Crooked Snake Lovejoy Boteler,2019-02-19 In 1968, during Albert Lepard's fifth escape from a life sentence at Parchman Penitentiary, he kidnapped Lovejoy Boteler, then eighteen years old, from his family's farm in Grenada, Mississippi. Three decades later, still beset by half-buried memories of that time, Boteler began researching his kidnapper's nefarious, sordid life to discover how and why this terrifying abduction occurred. Crooked Snake: The Life and Crimes of Albert Lepard is the true story of Lepard, sentenced to life in Parchman for the murder of seventy-four-year-old Mary Young in 1959. During the course of his sentence, Lepard escaped from prison six times in fourteen years. In Crooked Snake, Boteler pieces together the story of this cold-blooded murderer's life using both historical records and personal interviews—over seventy in all—with ex-convicts who gravitated to and ran with Lepard, the family members who fed and sheltered the fugitive during his escapes, the law officers who hunted him, and the regular folks who were victimized in his terrible wake. Throughout Crooked Snake, Boteler reveals his kidnapper's hardscrabble childhood and tracks his whereabouts before his incarceration and during his jailbreaks. Lepard's escapes take him to Florida, Michigan, Kansas, California, and Mexico. Crooked Snake captures a slice of history and a landscape that is fast disappearing. These vignettes describe Mississippi's countryside and spirit, ranging from sharecropper family gatherings in Attala County's Seneasha Valley to the twenty-thousand-acre Parchman farm and its borderlands teeming with alligator, panther, bear, and wild boar.

The Past Is Never Tiffany Quay Tyson,2018-03-20 Siblings Bert, Willet, and Pansy know better than to go swimming at the old rock quarry. According to their father, it's the Devil's place, a place that's been cursed and forgotten. But Mississippi Delta summer days are scorching hot and they can't resist cooling off in the dark, bottomless water. Until the day six-year-old Pansy disappears. Not drowned, not lost . . . simply gone. After years with no sign, no hope of ever finding Pansy alive, Bert and Willet have tried to move on. But as surely as their mother died of a broken heart, they can't let go. So when clues surface drawing them to the remote tip of Florida, they drop everything and drive south. Deep in the murky depths of the Florida Everglades they may find the answer to Pansy's mysterious disappearance . . . but truth, like the past, is sometimes better left where it lies. Perfect for fans of Flannery O'Connor and Dorothy Allison, *The Past Is Never* is an atmospheric, haunting story of myths, legends, and the good and evil we carry in our hearts.

In the Sanctuary of Outcasts Neil White,2009-06-02 White tells his emotional, incredible true story of crime and redemption, vanity and spirituality, as he discovers happiness and fulfillment in an unlikely place--imprisonment in The Long Center, the last leper colony in the U.S. 30 color photos.

Confessions of an Undercover Agent Charlie Spillers,2016-03-24 This true story of an ex-Marine who fought crime as an undercover cop, a narcotics agent, and finally a federal prosecutor spans a decade of crime fighting and narrow escapes. Charlie Spillers dealt with a remarkable variety of career criminals, including heroin traffickers, safecrackers, burglars, auto thieves, and members of Mafia and Mexican drug smuggling operations. In this riveting tale, the author recounts fascinating experiences and the creative methods he used to succeed and survive in a difficult and sometimes extremely dangerous underworld life. As a young officer with the Baton Rouge Police Department, ex-Marine Charlie Spillers first went undercover to infiltrate criminal groups to gather intelligence. Working alone and often unarmed, he constantly attempted to walk the thin line between triumph and disaster. When on the hunt, his closest associates were safecrackers, prostitutes, and burglars. His abilities propelled him into years of undercover work inside drug trafficking rings. But the longer he worked, the greater the risks. His final and perhaps most significant action in Baton Rouge was leading a battle against corruption in the police department itself. After Baton Rouge, he joined the Mississippi Bureau of Narcotics and for the next five years continued working undercover, from the Gulf Coast to Memphis; and from New Orleans to Houston, Texas. He capped off a unique career by becoming a federal prosecutor and the justice attaché for Iraq. In this book, he shares his most intriguing exploits and exciting undercover stings, putting readers in the middle of the action.

Runaways, Coffles and Fancy Girls Bill Carey,2018-04-10 A book that details aspects of slavery in Tennessee and its relationship with the economy, newspapers and the government. Based largely on newspaper advertisements and first-person accounts, this book is full of revelations that prove that slavery was a much bigger part of Tennessee's culture than people realize today.

The Ranger Ace Atkins,2018-06-26 THE FIRST NOVEL IN ACE ATKINS' NEW YORK TIMES BESTSELLING QUINN COLSON SERIES. "In Quinn Colson, bestselling author Ace Atkins has created an American hero in a time when we need him."—C. J. Box After years of war, Army Ranger Quinn Colson returns home to the rugged, rough hill country of northeast Mississippi to find his native Tibbehah County overrun with corruption, decay, meth runners, and violence. His uncle, the longtime county sheriff, is dead. A suicide, he's told, but others—like tomboy deputy Lillie Virgil—whisper murder. In the days that follow, it's up to Colson to discover the truth, not only about his uncle, but about his family, his friends, his town, and himself. And once it's discovered, there's no going back for this real hero of the Deep South.

The Revelators Ace Atkins,2021-05-25 In this gripping new crime novel from the New York Times-bestselling author, Quinn Colson returns to take down a criminal syndicate that has ravaged his community, threatened his family, and tried to have him killed. Shot up and left for dead, Sheriff Quinn Colson has revenge on his mind. With the help of his new wife, Maggie; rehabilitation; and sheer force of will, he's walking again, eager to resume his work as a southern lawman and track down those responsible for his attempted murder. But someone is standing in his way: an interim sheriff, appointed by the newly elected Governor Vardaman, the man who Quinn knows ordered his murder. Vardaman sits at the top of the state's power structure--both legal and criminal--and little does he know, Quinn is still working to take him down. Quinn will enlist the help of his most trusted friends, including federal agent Jon Holliday, U.S. Marshal Lillie Virgil, and Nat Wilikins, an undercover agent now working for crime queen Fannie Hathcock. Since Quinn's been gone, the criminal element in North Mississippi has flourished, with Hathcock enjoying unbridled freedom. Now as a bustling factory shuts down, a labor leader ends up dead, and Quinn's own nephew goes missing, everything looks to be unraveling. Even an old friend from Quinn's past, Donnie Varner, is out of jail and up to his own ways. Quinn Colson and company have been planning for years, and now they're finally ready to bust apart a criminal empire running on a rigged system for far too long. This is the Battle of Jericho, the epic showdown that's been years in the making. Eventually, the war will end--for better or worse.

Losing Cooper J. J. Jasper,2014-07-17 A true story of hope in the midst of great personal tragedy. Losing Cooper ? Finding Hope to Grieve Well, is the moving story of the Jasper family after the tragic death of their five-year-old son Cooper. The book chronicles their journey through darkness, but offers real hope to anyone experiencing trouble, trials or tragedy. It shows how a strong Christian family deals with shock, loss and grief from a Biblical perspective.

Mississippi's Greatest Athletes Rick Cleveland, Mississippi Sports Hall of Fame and Museum,2014-10-10 Features nearly 300 profiles of athletes inducted into the Mississippi Sports Hall of Fame. Plus, a look at future Hall of Famers.

The Shameless Ace Atkins,2019-07-09 Buried secrets, dirty lies, and unbridled greed and ambition raise the stakes down South in the lauded crime series from New York Times bestselling author Ace Atkins. Twenty years ago, Brandon Taylor was thought to be just another teen boy who ended his life too soon. That's what almost everyone in Tibbehah County, Mississippi, said after his body and hunting rifle were found in the Big Woods. Now two New York-based reporters show up asking Sheriff Quinn Colson questions about the Taylor case. What happened to the evidence? Where are the missing files? Who really killed Brandon? Quinn wants to help. After all, his wife Maggie was a close friend of Brandon Taylor. But Quinn was just a kid himself in 1997, and these days he's got more on his plate than twenty-year-old suspicious death. He's trying to shut down the criminal syndicate that's had a stranglehold on Tibbehah for years, trafficking drugs, stolen goods, and young women through the MidSouth. Truck stop madam Fannie Hathcock runs most of that action, and has her eyes on taking over the whole show. And then there's Senator Jimmy Vardaman, who's cut out the old political establishment riding the Syndicate's money and power--plus a hefty helping of racism and ignorance--straight to the governor's office. If he manages to get elected, the Syndicate will be untouchable. Tibbehah will be lawless. Quinn's been fighting evil and corruption since he was a kid, at home or as a U.S. Army Ranger in Afghanistan and Iraq. This time, evil may win out.

From Midnight to Guntown John Hailman,2013-03-18 A former prosecutor's hilarious tales of the ne'er-do-wells and knuckleheads he helped bring to justice

Piominko, Chickasaw Leader Thomas W. Cowger,Mitch Caver,2017-05-11 More than two hundred years ago, Chickasaws confronted the unrelenting whirlwind of intrigue, treachery, and uncertainty that surrounded the American Revolution. The Spanish, the British, and the colonies that would become the fledgling United States either courted the Chickasaws' favor or plotted against them. The times called for leaders who could find the most certain path toward the Chickasaws' survival and the preservation of their sovereignty. Out of those times, from the ranks of Chickasaw warriors, came Piominko, who rose to a position of leadership, recognition, and trust achieved by few others during that pivotal period in history. In 1794, Piominko met with President George Washington in Philadelphia, an event set down in history's record by future President John Quincy Adams. Their conclave helped forge the relationship between the Chickasaw Nation and the US government that has lasted since and has been an important ingredient in the persistence and renaissance of the Chickasaws as a sovereign people and culture. Piominko: Chickasaw Leader tells the story of a Native American leader whose unwavering dedication in the face of monumental challenges proved crucial to the survival of two nations--his and the United States--Publisher's description.

The Search for Good Wine John Hailman,2014-10-08 The Search for Good Wine is a highly entertaining and informative book on all aspects of wine and its consumption by nationally-syndicated wine columnist John Hailman, author of the critically-acclaimed Thomas Jefferson on Wine (2006). Hailman explores the wine-drinking experiences and tastes of famous wine-lovers from jolly Ben Franklin and the surprisingly enthusiastic George Washington to Julius Caesar, Sherlock Holmes, and Ernest Hemingway among numerous other famous figures. Hailman also recounts in fascinating detail the exotic life of the founder of the California wine industry, Hungarian Agoston Haraszthy, who introduced Zinfandel to the U.S. Hailman gives calm and reliable guidance on how to deal with snobby wine waiters and how to choose the best wine books and travel guides. He simplifies the ABCs of wine-grape types from the delicate pinot noirs of Oregon to the robust malbecs of Argentina and from the vibrant new whites of Spain to the great reds (old and new) of Italy. The entire book is dedicated to finding values in wine. As Hailman says, "Everyone always wants to know one basic thing: How can you get the best possible wine for the lowest possible price?" His new book is highly practical and effective in answering that eternal question and many more about wine. A judge at the top international wine competitions for over thirty years, Hailman examines those experiences and the value of "blind" tastings. He gives insightful tips on how to select a good wine store, how to decipher wine labels and wine lists, and even how to extract unruly champagne corks without crippling yourself or others. Hailman simplifies wine jargon and effectively demystifies the culture of wine fascination, restoring the consumption of wine to the natural pleasure it really should be.

Oxford and Ole Miss Jack Lamar Mayfield,Oxford-Lafayette County Heritage Foundat,2009-08 A set of 15 captioned black and white vintage-photograph postcards with brief descriptions on the verso featuring Oxford, MS and University of Mississippi historical buildings, issued between 2 protective cover cards.

Pizza, A Slice of American History Liz Barrett,2014-09 This book tells the story of how this beloved food became the apple of our collective eye-or, perhaps more precisely, the pepperoni of our pie. Pizza journalist Liz Barrett explores how it is that pizza came to and conquered North America and how it evolved into different forms across the continent. Each chapter investigates a different pie: Chicago's famous deep-dish, New Haven's white clam pie, California's health-conscious varieties, New York's Sicilian and Neapolitan, the various styles that have emerged in the Midwest, and many others. The components of each pie-crust, sauce, spices, and much more-are dissected and celebrated, and recipes from top pizzerias provide readers with the opportunity to make and sample the pies themselves.

Gordons of Lochinvar Forrest T. Tutor,2008 The Gordons of Lochinvar descend from a notable Scot family and later were successful landowners in Chickasaw Indian Territory, which became North Mississippi. The book describes the life of James Gordon and his parents Robert and Mary Elizabeth from mid-nineteenth century to turn of the twentieth century America. It describes Colonel James Gordon's experiences during the Civil War, and transcribes his noteworthy address to the United States Senate long after Reconstruction shattered his fortune. Included are many of James Gordon's own poetry and hunting short stories, and Robert Gordon's diary entries from several years prior to the War Between the States.

Thomas Jefferson on Wine John Hailman,2009-09-18 In Thomas Jefferson on Wine, John Hailman celebrates a founding father's lifelong interest in wine and provides unprecedented insight into Jefferson's character from this unique perspective. In both his personal and public lives, Jefferson wielded his considerable expertise to influence the drinking habits of his friends, other founding fathers, and the American public away from hard liquor toward the healthier pleasures of wine. An international wine judge and nationally syndicated wine columnist, Hailman discusses how Jefferson's tastes developed, which wines and foods he preferred at different stages of his life, and how Jefferson became the greatest wine expert of the early American republic. Hailman explores the third president's fascination with scores of wines from his student days at Williamsburg to his lengthy retirement years at Monticello, using mainly Jefferson's own words from hundreds of immensely readable and surprisingly modern letters on the subject. Hailman examines Jefferson's five critical years in Paris, where he learned about fine wines at Europe's salons and dinner tables as American Ambassador. The book uses excerpts from Jefferson's colorful travel journals of his visits to France, Italy, and Germany, as well as his letters to friends and wine merchants, some of whose descendants still produce the wines Jefferson enjoyed. Vivid contemporaneous accounts of dinners at the White House allow readers to experience vicariously Jefferson's Champagne diplomacy. The book concludes with an overview of the current restoration of the vineyards at Monticello and the new Monticello Wine Trail and its numerous world-class Virginia wineries. In Thomas Jefferson on Wine, Hailman presents an absorbing and unique view of this towering historical figure.

Reflections of a Mississippi Magnolia-A Life in Poems Patricia Neely-Dorsey,2007-02 Reflections of a Mississippi Magnolia-A Life in Poems is a celebration of the south and things southern. The authors states... There are so many negative connotations associated with Mississippi and the south in general. In my book. using childhood memories, persoanl thoughts and dreams, I attempt to give a positive glimpse into the southern way of life.

Eating by the Book David L. Meinz,1999 How to lose weight, lower cholesterol, prevent cancer, eat more, get fit, and feel great!

The Dream Drew D. Hansen,2004 Forty years ago, Martin Luther King, Jr. electrified the nation when he delivered his I Have a Dream speech from the steps of the Lincoln Memorial. King's prophetic utterances started the long overdue process of changing America's idea of itself. His words would enter the American lexicon, galvanizing the civil rights movement, becoming a touchstone for all that the country might someday achieve. The Dream is the first book about Martin Luther King, Jr.'s legendary I Have a Dream speech. Opening with an enthralling account of the August day in 1963 that saw 250,000 Americans converge at the March on Washington, The Dream delves into the fascinating and little-known history of King's speech. Hansen explores King's compositional strategies and techniques, and proceeds to a brilliant analysis of the I Have a Dream speech itself, examining it on various levels: as a political treatise, a work of poetry, and as a masterfully delivered and improvised sermon bursting with biblical language and imagery. In tracing the legacy of I Have a Dream since 1963, The Dream insightfully considers how King's incomparable speech has slowly remade the American imagination, and led us closer to King's visionary goal of a redeemed America.--BOOK JACKET.
