insights about how our changing world is changing our families and our personal relationships; how we travel, behave as consumers, and communicate; and how we entertain ourselves and deal with our anxieties. Written in a popular, accessible style, this book describes seven areas of significant societal change, providing concrete examples and engaging stories to illustrate how drastically our right-now mindset has shifted our perception and experience of the world. In the last chapter, the author makes some practical suggestions on how to take thoughtful action to respond to the onslaught of inevitable change.

Due Diligence C.M. Nevill, 2012-02-10 Sam Reid has less than a month to secure a real estate deal or he will be fired by his broker. His troubles spin out of control when he becomes unknowingly involved with a drug cartel using him in their cocaine operation. Sam soon discovers he is an expendable asset of the cartel and to stay alive he is compelled to join forces with a DEA agent operating outside official sanctions of the agency.

Marketing Paul Baines, Paolo Antonetti, Sara Rosengren, 2022 How does Google support organizations in their transformation to digital marketing? How does the International Food Waste Coalition influence more sustainable behaviour? How did a producer of Thai herbal toothpaste amend their marketing mix to maintain sales during COVID-19? With insights from leading practitioners and exploration of the latest issues to affect consumers and businesses alike, Marketing answers these questions and more to provide students with the skills they need to successfully engage with marketing across all areas of society. Founded on rigorous research, this critical text presents a current, complete guide to marketing success and explores topical issues such as sustainability and digital transformation. Its broadest ever range of examples, Practitioner Insights and Market Insights also give readers a unique view into the fascinating worlds of marketing professionals. Individuals from Arch Creative, Klarna, eDreams Odigeo and Watson Farley and Williams are just a few of the practitioners that join the authors to offer real-life insights and career advice to those starting out in the industry. Review and discussion questions conclude each chapter, prompting readers to examine the themes discussed in more detail, and encouraging them to engage critically with the theory. New critical thinking questions also accompany the links to seminal papers throughout each chapter, presenting the opportunity for students to take their learning further. An exciting development for this new edition, the enhanced e-book offers an even more flexible and engaging way to learn. It features a select range of embedded, digital resources designed to stimulate, assess, and consolidate learning, including practitioner videos to offer further glimpses into the professional world, multiple-choice questions after each key section of the chapter to offer regular revision and understanding checkpoints, and a flashcard glossary at the end of each chapter to test retention of key terms and concepts. Marketing is the complete package for any introductory marketing module. This book is accompanied by the following online resources. For everyone: Bank of case studies Practitioner insight videos Career insight videos Library of video links For students: Key concept videos Author audio podcasts Multiple-choice questions Flashcard glossary Internet activities Research insights Web links For lecturers: PowerPoint slides Test bank Essay questions Tutorial activities Discussion question pointers Figures and tables from the book

Sail Away Celia Imrie,2018-02-22 _____ 'Anything written by Celia Imrie is guaranteed to put a smile on our faces and her latest book is no exception' - Good Housekeeping 'A dashing roller coaster. She is extraordinary' - Joanna Lumley 'A very witty woman. Hugely entertaining' - Julian Fellowes _____ The deliciously witty, irresistible new novel from the top ten Sunday Times bestselling author of Not Quite Nice follows the exploits of two women on an Atlantic cruise ship. The phone hasn't rung for months. Suzy Marshall is discovering that work can be sluggish for an actress over sixty – even for the former star of a 1980s TV series. So when she's offered the plum role of Lady Bracknell in The Importance of Being Earnest in Zurich, it seems like a godsend. Until, that is, the play is abruptly cancelled in suspicious circumstances, and Suzy is forced to take a job on a cruise ship to get home. Meanwhile Amanda Herbert finds herself homeless in rainy Clapham. Her flat purchase has fallen through, and her children are absorbed in their own dramas. Then she spots an advertisement for an Atlantic cruise, and realises a few weeks on-board would tide her over – and save her money – until the crisis is solved. As the two women set sail on a new adventure, neither can possibly predict the strange characters and dodgy dealings they will encounter – nor the unexpected rewards they will reap. Vividly evoking the old-world glamour of a cruise ship – and the complex politics of its staff quarters – **Sail Away** is at once a hilarious romp and a thrilling tale of intrigue, from the acclaimed pen of Celia Imrie.
